

A photograph of a dirt road winding through a forest. The trees on either side have autumn foliage in shades of orange, yellow, and brown. The road leads towards a bright light at the end of the path, creating a strong sense of perspective. The overall mood is serene and contemplative.

The new definition of freedom
today is self-determination.

Today's Prayer and Meditation Phillip C. Reinke, 2017-02 Pray without ceasing is more easily said than done Prayer and meditation are a foundational aspect of a Christian walk As we work to make our lives a prayer the depth of our talks with God go further than simple requests to spiritual introspection and reflection looking both inward and outward for answers that help us grow Today's Prayer and Meditation features 365 prayers that dig deep into the pressing questions in one's spiritual walk I have known Phil for many years and can witness to the fact that his daily prayers are exactly the way he lives his life The messages of each prayer to God takes us to higher levels of thought and spiritual understanding Even more important the prayers focus our thoughts to God and His mission and purpose for us As a professor he showed love and concern to all of his students He selflessly helped beyond their studies and mentored and coached many with addictions and severe personal issues As my friend he has been supportive and more important always in prayer for me my family and for those in the world around us I highly recommend joining with what he calls the Prayer Warriors and praying daily Mark Conroy pastor Coastal Church Daytona Beach Florida
