The French Connection ,1983 The French Connection Robin Moore,2005 One night two New York narcotics detectives Popeye Egan and Cloudy Grosso come across a party whose host Patsy Fuca behaves like a head gangster The detectives are baffled to discover that Patsy is the owner of a lowly newsstand It seems so odd that they start to investigate unaware that they will break the world s largest heroin network **The French Connection** Hunter Davies,1990 Two narcotics detectives Popeye Doyle and his partner Buddy Russo Gene Hackman Roy Scheider start to close in on a vast international narcotics ring when the smugglers unexpectedly strike back Following an attempt on his life by one of the smugglers William Friedkin s classic policier was propelled to box office glory and a fistful of Oscars in 1972 by its pedal to the metal filmmaking and fashionably cynical attitude toward law enforcement Gene Hackman s Popeye Doyle a brutally pushy New York City narcotics detective is a dauntless crime fighter and Vietnam era pig a reckless vulgarian whose antics get innocent people killed Loosely based upon an actual investigation that led to what was then the biggest heroin seizure in U S history the picture traces the efforts of Doyle and his partner Roy Scheider to close the pipeline pumping Middle Eastern smack into the States through the French port of Marseilles The actual French Connection cops Eddie Egan and Sonny Grosso make cameo appearances It was widely recognized at the time that Friedkin had lifted a lot of his high strung technique from the Costa Gavras thrillers *The Sleeping Car Murders* and *Z* he even imported one of Costa Gavras s favorite thugs Marcel Bozzuffi to play the Euro trash hit man plugged by Doyle in an elevated train station There was an impressive official sequel in 1975 *French Connection II* directed by John Frankenheimer which took Popeye to the south of France and got him hooked on horse A couple of semi official spinoffs followed *The Seven Ups* which elevated Scheider to the leading role and *Badge 373* with Robert Duvall stepping in as the pugnacious flatfoot *THE FRENCH CONNECTION* ROBIN MOORE,1969 **The Friedkin Connection** William Friedkin,2013-04-16 An acclaimed memoir from an American cinema maverick and Academy Award winning director of such legendary films as *The French Connection* and *The Exorcist* The Friedkin Connection takes readers from the streets of Chicago to the suites of Hollywood and from the sixties to today with autobiographical storytelling as fast paced and intense as any of the auteur s films Friedkin s success story has the makings of classic American film He was born in Chicago the son of Russian immigrants Immediately after high school he found work in the mailroom of a local television station and patiently worked his way into the directing booth during the heyday of live TV An award winning documentary brought him attention as a talented new filmmaker and an advocate for justice and it caught the eye of producer David L Wolper who brought Friedkin to Los Angeles There he moved from television to film displaying a versatile stylistic range In 1971 *The French Connection* was released and won five Academy Awards including Best Picture and Best Director and two years later *The Exorcist* received ten Oscar nominations and catapulted Friedkin s career to stardom Penned by the director himself *The Friedkin Connection* takes readers on a journey through the numerous

chance encounters and unplanned occurrences that led a young man from a poor urban neighborhood to success in one of the most competitive industries and art forms in the world In this fascinating and candid story he has much to say about the world of moviemaking and his place within it Friedkin s against all odds success story is compelling reading from the start LA Weekly *The Limits of Auteurism* Nicholas Godfrey,2018-05-10 The New Hollywood era of the late 1960s and early 1970s has become one of the most romanticized periods in motion picture history celebrated for its stylistic boldness thematic complexity and the unshackling of directorial ambition The Limits of Auteurism aims to challenge many of these assumptions Beginning with the commercial success of Easy Rider in 1969 and ending two years later with the critical and commercial failure of that film s twin progeny The Last Movie and The Hire Hand Nicholas Godfrey surveys a key moment that defined the subsequent aesthetic parameters of American commercial art cinema The book explores the role that contemporary critics played in determining how the movies of this period were understood and how in turn strategies of distribution influenced critical responses and dictated the conditions of entry into the rapidly codifying New Hollywood canon Focusing on a small number of industrially significant films this new history advances our understanding of this important moment of transition from Classical to contemporary modes of production *The FRENCH Connection* ,2003 The French Connection in Criminology Bruce A. Arrigo,Robert C. Schehr,Robert Carl Schehr,Dragan Milovanovic,2005-02-24 Brings the insights of postmodernism to the concerns of criminology and includes examples of how social theory can function in the real world realm of criminal law Winner of the 2005 Outstanding Book Award presented by the Crime and Juvenile Delinquency Division of the Society for the Study of Social Problems *French Connection II* Robin Moore,Milt Machlin,1975 Popeye Doyle was a long way from the New York scene he knew so well He didn t speak the language He didn t know the ropes He didn t have a man or woman he could trust He just had a hunch he was being played for a sucker again by the same Frenchman who had foxed him in New York He just had an itch to turn Marseilles upside down until he found Charnier and turned the French connection off for good Get ready for a wild ride in an adventure torn from the headlines Page 1
