The International Federation of Library Associations and Institutions IFLA is the leading international body representing the interests of library and information services and their users It is the global voice of the information profession The series IFLA Publications deals with many of the means through which libraries information centres and information professionals worldwide can formulate their goals exert their influence as a group protect their interests and find solutions to global problems

A Guide to Canine and Feline Orthopaedic Surgery Hamish Denny, Steve Butterworth, 2008-04-30 This successful book first published in 1980 and now in its fourth edition provides an authoritative guide for busy practitioners trying to keep pace with current trends in small animal orthopaedic surgery In this new edition Hamish Denny and Steven Butterworth have retained the same practical approach but have completely rewritten and updated the book to provide a comprehensive review of orthopaedic and spinal conditions in the dog and cat The illustrations have also undergone a major overhaul and the many line drawings are now combined with photographs and radiographs to clarify diagnostic and surgical techniques Although the size of the book has increased its regional approach to problems still enables the reader to use it as a rapid reference guide It will prove an invaluable source of information for veterinary practitioners diagnosing and treating orthopaedic and spinal problems while postgraduate students taking further qualifications in orthopaedics will find a sound basis for their studies and further reading provided here
