

COGNITION SWITCH: THE FREETHINKERS COLLECTION

Freethinkers Collection

John Baur, H. F. Herbert

Freethinkers Collection:

The Freethinkers' Manual John Baur, H. F. Herbert, 1902 Organized Freethought Shirley A. Mullen, 2017-09-07 This title first published in 1987 explores the phenomenon of militant freethought among England's working classes from 1840 to 1870. In particular, it is an effort to explain the peculiarly theological and evangelistic overtones of much Victorian working class radicalism and the resulting emergence of a Victorian religion of atheism. This title will be of interest to students of nineteenth century religious and social history. *A Biographical Dictionary of Freethinkers of All Ages and Nations* Joseph Mazzini Wheeler, 1889 Ancient And Modern Celebrated Freethinkers Charles Bradlaugh, 2024-01-02 Ancient and Modern Celebrated Freethinkers is a collaborative artwork authored by Charles Bradlaugh, Anthony Collins, and John Watts. The book is an extensive ancient compilation that provides biographical sketches of influential those who challenged conventional spiritual doctrines, advocating for freethought and rationalism. Charles Bradlaugh (1833-1891) has become an outstanding British atheist, political activist, and a proponent of secularism. Anthony Collins (1676-1729) grew to be an English truth seeker, regarded for his contributions to Enlightenment ideas, emphasizing purpose and skepticism. Unfortunately, facts about John Watts are much less easily available. The book explores the lives and minds of celebrated freethinkers from each historic and modern day durations, showcasing people who courageously wondered, triumphing spiritual norms. By supplying insightful biographies, the authors make contributions to the highbrow records of freethought, emphasizing the significance of vital inquiry and hard set up dogmas. Ancient and Modern Celebrated Freethinkers remains a valuable ancient report, providing readers a glimpse into the minds of people who played pivotal roles in shaping the landscape of intellectual freedom and skepticism. **The Freethinker**, 1919 *Outlaws, Rebels, Freethinkers, and Pirates* Bob Levin, 2005-04-06 Bob Levin explores the byways and back roads of creative genius in an offbeat collection of characters as are likely to be found outside a carnival midway. Serious, dedicated, often driven by the hounds of Hell, these artists pursue, often off-putting, always fascinating visions without regard to popular acclaim or financial reward. Levin's profile essay style is a unique blend of pithy journalism, quasi-autobiography, faux cultural history, and semi-scholarship, and the perfect vehicle by which to engage these beyond-the-box personalities. And from these engagements, he fashions powerful arguments for the value of unfettered expression, no matter how far outside the mainstream it may issue. Levin, an author and attorney, lives in Berkeley, California, with his wife Adele, his frequent collaborator. He is a long-time contributing writer to *The Comics Journal*, where all of these pieces previously appeared. His last book, *The Pirates: The Mouse Disney's War Against the Counterculture*, was hailed by critics as masterful, passionate, elegant, charming, twice thoughtful, and hilarious. Essay subjects include Chester Brown, S. Clay Wilson, Dori Seda, B. N. Duncan, Justin Green, Maxon Crumb, Crockett Johnson, Roy Lichtenstein, Graham Ingels, Jack Katz, Rory Hayes, and more. Biographies of Ancient and Modern Celebrated Freethinkers Charles Bradlaugh, Anthony Collins, John Watts, 1871 Free Thinkers Richard McStay, 2021-02-06 John

Buchan snatches Susan Ryan from a line of captives being taken to a re education camp run by Krotch Industries He didn't pick her because she was beautiful and wearing a nurse's uniform He picked her by size but she was more than he could have hoped for He swore he wouldn't allow himself to get close to her He wanted to avoid the pain of seeing another he loved gunned down by government contractors She believed her fiancé was dead or implanted so she didn't feel guilty falling for John They were thrown together by fate only to be separated when Richard shows up He is not the man she remembered Pursued by a relentless and psycho sniper John is desperate to save some of his group and decides to split up rather than see them killed off He loses another close to him and stumbles onto Susan who has been drugged and shot He surrenders rather than see her further harmed knowing she will be forced to kill him Love is stronger than the hypnotic drug and she disobeys orders shooting her captives instead

