The Second Coming (Routledge Revivals) J. F. C. Harrison, 2013-05-07 First published in 1979 The Second Coming is an experiment in the writing of popular history a contribution to the history of the people who have no history and an exploration of some of the ideas beliefs and ways of thinking of ordinary men and women in the late eighteenth and first half of the nineteenth centuries Millenarianism is a conceptual tool with which to explore some aspects of popular thought and culture It is also seen as an ideology of social change and as a continuing tradition traced from the end of the seventeenth century to the 1790s and is shown to be embedded in folk culture Abundant in rich and lively descriptions of such colourful characters as Richard Brothers Joanna Southcott John Wroe Zion Ward and Sir William Courtenay as well as studies of the Shakers early Mormons and Millerites the result is a window into the world of ordinary people in the Age of Romanticism

Prophecy and the Politics of Salvation in Late Georgian England Matthew Niblett, 2015-07-23 Joanna Southcott 1750 1814 remains one of the most significant and extraordinary religious figures of her era In an age of reason and enlightenment her apocalyptic prophecies attracted tens of thousands of followers and she captured international attention with her promise to bear a divine child In this new intellectual biography Matthew Niblett unravels Southcott s writings her context and her message to demonstrate why the prophetess was such a magnetic figure and to highlight the significance of her role in British religious history Using a wide range of contemporary sources this revealing study explains the formation of Southcott s apocalyptic theology her treatment of the Bible her relation with the Church the network of clerical supporters she used and the striking originality of her message In so doing this book shines fresh light on religion and the politics of salvation in late Georgian England *The History of a Modern Millennial Movement* Jane Shaw, Philip Lockley, 2017-05-30 A feverish expectation of the end of the world seems an unlikely accompaniment to middle class respectability But it was precisely her interest in millennial thinking that led Jane Shaw to a group of genteel terraced townhouses in the English county town of Bedford Inside their unassuming grey brick exteriors Shaw found something extraordinary For here within the Ark lived two members of the Panacea Society last survivors of the remaining Southcottian prophetic communities in Britain And these individuals were the heirs to a rich archive charting not just their own apocalyptic sect but also the histories of the many groups and their leaders who from the early nineteenth century onwards had followed the beliefs of the self styled prophetess and prospective mother of the Messiah Shiloh Joanna Southcott who died in 1814 Placing its subjects in a global context this is the first book to explore the religious thinking of all the Southcottians It reveals a transnational movement with striking and innovative ideas not just about prophecy and the coming apocalypse but also about politics gender class and authority The volume will sell to scholars and students of religion and cultural studies as well as social history **The Life of Joanna Southcott: Illustrative of Her Supposed Mission; Her Erroneous Opinions and**
