The Border Diarmaid Ferriter, 2019-02-07 Shortlisted for the An Post Irish Book Awards Non Fiction Book of the Year 2019 Anyone who wishes to understand why Brexit is so intractable should read this book I can think of several MPs who ought to The Times For the past two decades you could cross the border between Northern Ireland and the Republic half a dozen times without noticing or indeed turning off the road you were travelling It cuts through fields winds back and forth across roads and wends from Carlingford Lough to Lough Foyle It is frictionless a feat sealed by the Good Friday Agreement Before that watchtowers loomed over border communities military checkpoints dotted the roads and smugglers slipped between jurisdictions This is a past that most are happy to have left behind but might it also be the future The border has been a topic of dispute for over a century first in Dublin Belfast and Westminster and post Brexit referendum in Brussels Yet despite the passions of Nationalists and Unionists in the North neither found deep wells of support in the countries they identified with politically British political leaders were often ignorant of the conflict s complexities rarely visited the border and privately disliked their erstwhile unionist allies Southern leaders anti partition statements masked relative indifference and unofficial cooperation with British security services From the 1920 Government of Ireland Act that created the border the Treaty and its aftermath through the Civil Rights Movement Thatcher the Troubles and the Good Friday Agreement up to the Brexit negotiations Ferriter reveals the political economic social and cultural consequences of the border in Ireland With the fate of the border uncertain *The Border* is a timely intervention by a renowned historian into one of the most contentious and misunderstood political issues of our time

Pakistan ,1953 **Partition's Legacies** Joya Chatterji, 2021-01-01

Partition's Legacies offers a selection of Joya Chatterji s finest and most influential essays Partition nation making frontiers refugees minority formation and categories of citizenship have been my preoccupations she writes in the preface and these are also the major themes of this book Chatterji s first book *Bengal Divided* shifted the focus from Muslim fanaticism as the driving force of Partition towards secular nationalism and Hindu aggression Her *Spoils of Partition* rejected the idea of Partition as a breaking apart showing it to be a process in the remaking of society and state Her third book *Bengal Diaspora* cowritten with Claire Alexander and Annu Jalais challenged the idea of migration and resettlement as exceptional situations *Partition's Legacies* can be seen as continuous with Chatterji s earlier work as well as a distillation and expansion of it Chatterji is known for the elegance of her prose as much as for the sharpness of her insights into Indian history and *Partition's Legacies* will enthrall everyone interested in modern India s apocalyptic past What emerges from the essays David Washbrook writes in the introduction is often quite startling The demarcation of Partition followed no master plan or even coherent strategy but was made up of myriad ad hoc decisions taken on the ground often by obscure actors Refugee policy immigrant rights and even definitions of national citizenship were produced by no *deus ex machina* but out of day to day struggles on the streets and in the courts

The Bengal Borderland Willem van Schendel, 2005 *The Bengal Borderland*

constitutes the epicentre of the partition of British India Yet while the forging of international borders between India Pakistan Bangladesh and Burma the Bengal Borderland has been a core theme in Partition studies these crucial borderlands have remarkably been largely ignored by historians

Birth of the Border Cormac Moore, 2019-09-29 The 1921 partition of Ireland had huge ramifications for almost all aspects of Irish life and was directly responsible for hundreds of deaths and injuries with thousands displaced from their homes and many more forced from their jobs Two new justice systems were created the effects on the major religions were profound with both jurisdictions adopting wholly different approaches and major disruptions were caused in crossing the border with invasive checks and stops becoming the norm And yet many bodies remained administered on an all Ireland basis The major religions remained all Ireland bodies Most trade unions maintained a 32 county presence as did most sports trade bodies charities and other voluntary groups Politically however the new jurisdictions moved further and further apart while socially and culturally there were differences as well as links between north and south that remain to this day Very little has been written on the actual effects of partition the day to day implications and the complex ways that society north and south was truly and meaningfully affected

Birth of the Border The Impact of Partition in Ireland is the most comprehensive account to date on the far reaching effects of the partitioning of Ireland
