BEACON HILL PRESS, 1969      **Beacon Bible Commentary, Volume VII: John, Acts** Joseph H. Mayfield, Ralph Earle, 1965-01-01 Insights from 40 Bible scholars with in depth explanations of Scripture critical analysis of key words and phrases and outlines for expository preaching Based on KJV Cloth with jacket      **Peter and Paul in Acts: A Comparison of Their Ministries** David Spell, 2006-08-01 Acts is arguably the most exciting book in the New Testament It covers the tumultuous early years of Christianity and narrates the growth of the church throughout the Roman Empire Luke tells this story by focusing primarily on two men Peter and Paul This book examines their apostolic ministries as they are revealed within the pages of The Acts of the Apostles Their apostolic ministries are examined in the context of several different components Leadership Evangelism and Church Planting Miracle Working and Healing and Mystical or Supernatural Experiences These categories are shown to detail particular aspects of each man s apostleship work These categories provide a convenient way to compare and contrast the type of ministry that each apostle performed as described by Luke Spell also devotes a chapter each to Luke s literary method and the relationship of Peter and Paul as seen in their letters These two chapters lay important groundwork for examining the apostles This book will provide the reader with valuable insights from Scripture that they can apply to their own lives and ministry By looking at how Peter and Paul conducted their ministries in the first century we can be more effective in the twenty first      *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing

Adam McClendon,2015-03-25 Spirituality is a hot topic in today's culture Spirituality is essentially how one's beliefs and experiences influence the way one lives their life Such influences for living are of critical importance to one's faith within the Christian community What role does the Bible play in developing an expressed spirituality among the Christian community How do one's religious traditions cultural influences and personal preferences influence the way Christian spirituality is perceived and expressed All too often and at times unintentionally the foundational truths of the Bible are subordinated to tradition culture and personal preference This book provides a context for understanding Paul's foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today      **Adult Quarterly | Student Manual Fall Quarter 2020 (Sep-Nov)** Church Of God In Christ Publishing House,2020-08-01 The Student quarterly offers the student a comprehensive guide of the Sunday School lessons The structured approach to the lessons helps the student understand the Biblical principles outlined in each week's lesson The Manual features A 13 week series of lessons Life application for each lesson A weekly challenge

The contributors offer interdisciplinary explorations on what it means to live as God's holy people in different settings and consider challenging questions from biblical, historical, theological, missiological and pastoral perspectives     **Walking with the Full Assurance of Understanding** Sterling Merritt Durg, 2019-10-23 Walking with the Full Assurance of Understanding has been written to provide Christians who are serious about their faith what Paul called the wealth that comes from the full assurance of understanding. In its pages readers will find the central truths, logic and promise of Christianity necessary for a confident, stable and fruitful walk with God. No one knew better than John Wesley that it is one thing to know Scripture quite another to understand it. Even as a missionary to Georgia, well schooled in the faith by a clergyman, father, a devout mother and his studies at Oxford, Wesley remained unaware of the full meaning of Scripture. It was understanding that unlocked the power of God's work in his life. Given the multitude of negative influences both from secular culture and within the Christian community, there has never been a greater need to avoid the false teachings of philosophy, popular but mistaken beliefs and poor assumptions. The information and insights presented here will enable twenty-first century Christians to avoid being carried about by every wind of doctrine by understanding the treasure they have in God, Jesus Christ and the Scriptures     **Subject Guide to Books in Print**, 1997

**Old Testament Narratives and Speech Act Theory** Steven T. Mann, 2025-01-15 Old Testament Narratives and Speech Act Theory explores the creative power of words in Old Testament narratives. While the most famous example of this phenomenon might involve divine utterances such as "Let there be light" (Gen 1:1), Steven T. Mann argues that human characters can also create worlds with their words in an attempt to influence the imaginations and therefore actions of their listeners. This study focuses on the performative nature of speeches that are found in several key Old Testament narratives including Genesis 4:1-26, 18:1-6, 33:1-20, Exodus 1:8-22, 32:1-14, Numbers 13:1-14, 2 Samuel 7:1-17, Amos 7:1-6 and Jonah 2:1-10. Within these narratives, characters use their words to create competing worlds that clash as they attempt to advance their own agendas. The storyteller's portrayal of these narrative worlds invites the audience to incorporate viewpoints of certain characters into their own world     **Back To Eden** Simon Thiessen, 2016-06-16 Part scriptural analysis, part compassionate musing and part academic study, Back to Eden brings together academic research, Christian theology and universal human emotions to examine how our financial status affects our way of life and our treatment of others. Starting with a broad analysis of how certain scriptural passages can be interpreted through the lens of our human capacity for love, compassion, righteousness and humility, author Dr. Thiessen moves with increasing specificity into a detailed, succinct and thoroughly researched examination of how our perspective towards those less fortunate is directly related to our relationship with God, not to our financial portfolio. For those who seek to deepen their relationship with God and to better understand how His

teachings encourage compassion generosity and open heartedness Back to Eden not only provides the academic and scriptural foundation to accomplish this but it also weaves each lesson through a prism of human experience allowing these teachings to be understood and identified by any who are willing to learn Through deep analysis and thoughtful consideration of theological literature and select scripture Dr Thiessen s work weaves a story that aspires to educate enlighten and inspire

Rethinking Eschatology Jason L. Quintern,2025-01-23 In Rethinking Eschatology Jason L Quintern presents a compelling defense of postmillennialism a theological view that Christ s reign has already begun and is advancing throughout history Challenging popular end times scenarios of decline Quintern argues from a biblical and historical basis that the kingdom of God is progressively expanding through the global spread of the gospel Drawing on scholars like Kenneth Gentry and Keith Mathison he shows how the Scriptures depict a victorious ever growing Christian influence culminating in Christ s return and the final renewal of creation This book is ideal for students of Scripture church leaders and anyone seeking an optimistic and well reasoned perspective on God s plan for history and the future
