John Steinbeck From Salinas To Stockholm

John Steinbeck, Robert DeMott

John Steinbeck From Salinas To Stockholm:

John Steinbeck William McPherson, 2000 Concise and illuminating summaries of each period of Steinbeck's life will appeal to those with a casual or historical interest in this towering literary figure *Quicklet on John Steinbeck's Travels with Charley in Search of America (CliffNotes-like Summary)* David Shook, 2012-02-24 ABOUT THE BOOK I came to John Steinbeck's work through his novella *The Pearl* a diminutive but dark allegory about a Native American pearl diver whose discovery of an enormous pearl hurls him and his family into a world of greed and its disastrous consequences From *The Pearl* I found *Cannery Row* my favorite Steinbeck novel From its first sentence Steinbeck's descriptions vibrate with the same energy and poetry that his eclectic cast of outcasts embody as they throw unauthorized parties and philosophize with Doc based on Steinbeck's real life friend Ed Ricketts on 1920s Monterey Bay the American sardine capital at that time *Cannery Row* in Monterey in California is a poem a stink a grating noise a quality of light a tone a habit a nostalgia a dream I turned next to Steinbeck's nonfiction attracted to *Travels with Charley In Search of America* because of my own experiences on Routes 10 and 40 mostly heading west towards California or back to Oklahoma or Texas to wait until I could go again Like Steinbeck with his standard poodle Charley I drove with my steadfast companion Okie Doke a considerably smaller pooch MEET THE AUTHOR David Shook studied endangered languages in Oklahoma and poetry at Oxford He's published essays about dancing with the President of Burundi and being detained in Equatorial Guinea and his poetry translations and book reviews regularly appear in magazines like *Ambit Poetry* and *World Literature Today* His most recent translations include Mario Bellati's novella *Shiki* Nagaoka A Nose for Fiction Roberto Bolano's 1976 manifesto *Leave Everything Again* and the selected love poems of Isthmus Zapotec poet Victor Teran His current writing projects include *Kilometer Zero* a covertly filmed documentary about lost Equatoguinean poets a miniature encyclopedia and a collection of travel essays Shook lives with his wife and chihuahua in Los Angeles where he edits *Molossus* He's a competitive foosballer miniature book collector banjo player and aspiring rapper His moustache is sponsored by Oregon Wild Hair Moustache Wax the most literary moustache wax in the world EXCERPT FROM THE BOOK Steinbeck won the Nobel Prize for Literature in 1962 two years after his driving tour across the continent and just months after the publication of *Travels with Charley* His winning propelled *Travels with Charley* to the number one spot on the New York Times Best Seller List In his acceptance speech he lauded man's proven capacity for greatness and challenged all writers to celebrate that greatness in their written work For Steinbeck that was literature's ultimate purpose and he compellingly articulated his opinion throughout his speech I hold that the writer who does not believe in the perfectibility of man has no dedication nor any membership in literature Born in Salinas California on 27 February 1902 John Steinbeck witnessed man's capacity for greatness in the fertile farmlands surrounding the agricultural hub town While working those fields himself notably in the company town of Spreckels which boasted the world's largest beet sugar processing plant he witnessed many of man's less noble attributes including corporate and

