John Ford And The American West:

John Ford and the American West Peter Cowie, 2004-11 From his first feature *Straight Shooting* 1917 to *Cheyenne Autumn* 1964 it is especially in his Westerns including such cinematic gems as *Stagecoach* *My Darling Clementine* *Fort Apache* *She Wore a Yellow Ribbon* *Wagon Master* and *The Searchers* that Ford created a unique personal vision of his country's past both rooted in and reacting to the aspirations of Manifest Destiny the supremely self-confident belief that continually propelled American society westward across the continent *The Westerns and War Films of John Ford* Sue Matheson, 2016-02-18 Responsible for some of the greatest films of the 20th century *The Grapes of Wrath* *How Green Was My Valley* and *The Quiet Man* among others John Ford was best known for motion pictures that defined the American West and the face of wartime military A Hollywood celebrity Ford lived his life against the background that Twentieth Century Fox fashioned for him As he did the facts of his life merged with and became inseparable from his multifaceted legend fostered by Hollywood's studio culture and his own imagination In *The Westerns and War Films of John Ford* Sue Matheson offers an engaging look at one of America's greatest directors and the two genres of films that solidified his reputation Drawing on previously unreleased material this volume explores the man the filmmaker the veteran and the legend and the ways in which all of those roles shaped Ford's view of America's national character and his creative output Among the films discussed here in depth are Ford's early productions such as *The Iron Horse* and *Drums along the Mohawk* his military films such as *Submarine Patrol* *The Battle of Midway* and *They Were Expendable* and his Westerns including *Fort Apache* *She Wore a Yellow Ribbon* *The Searchers* and *Cheyenne Autumn* Ford imbued many of his creations with a point of view that represented his ideals and the films discussed here illustrate their director's distinct vision of American life on the frontier and in service of the country That vision Ford's idealization of the American Character would in turn shape the worldview of several generations *The Westerns and War Films of John Ford* will appeal to critics and scholars but also to any fan of this iconic filmmaker's work *The Westerns and War Films of John Ford* Sue Matheson, 2016-02-18 Responsible for some of the greatest films of the 20th century *The Grapes of Wrath* *How Green Was My Valley* and *The Quiet Man* among others John Ford was best known for motion pictures that defined the American West and the face of wartime military A Hollywood celebrity Ford lived his life against the background that Twentieth Century Fox fashioned for him As he did the facts of his life merged with and became inseparable from his multifaceted legend fostered by Hollywood's studio culture and his own imagination In *The Westerns and War Films of John Ford* Sue Matheson offers an engaging look at one of America's greatest directors and the two genres of films that solidified his reputation Drawing on previously unreleased material this volume explores the man the filmmaker the veteran and the legend and the ways in which all of those roles shaped Ford's view of America's national character and his creative output Among the films discussed here in depth are Ford's early productions such as *The Iron Horse* and *Drums along the Mohawk* his military films such as *Submarine Patrol* *The Battle of Midway* and

They Were Expendable and his Westerns including Fort Apache She Wore a Yellow Ribbon The Searchers and Cheyenne Autumn Ford imbued many of his creations with a point of view that represented his ideals and the films discussed here illustrate their director's distinct vision of American life on the frontier and in service of the country That vision Ford's idealization of the American Character would in turn shape the worldview of several generations The Westerns and War Films of John Ford will appeal to critics and scholars but also to any fan of this iconic filmmaker's work

The American West on Film Johnny D. Boggs, 2019-11-15 More than a history of Western movies The American West on Film intertwines film history the history of the American West and American social history into one unique volume The American West on Film chronicles 12 Hollywood motion pictures that are set in the post Civil War American West including The Ox Bow Incident Red River High Noon The Searchers The Magnificent Seven Little Big Man and Tombstone Each film overview summarizes the movie's plot details how the film came to be made the critical and box office reactions upon its release and the history of the time period or actual event This is followed by a comparison and contrast of the filmmakers version of history with the facts as well as an analysis of the film's significance then and now Relying on contemporary accounts and historical analysis as well as perspectives from filmmakers historians and critics the author describes what it took to get each movie made and how close to the historical truth the movie actually got Readers will come away with a better understanding of how movies often reflect the time in which they were made and how Westerns can offer provocative social commentary hidden beneath old fashioned shoot em ups

