Baker, Robert J.

Priest, 2014-08-29 The title of this book points to a feature the missionary family often considered to be a distinctive of the Protestant missionary movement. Certainly the presence of missionary families in the field has been a central factor in enabling, configuring and restricting Protestant missionary outreach. What special concerns does sending missionary families raise for the conduct of mission? What means are available for extending care and support to missionary families? These issues are the focus of the chapters in part 1 of this book. In recent years an increasing number of reports have surfaced of sexual abuse in mission settings. Some reports have been based on recovered memories, the assessment of which raises difficult questions. Clearly sexual abuse in mission settings and how to understand allegations of abuse based on recovered memories are matters of grave concern to mission agencies and mission supporters as well as to missionary families. Part 2 serves the mission community by scrutinizing such matters, offering legal, historical and psychological perspectives on the topic. In a new feature, Forum on Sexual Orientation and Mission: An Evangelical Discussion, the Evangelical Missiological Society takes up a pressing issue of our day. Fourteen evangelical scholars participate in the discussion found in part 3. Far from being the final word, this forum is presented with the prayer that it will serve as an opening to and basis for ongoing missiological conversation about an urgent and timely topic.

Deep Wounds Deep Healing Charles H. Kraft, 2010-10-10 An Introduction to Deep Level Healing. A poor self image, chronic depression, the trauma of incest, a bitter divorce. Sometimes emotional wounds fester no matter how much professional counseling a person receives. It's time for Christians to understand the powerful link between spiritual warfare and inner healing and recognize the spiritual roots of our emotional wounds in order to receive deep and lasting healing. Drawing on years of ministering God's healing to hundreds of people, Dr. Charles Kraft provides a complete guide to inner healing and tackles issues like healing of memories, deep level healing and demonization. Here is real hope of finding freedom for those who suffer as well as invaluable advice for those who minister to them. **Silver Linings**

Florence Littauer, 2005-11-30 Writing on her own experiences, Littauer addresses women suffering from any level of depression. Whether it is feelings of inadequacy, insecurity or inferiority that keep women from living fully, Littauer offers suggestions for things to do to overcome depression. **Two Hours to Freedom** Charles H. Kraft, 2010-10-01 Healing and Freedom Are Just Two Hours Away. Many Christians believe that once we are saved, past wounds, hurts and even consequences from mistakes get swept away. Yet what happens if we continue to be plagued with spiritual and emotional problems and the intimacy we long for with Christ seems elusive? What we need says inner healing expert Charles H. Kraft is deep level healing, healing for our whole person: spirit, body, mind, emotions and will. Using a simple, proven process refined through 25 years of successful ministry, Kraft leads readers step by step through deep level healing. Once you experience true freedom, you will find the intimacy with Jesus that you desire and you'll be equipped to help others find this freedom as well.
