American Expeditionary Forces,John Joseph Pershing,1919 **Pershing** John Perry,2011-10-11 No other American military leader is so important and yet so little known as John J Pershing He led an army of more than a million men in France defeating the seemingly invincible German war machine with only six months of offensive action He was an American hero and yet today General Pershing has faded away to the second or third tier of America s historical consciousness His accomplishments rightly place him in the company of great generals such as MacArthur Eisenhower and Patton all of whom he commanded and inspired and all of whom he outranked He shaped world events in Europe as surely as Woodrow Wilson or David Lloyd George so why has America forgotten him John Perry chronicles the life of a strong inflexible leader who was an insufferable nit picker on the job but a faithful friend tender husband and devoted father To the small group fortunate enough to know him Pershing was a great and wonderful man To the rest he was stiff cold impersonal and best avoided
