Business Ethics Jacques Cory, 2012-12-06 Morten And what are we going to do when you have made liberal minded and high minded men of us Dr Stockman Then you shall drive all the wolves out of the country my boys Ibsen An Enemy of the People Act V The theoretical and empirical research of this book describes how the traditional safeguards of

the rights of minority shareholders have failed in their duty and how those shareholders have remained practically without any protection against the arbitrariness of the companies and majority shareholders The law the SEC society boards of directors independent directors auditors analysts underwriters and the press have remained in many cases worthless panaceas Nevertheless in the Ethics of 2000 new vehicles have been developed for the protection of minority shareholders mainly the Internet transparency activist associations and ethical funds Those vehicles give the shareholders at least the chance to understand the pattern and methods that are utilized to wrong them and give them a viable alternative for investment in ethical funds The new vehicles will prevent minority shareholders from using the Armageddon weapon by ceasing to invest in the stock exchange and causing the collapse of the system that discriminates against them **Kant:**

Observations on the Feeling of the Beautiful and Sublime and Other Writings ,2011-02-03 This volume collects Kant's most important ethical and anthropological writings from the 1760s before he developed his critical philosophy The materials presented here range from the Observations one of Kant's most elegantly written and immediately popular texts to the accompanying Remarks which Kant wrote in his personal copy of the Observations and which are translated here in their entirety for the first time This edition also includes little known essays as well as personal notes and fragments that reveal the emergence of Kant's complex philosophical ideas Those familiar with Kant's later works will discover a Kant interested in the beauty as well as the dignity of humanity in human diversity as well as the universality of morals and in practical concerns rather than abstract philosophizing Readers will be able to see Kant's development from the Observations through the Remarks towards the moral philosophy that eventually made him famous
