

John A Macdonald

Joseph Pope

John A Macdonald:

John A. Macdonald Donald Grant Creighton,1998-01-01 John A Macdonald s flamboyant personality dominated Canadian public life from the years preceding Confederation to the end of the 19th century Probably the greatest Canadian biography yet published in English Dictionary of Canadian Biography **John A. Macdonald** Ged Martin,2013-06-01 Shocked by Canada s 1837 rebellions John A Macdonald sought to build alliances to avoid future conflicts Thanks to financial worries and an alcohol problem he almost quit politics in 1864 The challenge of building Confederation harnessed his skills and in 1867 he became the country s first prime minister The John A. Macdonald Retrospective 2-Book Bundle Ged Martin,2014-10-29 This special 2 book bundle contains a number of perspectives on a man who was arguably Canada s most famous political leader a figure of legendary proportions in the history of Canada s birth and development Ged Martin s biography tells Macdonald s story Shocked by Canada s 1837 rebellions Macdonald sought to build alliances and avoid future conflicts Thanks to financial worries and an alcohol problem he almost quit politics in 1864 The challenge of building Confederation harnessed his skills and in 1867 he became the country s first prime minister He drove the Dominion s westward expansion rapidly incorporating the Prairies and British Columbia before a railway contract scandal unseated him in 1873 He conquered his drinking problem and rebuilt the Conservative Party to regain power in 1878 The centrepiece of his protectionist National Policy was the transcontinental railway but a western uprising in 1885 was followed by the controversial execution of rebel leader Louis Riel Although dominant nationally this popular hero had many flaws Macdonald at 200 presents fifteen fresh interpretations of Canada s founding prime minister published for the occasion of the bicentennial of his birth in 1815 Crisply written by recognized scholars and specialists the collection throws new light on Macdonald s formative role in shaping government promoting women s rights managing the nascent economy supervising westward expansion overseeing relations with Native peoples and dealing with Fenian terrorism A special section deals with how Macdonald has or has not been remembered by historians as well as the general public The book concludes with an afterword by prominent Macdonald biographer Richard Gwyn Macdonald emerges as a man of full dimensions an historical figure that is surprisingly relevant to our own times Includes John A Macdonald Macdonald at 200 *Life and Times of the Right Honourable Sir John A. Macdonald, Premier of the Dominion of Canada* Joseph Edmund Collins,2025-07-14 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *John A. Macdonald* Ged Martin,2013-06-01 A biography of Canada s first prime minister a legendary political strategist who helped found a new nation in 1867 Shocked by Canada s 1837 rebellions John A Macdonald sought to build alliances and avoid future conflicts Thanks to financial worries and an alcohol problem he almost quit politics in 1864 The challenge of building Confederation harnessed his skills and in 1867 he became the country s first prime minister As Sir John

As he drove the Dominion's westward expansion rapidly incorporating the Prairies and British Columbia before a railway contract scandal unseated him in 1873. He conquered his drinking problem and rebuilt the Conservative Party to regain power in 1878. The centrepiece of his protectionist National Policy was the transcontinental railway but a western uprising in 1885 was followed by the controversial execution of rebel leader Louis Riel. Although dominant nationally Macdonald often cut ethical corners to resist the formidable challenge of the Ontario Liberals in his own province. John A. Macdonald created Canada but this popular hero had many flaws.

Affectionately Yours Sir John Alexander Macdonald, 1969 **Memoirs of the Right Honourable Sir John Alexander Macdonald, G. C. B.** Sir Joseph Pope, 1894 **Memoirs of the Right Honourable Sir John Alexander Macdonald, G.C.B.** Joseph Pope, 1894 Lords of the North James K. McDonnell, Robert Bennett Campbell, 1997 Variant spellings of MacDonald include McDonald Macdonald Macdonell MacDonald and McDonell

The Honourable John Norquay Gerald Friesen, 2024-04-12 The life and times of the Premier from Red River John Norquay orphan and prodigy was a leader among the Scots Cree peoples of western Canada. Born in the Red River Settlement he farmed, hunted, traded and taught school before becoming a legislator, cabinet minister and from 1878 to 1887 premier of Manitoba. Once described as Louis Riel's alter ego, he skirmished with prime minister John A. Macdonald, clashed with railway baron George Stephen and endured racist taunts while championing the interests of the Prairie West in battles with investment bankers, Ottawa politicians and the CPR. His contributions to the development of Canada's federal system and his dealings with issues of race and racism deserve attention today. Recounted here by Canadian historian Gerald Friesen, Norquay's life story ignites contemporary conversations around the nature of empire and Canada's own imperial past. Drawing extensively on recently opened letters and financial papers that offer new insights into his business, family and political life, Friesen reveals Norquay to be a thoughtful statesman and generous patriarch. This masterful biography of the Premier from Red River sheds welcome light on a neglected historical figure and a tumultuous time for Canada and Manitoba.

