The Canadian Encyclopedia James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors

typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada *Bilingual Educational Publications in Print* ,1983 *World Dictionaries in Print* ,1983

**Subject Guide to Books in Print** ,1997 **Handbook of Reference Sources and Services for Small and Medium-Sized Libraries** Margaret I. Creating Postwar Canada Magda Fahrni,Robert Rutherford,2008-07-01 Creating Postwar Canada showcases new research on this complex period exploring postwar Canada's diverse symbols and battlegrounds Contributors to the first half of the collection consider evolving definitions of the nation examining the ways in which Canada was reimagined to include both the Canadian North and landscapes structured by trade and commerce The essays in the latter half analyze debates on shopping hours professional striptease the provider role of fathers interracial adoption sexuality on campus and illegal drug use issues that shaped how the country defined itself in sociocultural and political terms This collection contributes to the historiography of nationalism gender and the family consumer cultures and countercultures **Resources in Education**

,1996 *A Universal and Critical Dictionary of the English Language* Joseph Emerson Worcester,1887 **Word Studies in the Renaissance** Gabriele Stein,2017-09-15 The book examines the work of Renaissance lexicographers such as John Palsgrave Claudius Hollyband Richard Huloet and Peter Levins with particular focus on the author at work the struggles of

these lexicographers to understand the semantic range of a word and to explain and transpose it into another language their assessment of different linguistic and cultural expressions and their morphological analyses and their efforts to find ways of structuring and presenting lexical information Gabriele Stein explores the influence of the works by Ambrogio Calepino Robert Estienne Hadrianus Junius and Conrad Gesner and the extent to which bi and multilingual dictionaries in the 16th century are often pan European in character she also provides the first in depth and richly illustrated discussion of the use of typographical resources to present the structure of lexical information **The Journal of Education** ,1904

*Encyclopedic Learners' Dictionaries* Martin Stark,2015-03-30 This book describes and evaluates the usefulness of a recently developed lexicographical hybrid the encyclopedic learner s dictionary ELD First the ELD is analysed from a typological perspective Two encyclopedic learners dictionaries are dissected and compared and a checklist of ELD design features is drawn up A survey of previous user based studies is then provided followed by a description of the questionnaire based methodology used in this user centred investigation Next a critical analysis of each ELD design feature is provided Finally the implications of this research for the future production of ELDs are presented as a checklist of recommendations

Milton's Languages John K. Hale,1997-08-28 Milton s poetry is one of the glories of the English language and yet it owes everything to Milton s widespread knowledge of other languages he knew ten wrote in four and translated from five In Milton s Languages John K Hale first examines Milton s language related arts in verse composition translations annotations of Greek poets Latin prose and political polemic giving all relevant texts in the original and in translation Hale then traces the impact of Milton s multilingualism on his major English poems Many vexed questions of Milton studies are illuminated by this approach including his sense of vocation his attitude to print and publicity the supposed blemish of Latinism in his poetry and his response to his literary predecessors Throughout this full length study of Milton s use of languages Hale argues convincingly that it is only by understanding Milton s choice among languages that we can grasp where Milton s own unique English originated

*Multilingual Education* Jasone Cenoz,Durk Gorter,2015 This cutting edge volume explores holistic trends in multilingualism analysing the processes of both becoming multilingual and being multilingual Multilingualism has increased in recent years due to globalisation transnational mobility and the spread of Information and Communications Technology ICT This volume explores some of the trends in the study of multilingual education by putting together research studies that analyse the processes of both becoming multilingual and being multilingual in educational contexts Publisher s website **Books in Print** ,1991 *The Impact of Mother Tongue Illiteracy on Second Language Acquisition* Moustapha Fall,2020-01-30 This text illustrates the crucial role of the mother tongue literacy in second language acquisition by presenting findings from a comparative study conducted in primary schools in Senegal In addition the volume provides an in depth look at the linguistic history of Senegal before during and after French colonialism The Impact of Mother Tongue Illiteracy on Second Language Acquisition discusses the socio linguistic landscape and ethnolinguistic composition of Senegal

and its effect on the second language acquisition An in depth analysis of children s phonological awareness decoding and reading comprehension in French reveals significant disparities in the literacy skills of Wolof children who have been exposed to Arabic and Qur anic texts prior to schooling and those who have not In doing so the text explores the impacts of post colonial language policies in Africa highlights the pedagogical consequences of mother tongue illiteracy and questions the use of French as the only language of instruction in Senegalese schools This detailed research text will of great interest and use to graduate and postgraduate students researchers academics professionals and policy makers in the field of Second Language Acquisition Multicultural Education Applied Linguistics French language education and Language Policy and Planning
