

Eugene O'Neill

Eugene O'Neill

Eugene O'Neill:

Eugene O'Neill Egil Törnqvist, 2004-01-28 Eugene O'Neill wrote his plays for a theatre in which the playwright would take a central position. He presented himself as a controlling personality both in the texts in the form of ample stage directions and in performances based on these texts. His plays address several audiences: reader, spectator, and production team, and scripts were often different from the published versions. This study examines O'Neill's multiple roles as a writer for many audiences. After a description of O'Neill's working conditions and the multiple audiences of the plays, this study examines the various formal aspects of the plays: titles, settings in time and place, names, and addresses, language, and connections and allusions to other works. An examination of the plays follows with particular emphasis on *Bound East for Cardiff*, *Long Day's Journey Into Night*, and *A Touch of the Poet*. **Selected Plays of Eugene O'Neill** Eugene O'Neill, 1969 Brings together the eight important works upon which the playwright's fame rests. *Conversations with Eugene O'Neill* Eugene O'Neill, 1990 This collection of thirty years of interviews with America's only Nobel Prize dramatist records his encounters with the press and gives a striking portrait of the man and the process of his public mythologizing. A profoundly private individual, O'Neill struggled throughout his life to overcome his intense discomfort with oral discourse as he responded to the proddings of interviewers wishing him to discuss a wide range of social, political, literary, and theatrical issues. Collected in their entirety for the first time, these interviews begin in 1920 when O'Neill was thirty-two. Serious American drama for many began and for many others ended with Eugene O'Neill. This collection lends new testimony to the truth of that assertion. Four Plays By Eugene O'Neill Eugene O'Neill, 2007-08-07 Winner of four Pulitzer Prizes and the first American dramatist to receive a Nobel Prize, Eugene O'Neill filled his plays with rich characterization and innovative language, taking the outcasts and renegades of society and depicting their Olympian struggles with themselves and with destiny. **Eugene O'Neill** Robert M. Dowling, 2020-08-11 An absorbing biography of the playwright and Nobel laureate that unflinchingly explores the darkness that dominated O'Neill's life. Publishers Weekly: This extraordinary biography fully captures the intimacies of Eugene O'Neill's tumultuous life and the profound impact of his work on American drama, innovatively highlighting how the stories he told for the stage interweave with his actual life stories as well as the culture and history of his time. Much is new in this extensively researched book: connections between O'Neill's plays and his political and philosophical worldview; insights into his Irish-American upbringing and lifelong torment over losing faith in God; his vital role in African American cultural history; unpublished photographs, including a unique offstage picture of him with his lover Louise Bryant; new evidence of O'Neill's desire to become a novelist and what this reveals about his unique dramatic voice; and a startling revelation about the release of *Long Day's Journey Into Night* in defiance of his explicit instructions. This biography is also the first to discuss O'Neill's lost play *Exorcism*, a single copy of which was only recently recovered; a dramatization of his own suicide attempt. Written with both a lively informality and a scholar's strict accuracy, *Eugene O'Neill: A Life in Four*

Acts is a biography worthy of America's foremost playwright. Fast paced, highly readable, building to a devastating last act. Irish Times

Eugene O'Neill Horst Frenz, 1971

Eugene O'Neill: Complete Plays Vol. 3 1932-1943 (LOA #42) Eugene O'Neill, Travis Bogard, 1988. Contains twenty nine plays written by O'Neill between 1913 and 1920

Eugene O'Neill's One-Act Plays M. Bennett, B. Carson, 2012-08-06. Eugene O'Neill Nobel Laureate in Literature and Pulitzer Prize winner is widely known for his full length plays. However his one act plays are the foundation of his work both thematically and stylistically; they telescope his later plays. This collection aims to fill the gap by examining these texts during what can be considered O'Neill's formative writing years and the foundational period of American drama. A wide ranging investigation into O'Neill's one acts, the contributors shed light on a less explored part of his career and assist scholars in understanding O'Neill's entire oeuvre.