shows of the great American western The stories of the men and women who tamed the old West Also featuring actors and directors who made these films possible **John Ford** Joseph McBride, Michael Wilmington, 2023-12-05 Orson Welles was once asked which directors he most admired He replied The old masters By which I mean John Ford John Ford and John Ford A legend in his own time John Ford 1894 1973 received a record four Academy Awards for best director and two of his World War II documentaries won Oscars for the US Navy He directed 136 films in a career that lasted from the early silent era through the late 1960s Ford is celebrated throughout the world as the cinema's foremost chronicler of American history the leading poet of the Western genre and a wide ranging filmmaker of profound emotional impact His classic films including Stagecoach 1939 The Grapes of Wrath 1940 How Green Was My Valley 1941 The Quiet Man 1952 The Searchers 1956 and The Man Who Shot Liberty Valance 1962 remain widely popular and he has been acknowledged as a major influence on filmmakers such as Jean Renoir Ingmar Bergman Akira Kurosawa Howard Hawks Frank Capra Samuel Fuller Elia Kazan Sidney Lumet Martin Scorsese Steven Spielberg and George Lucas In this groundbreaking critical study Joseph McBride and Michael Wilmington provide an overview of Ford's career as well as in depth analyses of key Ford films Analyzing recurring Fordian themes and relating each film to his entire body of work the authors insightfully explore the full richness of Ford's tragicomic vision of history This new and revised version includes a study of the twenty seven Ford silent films now known to survive in whole or in part more than double the number available when the original edition was published essays on three controversial aspects of Ford his tragicomic sensibility his views of race and the influence of his Irish heritage and an expanded version of McBride's interview with Ford on the last day of his career **A Literary History of the American West** Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance John Ford's Westerns William Darby, 2015-08-01 John Ford's early Westerns reflect an optimistic view of society and individual capacity as his thematic vision evolved he became more resigned to the limitations of humanity His thematic evolution was evident in other films but was best shown in his Westerns with their stark depictions of the human condition Ford's sound Westerns and his major silent films are compared in this work revealing how his creative genius changed over time A complete filmography of Ford's Westerns is also provided *The American West: A New Interpretive History* Robert V. Hine, John Mack Faragher, Jon T. Coleman, 2017-08-08 A fully revised and updated new edition of the classic history of western America The newly revised second edition of this concise engaging and unorthodox history of America's West has been updated to incorporate new research including recent scholarship on Native American lives and cultures An ideal text for course work it presents the West as both frontier and region examining the

clashing of different cultures and ethnic groups that occurred in the western territories from the first Columbian contacts between Native Americans and Europeans up to the end of the twentieth century *John Ford Made Westerns* Gaylyn Studlar, Matthew Bernstein, 2001-04-22 The Western is arguably the most popular and longlived form in cinematic history and the acknowledged master of that genre was John Ford His Westerns including *The Searchers* *Stagecoach* and *The Man Who Shot Liberty Valance* have had an enormous influence on contemporary U S filmmakers and on everything from *Star Wars* to *Taxi Driver* In nine majors essays from some of the most prominent scholars of Hollywood film *John Ford Made Westerns* *Filming The Legend in The Sound Era* situates the sound era westerns of John Ford within contemporary critical contexts and regards them from fresh perspectives These range from examining Ford s relation to other art forms most notably literature painting and music to exploring the development of the director s public reputation as a director of Westerns Articles also address the intricacies of Ford s shifting approach to storytelling and the subtle techniques whereby Ford s films guide spectator interpretation and emotional engagement While giving attention to film style and structure the volume also explores the ways in which these much loved films engage with notions of masculinity and gender roles capitalism and community as well as racial and sexual identity Authors also examine how Ford s sound era Westerns create a complex relationship to the genre s traditional project of defining an American nation and how they uphold up but also question popular culture depictions of history and nationhood to offer a commentary that engages with both the past the present and the future In addition to new scholarship the volume also offers a dossier section of out of the way magazine articles that illuminate the issues raised by essays including the director s tribute to John Wayne as well as a moving posthumous appraisal of the director published by the Director s Guild of America *John Ford* Scott Eyman, Paul Duncan, 2004 This text takes a critical look at the films of John Ford including *Stagecoach* *The Fugitive* and *The Quiet Man* **Searching for John Ford** Joseph McBride, 2011-02-11 John Ford s classic films such as *Stagecoach* *The Grapes of Wrath* *How Green Was My Valley* *The Quiet Man* and *The Searchers* have earned him worldwide admiration as America s foremost filmmaker a director whose rich visual imagination conjures up indelible deeply moving images of our collective past Joseph McBride s *Searching for John Ford* described as definitive by both the *New York Times* and the *Irish Times* surpasses all other biographies of the filmmaker in its depth originality and insight Encompassing and illuminating Ford s myriad complexities and contradictions McBride traces the trajectory of Ford s life from his beginnings as Bull Feeney the nearsighted football playing son of Irish immigrants in Portland Maine to his recognition after a long controversial and much honored career as America s national mythmaker Blending lively and penetrating analyses of Ford s films with an impeccably documented narrative of the historical and psychological contexts in which those films were created McBride has at long last given John Ford the biography his stature demands [John Ford's Stagecoach](#) Barry Keith Grant, 2003 Table of contents **The Mobilized American West, 1940-2000** John M. Findlay, 2023-07 In the years between 1940 and 2000 the American Far West went