individual greed the poor treatment of migrant workers and the degradation of the physical environment all themes he explored in his work Buy a copy to keep reading *Steinbeck's Imaginarium* Robert DeMott,2022-11-15 In Steinbeck's Imaginarium Robert DeMott delves into the imaginative creative and sometimes neglected aspects of John Steinbeck's writing DeMott positions Steinbeck as a prophetic voice for today as much as he was for the Depression era 1930s as the essays explore the often unknown or unacknowledged elements of Steinbeck's artistic career that deserve closer attention He writes about the determining scientific influences such as quantum physics and ecology in Cannery Row and considers Steinbeck's addiction to writing through the lens of the extensive obsessive full length journals that he kept while writing three of his best known novels The Grapes of Wrath The Wayward Bus and East of Eden DeMott insists that these monumental works of fiction all comprise important statements on his creative process and his theory of fiction writing DeMott further blends his personal experience as a lifelong angler with a reading of several neglected fishing episodes in Steinbeck's work Collectively the chapters illuminate John Steinbeck as a fully conscious self aware literate experimental novelist whose talents will continue to warrant study and admiration for years to come *John Steinbeck: Novels 1942-1952* (LOA #132) John Steinbeck,2001 The moon is down Cannery row The pearl East of Eden *John Steinbeck: Travels with Charley and Later Novels 1947-1962* (LOA #170) John Steinbeck,Robert DeMott,2007-02-15 The Library of American completes its authoritative four volume John Steinbeck edition with this collection of the later works of an American master It includes The Wayward Bus published in 1947 and spans his works through his last published book 1962Us Travels with Charley **Steinbeck Country** David A. Laws,2002-10-01 Cannery Row East of Eden Of Mice and Men The Red Pony and other classic stories by Nobel Prize winning writer John Steinbeck are set in the agricultural and ocean front communities of the Salinas Valley and Monterey Peninsula With 126 color photos and 2 maps this attractive souvenir and guide brings Steinbeck Country to life for visitors as well as readers unable to visit California **The John Steinbeck Bibliography** Michael J. Meyer,2008-09-05 John Steinbeck continues to be a focus of academic study and the source of interest to readers around the globe Each year new articles and books are written about him examining the themes of his works and his impact on literature This bibliography compiles Steinbeck materia **John Steinbeck, a Guide to the Collection of the Salinas Public Library** Salinas Public Library,1979 **Mad at the World: A Life of John Steinbeck** William Souder,2020-10-13 Winner of the 2021 Los Angeles Times Book Prize for Biography A Publishers Weekly Best Book of 2020 in Nonfiction A resonant biography of America's most celebrated novelist of the Great Depression The first full length biography of the Nobel laureate to appear in a quarter century Mad at the World illuminates what has made the work of John Steinbeck an enduring part of the literary canon his capacity for empathy Pulitzer Prize finalist William Souder explores Steinbeck's long apprenticeship as a writer struggling through the depths of the Great Depression and his rise to greatness with masterpieces such as The Red Pony Of Mice and Men and The Grapes of Wrath Angered by the plight of the Dust Bowl migrants who were

starving even as they toiled to harvest California's limitless bounty fascinated by the guileless decency of the downtrodden denizens of Cannery Row and appalled by the country's refusal to recognize the humanity common to all of its citizens Steinbeck took a stand against social injustice paradoxically given his inherent misanthropy setting him apart from the writers of the so-called lost generation A man by turns quick tempered compassionate and ultimately brilliant Steinbeck could be a difficult person to like Obsessed with privacy he was mistrustful of people Next to writing his favorite things were drinking and womanizing and getting married which he did three times And while he claimed indifference about success his mid-career books and movie deals made him a lot of money which passed through his hands as quickly as it came in And yet Steinbeck also took aim at the corrosiveness of power the perils of income inequality and the urgency of ecological collapse all of which drive public debate to this day Steinbeck remains our great social realist novelist the writer who gave the dispossessed and the disenfranchised a voice in American life and letters Eloquent nuanced and deeply researched *Mad at the World* captures the full measure of the man and his work *The Hispanic World of John Steinbeck* Marcia D.

Yarmus, 1986 *My Life With John Steinbeck*, 2018-09-06 For the first time the story of John Steinbeck's forgotten second wife unmentioned in standard editions of his classics such as *The Grapes of Wrath* Their 1943 wartime marriage ended when she divorced him in 1948 Smart adventurous and in love she at first matched Steinbeck's zest for on the road adventures but was then only too happy to settle down and make a home where he could write Love and marriage were considered the appropriate vocation for women of her era Gwyn paid a high price for her involvement of the restless driven genius John Steinbeck This was a marriage which could not succeed despite her love for Steinbeck the man and master storyteller