Later Plays of Eugene O'Neill Eugene O'Neill, Travis Bogard, 2009-04-09. Presents four works written during the later years of O'Neill's distinguished career.

The Plays of Eugene O'Neill Eugene O'Neill, 1982

Eugene O'Neill's Last Plays Doris Alexander, 2005. This study draws on research concerning the lives of Eugene O'Neill, his family, and his circle. It corrects and expands the biographical record on him and distinguishes the man and his life from the creations that were inspired by and drew on that life. Included are his attempted suicide, his tuberculosis, and his relationship with his parents.

Three Plays by Eugene O'Neill Eugene O'Neill, 2009-07-01. *Desire under the Elms*, *Strange Interlude*, and *Mourning Becomes Electra*.

Perverse Mind Barbara Voglino, 1999. The fact is nothing in O'Neill's forty five theatrical endeavors of varying merit prior to 1939 suggests the unmistakable touch of genius which radiates from his last plays: *A Touch of the Poet* 1939, *The Iceman Cometh* 1940, *Long Day's Journey into Night* 1941, *Hughie* 1942, and *A Moon for the Misbegotten* 1943. BOOK JACKET. At least one valid explanation for this phenomenon is the greatly improved endings of the late plays. BOOK JACKET.

Lost Plays of Eugene O'Neill Eugene O'Neill, 2011-09-01

Eugene O'Neill: Complete Plays Vol. 1 1913-1920 (LOA #40) Eugene O'Neill, 1988-10-01. The only American dramatist awarded the Nobel Prize for Literature, Eugene O'Neill wrote with poetic expressiveness, emotional intensity, and immense dramatic power. This Library of America volume, the first in a three volume set, contains twenty nine plays he wrote between 1913, when he began his career, and 1920, the year he first achieved Broadway success. Many of O'Neill's early plays are one act melodramas whose characters are caught in extreme situations. *Thirst* and *Fog* depict shipwreck survivors. *The Web*, a young mother trapped in the New York underworld, and *Abortion*, the aftermath of a college student's affair with a stenographer. His first distinctive works are four one act plays about the crew of the tramp steamer *Glencairn* that render sailors' speech with masterful faithfulness. *Bound East for Cardiff*, *In the Zone*, *The Long Voyage Home*, and *The Moon of the Caribbees* portray these children of the sea as they watch over a dying man sail though submarine patrolled waters, take their shore leave in a London dive, and drink rum in a moonlit tropical anchorage. In *Beyond the Horizon*, Robert Mayo begins a tragic chain of events by abandoning his dream of a life at sea, choosing instead to marry the woman his brother loves and remain on his family farm.

The sea in *Anna Christie* is both dat ole devil to coal barge captain Chris Christopherson and a source of spiritual cleansing to his daughter Anna an embittered prostitute When a swaggering stoker falls in love with her Anna becomes the apex of a three sided struggle full of enraged pride grim foreboding and stubborn hope Both of these plays won the Pulitzer Prize and helped establish O'Neill as a successful Broadway playwright *The Emperor Jones* depicts the nightmarish journey through a West Indian forest of Brutus Jones a former Pullman porter turned island ruler Fleeing his rebellious subjects Jones confronts his violent deeds and the tortured history of his race in a series of hallucinatory episodes whose expressionist quality anticipates many of O'Neill's later plays LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries **Eugene O'Neill** Barrett Harper Clark, 1926 **Eugene O'Neill** Gassner, 1965 Eugene O'Neill American Writers 45 was first published in 1965 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions

Selected Letters of Eugene O'Neill Eugene O'Neill, Jackson Bryer, 1988-01-01 Provides a representative selection of O'Neill's voluminous correspondence written over a fifty year period to intimate friends and family and to literary and theatrical personalities *The Complete Works of Eugene O'Neill* Eugene O'Neill, 1924 **The Unknown O'Neill** Eugene O'Neill, 1988-01-01 Gathers early plays and scenarios as well as critical essays short stories and poems by the influential American playwright
