Final Cut Marjorie Mccown, 2023-06-06 Perfect for fans of Elle Cosimano and Nita Prose when Hollywood costumer Joey Jessop stumbles across a dead body near the set of a big budget movie she must find ways to protect her career and herself before it s too late Joey Jessop enjoys working behind the scenes As key costumer for the next epic superhero movie her role is to make others look good while staying out of the spotlight That means making sure to be professional around Eli Logan her ex and the First Assistant Director and Courtney Lisle Eli s newest love interest and the Second Assistant Director But this isn t a problem for Joey especially when the movie is shooting at a gorgeous Malibu location All of that changes when Joey finds Courtney s dead body on the first day of principal photography and she soon becomes the primary suspect When the press takes hold of the story and social media begins to run with it Joey watches her well ordered life behind the scenes become front and center for all to see But that isn t even the worst of it In the midst of this newfound and unfortunate stardom she must also contend with the reckless behavior of the movie s predatory director and producer Marcus Pray who seems driven to continue his practice of making another blockbuster hit while making sure his crew endures a toxic and potentially lethal work environment As a result Joey finds herself embattled both personally and professionally With tensions building on set and a murder investigation looming over her life and future Joey takes it upon herself to clear her name Will she be able to expose the truth before it s a wrap