Steinbeck John Steinbeck, 1989-04-01 Surely his most interesting plausibly his most memorable and arguably his best book *The New York Times Book Review* For John Steinbeck who hated the telephone letter writing was a preparation for work and a natural way for him to communicate his thoughts on people he liked and hated on marriage women and children on the condition of the world and on his progress in learning his craft Opening with letters written during Steinbeck's early years in California and closing with a 1968 note written in Sag Harbor *New York Steinbeck A Life in Letters* reveals the inner thoughts and rough character of this American author as nothing else has and as nothing else ever will The reader will discover as much about the making of a writer and the creative process as he will about Steinbeck And that's a lot Los Angeles Herald Examiner A rewarding book of enduring interest this becomes a major part of the Steinbeck canon *The Wall Street Journal* **John Steinbeck** Richard O'Connor, 1970 A biography of the California born author whose many works won him the Nobel Prize for Literature in 1962 **Prosperity, Depression, and War, 1920-1945** Laura K. Egendorf, 2003 Between 1920 and 1945 America transformed from a nation that had isolated itself from the rest of the world after World War I to the globe's strongest democracy after the Allied victory in World War II The contributors to this volume explore the events and people that shaped the era *Readings on John Steinbeck* Clarice Swisher, 1996 An anthology of critical essays

that provide literary analysis and criticism of John Steinbeck's works along with a biography of the literary figure *The Home Front Encyclopedia* James Ciment, Thaddeus Russell, 2006-12-12 *Working Days* John Steinbeck, 1990-12-01 John Steinbeck wrote *The Grapes of Wrath* during an astonishing burst of activity between June and October of 1938. Throughout the time he was creating his greatest work, Steinbeck faithfully kept a journal revealing his arduous journey toward its completion. The journal, like the novel it chronicles, tells a tale of dramatic proportions of dogged determination and inspiration yet also of paranoia, self-doubt, and obstacles. It records in intimate detail the conception and genesis of *The Grapes of Wrath* and its huge though controversial success. It is a unique and penetrating portrait of an emblematic American writer creating an essential American masterpiece. *Critical Companion to John Steinbeck* Jeffrey D. Schultz, Luchen Li, 2005 Celebrates the American writer who in his works confronted and explored the social fabric of the United States in the early 20th century. More than 500 entries include synopses of his novels, short stories, and nonfiction descriptions of his characters, details about family, friends, and associates. **100 писателей США** Юрий Стулов, 2019-04-16 1998 **The Farmworkers' Journey** Ann Aurelia Lopez, 2007-06-05 Illuminating the dark side of economic globalization, this book gives an insider's view of the migrant farmworkers' binational circuit that stretches from the west central Mexico countryside to central California. Useful for all Americans, *The Farmworkers' Journey* traces the human consequences of our policy decisions.

The book delves into John Steinbeck From Salinas To Stockholm. John Steinbeck From Salinas To Stockholm is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into John Steinbeck From Salinas To Stockholm, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to John Steinbeck From Salinas To Stockholm
 - Chapter 2: Essential Elements of John Steinbeck From Salinas To Stockholm
 - Chapter 3: John Steinbeck From Salinas To Stockholm in Everyday Life
 - Chapter 4: John Steinbeck From Salinas To Stockholm in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of John Steinbeck From Salinas To Stockholm. This chapter will explore what John Steinbeck From Salinas To Stockholm is, why John Steinbeck From Salinas To Stockholm is vital, and how to effectively learn about John Steinbeck From Salinas To Stockholm.
 3. In chapter 2, the author will delve into the foundational concepts of John Steinbeck From Salinas To Stockholm. This chapter will elucidate the essential principles that need to be understood to grasp John Steinbeck From Salinas To Stockholm in its entirety.
 4. In chapter 3, this book will examine the practical applications of John Steinbeck From Salinas To Stockholm in daily life. This chapter will showcase real-world examples of how John Steinbeck From Salinas To Stockholm can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of John Steinbeck From Salinas To Stockholm in specific contexts. This chapter will explore how John Steinbeck From Salinas To Stockholm is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about John Steinbeck From Salinas To Stockholm. The final chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of John Steinbeck From Salinas To Stockholm.