Correspondence of Sir John Macdonald John Alexander Macdonald, Joseph Pope, 1921 **John A.** Richard J. Gwyn, 2009-03-18 The first full scale biography of Canada's first prime minister in half a century by one of our best known and most highly regarded political writers. The first volume of Richard Gwyn's definitive biography of John A. Macdonald follows his life from his birth in Scotland in 1815 to his emigration with his family to Kingston, Ontario to his days as a young rising lawyer to his tragedy-ridden first marriage to the birth of his political ambitions to his commitment to the all but impossible challenge of achieving Confederation to his presiding with his second wife Agnes over the first Canada Day of the new Dominion in 1867. Colourful, intensely human and with a full measure of human frailties, Macdonald was beyond question Canada's most important prime minister. This volume describes how Macdonald developed Canada's first true national political party encompassing French and English and occupying the centre of the political spectrum. To perpetuate this party Macdonald made systematic use of patronage to recruit talent and to bond supporters a system of politics that continues to

this day Gwyn judges that Macdonald if operating on a small stage possessed political skills of manipulation and deception as well as an extraordinary grasp of human nature of the same calibre as the greats of his time such as Disraeli and Lincoln Confederation is the centerpiece here and Gwyn's commentary on Macdonald's pivotal role is original and provocative But his most striking analysis is that the greatest accomplishment of nineteenth century Canadians was not Confederation but rather to decide not to become Americans Macdonald saw Confederation as a means to an end its purpose being to serve as a loud and clear demonstration of the existence of a national will to survive The two threats Macdonald had to contend with were those of annexation by the United States perhaps by force perhaps by osmosis and equally that Britain just might let that annexation happen to avoid a conflict with the continent's new and unbeatable power Gwyn describes Macdonald as Canada's first anti American And in pages brimming with anecdote insight detail and originality he has created an indelible portrait of the irreplaceable man the man who made us Macdonald hadn't so much created a nation as manipulated and seduced and connived and bullied it into existence against the wishes of most of its own citizens Now that Confederation was done Macdonald would have to do it all over again having conjured up a child nation he would have to nurture it through adolescence towards adulthood How he did this is however another story He never made the least attempt to hide his vice unlike say his contemporary William Gladstone with his sallies across London to save prostitutes or Mackenzie King with his crystal ball gazing Not only was Macdonald entirely unashamed of his behaviour he often actually drew attention to it as in his famous response to a heckler who accused him of being drunk at a public meeting Yes but the people would prefer John A drunk to George Brown sober There was no hypocrisy in Macdonald's make up nor any fear from John A Macdonald John A.: 1815-1867 Richard J. Gwyn, 2007 But it wasn't easy The wily Macdonald faced constant crises throughout these years from Louis Riel's two rebellions through to the Pacific Scandal that almost undid his government and his quest to find the spine of the nation the railroad that would link east to west Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang

pub desc v 2 *Life of the Right Hon. Sir John A. Macdonald* James Pennington Macpherson, 1891 **Portrait of Sir John A. Macdonald (1815-1891), Prime Minister of Canada (1867-1891).** Gamble Collection, Canada. Prime Minister. (1867-1891 : Macdonald), 1867 **The Canadian Department of Justice and the Completion of Confederation 1867-78** Jonathan Swainger, 2000 The federal Department of Justice was established by John A Macdonald as part of the Conservative party's program for reform of the parliamentary system following Confederation Among other things it was charged with establishing national institutions such as the Supreme Court and the North West Mounted Police and with centralizing the penitentiary system In the process the department took on a position of primary importance in post Confederation politics This was particularly so up to 1878 when Confederation was completed Jonathan Swainger considers

the growth and development of the ostensibly apolitical Department of Justice in the eleven years after the union of 1867 Drawing on legal records and other archival documents he details the complex interactions between law and politics exploring how expectations both inside and outside the legal system created an environment in which the department acted as an advisor to the government He concludes by considering the post 1878 legacy of the department s approach to governance wherein any problem legal or otherwise was made amenable to politicized solutions Unfortunately for the department and the federal government this left them ill prepared for the constitutional battles to come One crucial task was to establish responsibilities within the federal government rather than just duplicate offices which had existed prior to union Others were the establishment of national or quasi national institutions such as the Supreme Court 1875 and the North West Mounted Police 1873 the redrafting of the Governor General s instructions which was done between 1875 and 1877 and centralization of the penitentiary system completed by 1875 The Department benefited from a deeply rooted expectation that law was both apolitical and necessary This ideology functioned in a variety of ways it gave the Department considerable latitude for setting policy and solving problems but rationalized the appearance of politicized legal decisions It also legitimized Department officials claim that it was especially suited to review all legislation advise on the royal prerogative of mercy administer national penitentiaries and appoint judges to the bench Ultimately the fictional notion of law as apolitical and necessary placed the Department of Justice squarely in the midst of the completion of Confederation The Canadian Department of Justice and the Completion of Confederation will be of particular interest to students and scholars of Canadian legal and political history *The Letters of Sir John A. Macdonald* Sir John Alexander Macdonald,1969 [Correspondence of Sir John Macdonald; Selections From the Correspondence of the Right Honorable Sir John Alexander Macdonald, First Prime Minister of the Dominion of Canada, Made by His Literary Executor Sir Joseph Pope](#) John A MacDonald,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Correspondence of John MacDonald** Sir John Alexander Macdonald,Joseph Pope,1921 *John A. Macdonald* Donald Swainson,1971 A series of well illustrated and lively brief biographies that emphasize character anecdote and social history often by means of vivid extracts from contemporary sources while giving a clear summary of the main historical events and achievements Publisher
