John Dennis

John Dennis:

The Select Works of Mr. John Dennis. Vol. II. John Dennis, 1718 **The Plays of John Dennis** John Dennis, 1980 *The Select Works of Mr. John Dennis* John Dennis, 1721 **John Dennis** Harry Gilbert Paul, 1911 **John Dennis; His Life and Criticism** Harry Gilbert Paul, 2015-12-05 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore you will see the original copyright references, library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe and we concur that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. **John Dennis** H. G. Paul, 2017-11-25 Excerpt from *John Dennis: His Life and Criticism*. In attempting this study of Dennis, I have limited myself to what seemed best worth while; that is to a discussion of his biography and of his work as a critic. In tracing the course of his life, I have been obliged in large measure to break new ground for practically the only study of Dennis's career is the useful but necessarily brief article in the *Dictionary of National Biography*. The life itself seems to fall naturally into three fairly well marked divisions: the first to the death of Dryden in 1700, the second through the first decade of the eighteenth century, and the last from 1710 to the time of his death in 1734, a period characterized by his well known literary quarrels. In dealing with Dennis as a judge of letters, I have first outlined the chief critical tendencies of his time and have afterwards attempted to indicate his relations with these various schools as shown in his attitude toward the great questions then debated in the republic of letters. I have tried to point out how Dennis anticipated some ideas that have generally been credited to later critics and how his appreciation of the great national writers was truer and keener than that of most of his contemporaries. I have also attempted to study the question of his influence upon subsequent criticism. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. *The Select Works of Mr. John Dennis.
