Yarbrough, 2008-11 A respected New Testament scholar offers a substantive commentary on the letters of John in the award winning BECNT series **Faith or Frustration** Paul Murray, 2019-05-30 We begin the second part of this four part series on the Gospel of John called Meet Messiah In Part 1 Behold the Man we saw the introduction of the Messiah to both the human family and the nation of Israel In Part 2 Faith or Frustration we will join His disciples as they walk in the footstep of the Master from chapter 5 through chapter 12 Here opposition to Jesus and His ministry begins in earnest Up through chapter 4 of John s gospel the leadership of Israel was curious about whom this new rabbi really was The ministry of John the Baptist had captured the attention of the nation with his proclamation that the kingdom of God was at hand and that folks needed to repent of their sins in preparation of the coming Messiah At first the Jews just dismissed Jesus as another new rabbi on the block But His popularity had grown rapidly outstripping even that of the Baptizer The signs that He was doing had caught the attention of the masses as well as the Jews When He cleansed the temple and chased out all the vendors which was a primary source of income for the priests He became a regular topic of conversation in the Great Sanhedrin We will begin to see that the curiosity of the Jews turned to frustration their frustrations turned to anger and their anger turned to hatred until finally a plot was devised to have Him killed That was the only way they would ever stop Him and save their positions of power and control over the people Strap in for the ride It's going to get really really bumpy Who ever said being a Christian and being bold in your faith would ever be easy The truth is it could get you killed and history has demonstrated that many have died for their faith Let's follow along with the One they have all been willing to die for **I Hope My Children Heard** John Ridilla,2022-08-29 All folks have catchy sayings songlines or quoted words of wisdom that have informed or affected their life s journey Through their growth years the author has shared with his children a selection of his own meaningful ideas Like most parents when his children respond with a silent nod he is not certain that these perils we received or valued This book combines phrases of meaning with anecdotes from the authors life The hope is that these pithy ideas will be considered by readers as they navigate their own lifes path The Message of Hope, 2014-03-14 God offers you hope He cares about you he made you and he wants to see you thrive That's why God's hope comes not in the form of an encouraging note or an inspiring picture God's hope