from being a relative backwater of the United States to a considerably more developed modern and prosperous region one capable of influencing not just the nation but the world By the dawn of the twenty first century the population of the West had multiplied more than four times since 1940 and western states had transitioned from rural to urban becoming the most urbanized section of the country Massive investment both private and public in the western economy had produced regional prosperity and the tourism industry had undergone massive expansion altering the ways Americans identified with the West In *The Mobilized American West 1940 2000* John M Findlay presents a historical overview of the American West in its decades of modern development During the years of U S mobilization for World War II and the Cold War the West remained a significant distinct region even as its development accelerated rapidly and in many ways it became better integrated into the rest of the country By examining events and trends that occurred in the West Findlay argues that a distinctive region wide political culture developed in the western states from a commitment to direct democracy the role played by the federal government in owning and managing such a large amount of land and the way different groups of westerners identified with and defined the region While illustrating western distinctiveness Findlay also aims to show how in its sustaining mobilization for war the region became tethered to the entire nation more than ever before but on its own terms Findlay presents an innovative approach to viewing the American West as a region distinctive of the United States one that occasionally stood ahead of at odds with and even in defiance of the nation

Imagining the American West through Film and Tourism Warwick Frost, Jennifer Laing, 2015-06-05 The West is one of the strongest and most enduring place images in the world and its myth is firmly rooted in popular culture whether novels film television music clothing and even video games The West combines myth and history rugged natural scenery and wide open spaces popular culture and promises of transformation These imagined places draw in tourists attracted by a cultural heritage that is part

fictional and mediated. In turn, tourism operators and destination marketing organisations refashion what they present to fit these imagined images. This book explores this imagining of a mythic West through three key themes: travel film and frontiers to offer new insight into how the imagination of the West and popular culture has influenced the construction of tourism. In doing so, it examines the series of paradoxes that underlie the basic appeal of the West: evocative frontier, a boundary zone between civilisation and wilderness, and between order and lawlessness. It draws on a range of films and literature as well as varying places from festivals to national parks to showcase different aspects of the nexus between travel film and frontiers in this fascinating region. Interdisciplinary in character, it includes perspectives from cultural studies, American studies, tourism and film studies. Written by leading academics, this title will be valuable reading for students, researchers and academics in the fields of cultural studies, tourism, film studies and media studies, and all those interested in film tourism.

Branding the American West Marian Wardle, Sarah E. Boehme, 2016-02-17 Artists and filmmakers in the early twentieth century reshaped our vision of the American West. In particular, the Taos Society of Artists and the California-based artist Maynard Dixon departed from the legendary depiction of the Wild West and fostered new images or brands for western art. This volume, illustrated with more than 150 images, examines select paintings and films to demonstrate how these artists both enhanced and contradicted earlier representations of the West. Prior to this period, American art tended to portray the West as a wild frontier with untamed lands and peoples. Renowned artists such as Henry Farny and Frederic Remington set their work in the past, invoking an environment immersed in conflict and violence. This trademark perspective began to change, however, when artists enamored with the Southwest stamped a new imprint on their paintings. The contributors to this volume illuminate the complex ways in which early twentieth-century artists, as well as filmmakers, evoked a southwestern environment not just suspended in time but also permanent rather than transient. Yet, as the authors also reveal, these artists were not entirely immune to the siren call of the vanishing West, and their portrayal of peaceful yet exotic Native Americans was an expansion rather than a dismissal of earlier tropes. Both brands cast a romantic spell on the West, and both have been seared into public consciousness. *Branding the American West* is published in association with the Brigham Young University Museum of Art, Provo, Utah, and the Stark Museum of Art, Orange, Texas.

John Ford in Focus Kevin L. Stoeck, Michael C. Connolly, 2007-12-20 Best known for his enduring westerns *Stagecoach*, *The Searchers*, and classic films *The Grapes of Wrath*, *The Quiet Man*, American film director John Ford received an unprecedented four Academy Awards for Best Director over his lifetime. This collection of essays offers a comprehensive examination of Ford's life and career, revealing the frequent intersections between Ford's personal life and artistic vision. Part one provides an overview of Ford's importance in the early development of cinema. Part two focuses on selected aspects of Ford's personal life, specifically his genealogy, Irish heritage, and roots in the coastal community of Portland, Maine. Part three situates Ford's films within a broader cultural and intellectual context, exploring theories that explain why Ford's movies have sparked such interest, debate, and enjoyment.

among Hollywood film critics and the general cinema community **A Companion to the Literature and Culture of the American West** Nicolas S. Witschi, 2014-02-03 A Companion to the Literature and Culture of the American West presents a series of essays that explore the historic and contemporary cultural expressions rooted in America's western states. Offers a comprehensive approach to the wide range of cultural expressions originating in the west. Focuses on the intersections, complexities, and challenges found within and between the different historical and cultural groups that define the west's various distinctive regions. Addresses traditionally familiar icons and ideas about the west such as cowboys, wide open spaces, and violence, and their intersections with urbanization and other regional complexities. Features essays written by many of the leading scholars in western American cultural studies.
