Nowhere Man Robert Rosen,2022-12-30 By all appearances John Lennon was working on a tell all memoir in the final years of his life Every day he poured into diaries his raw thoughts and feelings about his jealous rivalry with Paul McCartney his tumultuous marriage to Yoko Ono his love for his sons Julian and Sean his hatred of the music business his escape into programmed dreams his acerbic opinions of England and America Written by one of the few people to have read those diaries and based on decades of research Nowhere Man takes you on a journey through Lennon s consciousness Covering a range of topics close to John s heart from Abbey Road to the zodiac the book offers vivid insights into his extraordinary life It examines his passion for money his forceful rejection of a Beatles reunion his drug use his forays into the occult his brief acceptance of Jesus and his solitary struggle in the Dakota to create a meaningful life in the glaring spotlight of fame A portrait of an artist in turmoil striving to reconnect with his muse which culminates with the release of Double Fantasy his final album Nowhere Man is an unforgettable look at Lennon s last years and the tragic fate of a beloved cultural icon whose transcendent music changed the world
