## **John Grisham:**

*John Grisham: A Biography* James Fenimore, 2012-05-17 John Grisham is one of the most successful American authors of our time. He has become world famous for his extensive list of fictional legal thrillers that keep readers on the edge of their seats and always wanting more. He is one of only three authors along with Tom Clancy and J K Rowling to sell over two million copies on a first printing. His very first bestseller *The Firm* published in 1991 eventually sold an impressive seven million copies. Only two short years after the book's release but before it was officially published the rights to the screenplay were sold and *The Firm* hit the box office. The film and book were wildly successful with the book holding a place on *The New York Times* bestseller list for 47 consecutive weeks and the film bringing in over 270 million. As if the film and book were not successful enough a Canadian TV series has been created based on an adaptation of the story and began airing in 2012.

**The Rainmaker** John Grisham, 2005-09-27 1 NEW YORK TIMES BESTSELLER A taut and terrific page turner. *Entertainment Weekly* from the master of the courtroom thriller. Great fun to read. The complex plotting is Grisham's major accomplishment. *Los Angeles Times* In development as a USA Network series starring John Slattery. It's summer in Memphis. The sweat is sticking to Rudy Baylor's shirt and creditors are nipping at his heels. Once he had aspirations of breezing through law school and punching his ticket to the good life. Now he doesn't have a job or a prayer except for one: an insurance dispute that leaves a family devastated and opens the door for a lawsuit if Rudy can find a way to file it. By the time Rudy gets to court a heavyweight corporate defense team is there to meet him. And suddenly he's in over his head plunged into a nightmare of lies and legal maneuverings. A case that started small is exploding into a thunderous million dollar war of nerves, skill and outright violence, a fight that could cost one young lawyer his life or turn him into the biggest rainmaker in the land.

*Framed* John Grisham, Jim McCloskey, 2024-10-15 1 NEW YORK TIMES BESTSELLER The master of the legal thriller. Associated Press teams up with the godfather of the innocence movement *Texas Monthly* to share ten harrowing true stories of wrongful convictions. Each of these stories is told with astonishing power. David Grann author of *Killers of the Flower Moon*. Gripping, compelling. What makes *Framed* important reading isn't the shock value advertised in the title. It's the exposure of the infuriating recurrent factors involved in so many unrighteous convictions. *The Washington Post* John Grisham is known worldwide for his bestselling novels but it's his real life passion for justice that led to his work with Jim McCloskey of Centurion Ministries, the first organization dedicated to exonerating innocent people who have been wrongly convicted. Together they offer an inside look at the many injustices in our criminal justice system. A fundamental principle of our legal system is a presumption of innocence but once someone has been found guilty there is very little room to prove doubt. These ten true stories shed light on Americans who were innocent but found guilty and forced to sacrifice friends, families and decades of their lives to prison while the guilty parties remained free. In each of the stories John Grisham and Jim McCloskey recount the dramatic, hard fought battles for exoneration. They take a close look at what leads to wrongful convictions in the

first place and the racism misconduct flawed testimony and corruption in the court system that can make them so hard to reverse Impeccably researched and told with page turning suspense as only John Grisham can deliver Framed is the story of winning freedom when the battle already seems lost and the deck is stacked against you Look for John Grisham s forthcoming legal thriller The Widow This time the verdict isn t the end of the story **The Broker** John