American Freethinker Kirsten Fischer, 2020-11-20 The first comprehensive biography of Elihu Palmer who was at the heart of the early United States protracted contest over religious freedom and free speech When the United States was new a lapsed minister named Elihu Palmer shared with his fellow Americans the radical idea that virtue required no religious foundation A better source for morality he said could be found in the natural world the interconnected web of life that inspired compassion for all living things Religions that deny these universal connections should be discarded he insisted For this his Christian critics denounced him as a heretic whose ideas endangered the country Although his publications and speaking tours made him one of the most infamous American freethinkers in his day Elihu Palmer has been largely forgotten No cache of his personal papers exists and his book has been long out of print Yet his story merits telling Kirsten Fischer argues and not only for the dramatic account of a man who lost his eyesight before the age of thirty and still became a book author newspaper editor and itinerant public speaker Even more intriguing is his encounter with a cosmology that envisioned the universe as interconnected alive with sensation and everywhere infused with a divine life force Palmer's heresy tested the nation's recently proclaimed commitment to freedom of religion and of speech In this he was not alone Fischer reveals that Palmer engaged in person and in print with an array of freethinkers some famous others now obscure The flourishing of diverse religious opinion struck some of his contemporaries as foundational to a healthy democracy while others believed that only a strong Christian faith could support democratic self governance This first comprehensive biography of Palmer draws on extensive archival research to tell the life story of a freethinker who was at the heart of the new nation's protracted contest over religious freedom and free speech a debate that continues to resonate today

Half-Hours with the Freethinkers John Watts, Charles Bradlaugh, Anthony Collins, 2023-10-25 Reprint of the original first published in 1857

Half-hours with the Freethinkers John Watts, 1857

[The Proceedings and Addresses at the Freethinkers' Convention Held at Watkins, N.Y., 1878](#), 1878

The Pillars of Priestcraft Shaken J. A. I. Champion, 1992 First published in 1992 this book examines the intellectual confrontation between priest and Freethinker from 1660 to 1730 and the origins of the early phase of the Enlightenment in England Through an analysis of the practice of historical writing in

the period Champion maintains that historical argument was a central component for displaying defences of true religion Taking religion and specifically defences of the Church of England after 1660 as central to the politics of the period the first two chapters of the book explore the varieties of clericalist histories arguing that there were rival emphases upon regnum or sacerdos as the font of true religion The remainder of the book examines how radical Freethinkers like John Toland or the third Earl of Shaftesbury set about attacking the corrupt priestcraft of established religion but also importantly promoted a reforming civil theology

The Freethinker; Or, Essays, on Ignorance, Superstition, Bigotry, Enthusiasm, Craft, & Intermix'd with Several Pieces of Wit and Humour, 1733

The Freethinker's Text Book: Christianity: Its Evidences, Its Origin, Its Morality, Its History Annie Wood Besant, Evenings with the skeptics; or, Free discussion on free thinkers John Owen, 1881

Collected Essays & Addresses, 1880-1920 Augustine Birrell, 1923

The Collected Works of Robert G. Ingersoll Robert Green Ingersoll, 2022-12-10 The Collected Works of Robert G Ingersoll presents a comprehensive anthology of the renowned orator and outspoken advocate for secularism and rational thought Ingersoll's literary style is notable for its eloquence and fervor characterized by impassioned speeches and essays that engage with themes of religious skepticism human rights and the pursuit of knowledge This collection situates itself within the broader context of 19th century American intellectualism reflecting the Enlightenment values of reason and liberty while challenging the prevailing religious dogmas of the time Robert Green Ingersoll often known as the Great Agnostic was a prominent figure in the secular movement His background as a lawyer and his eloquence in public speaking allowed him to reach diverse audiences championing the importance of free thought and scientific inquiry Influenced by his experiences in the turbulent post Civil War era Ingersoll's writings emerged as a counter narrative to the dominant religious ideologies providing a voice for the marginalized within a society grappling with modernity and progress This anthology is an essential read for those interested in the foundations of secularism and the evolution of American thought Ingersoll's insightful critiques and affirmations of humanism invite readers to reflect on their beliefs and the role of religion in society making it a vital contribution to any scholarly collection

The Collected Essays and Papers of George Saintsbury, 1875-1920 ... George Saintsbury, 1924

The Collected Essays & Addresses of the Rt. Hon. Augustine Birrell, 1880-1920 ...: Res judicatae (1892). Essays about men, women, and books (1893) Augustine Birrell, 1922
