The French Riviera Michael Nelson, 2016-11-07 The French Riviera A History ranges from the Terra Amata in Nice occupied from 380 000 years ago and one of the oldest inhabited prehistoric sites in the world through to settlement by Greeks Romans Franks Ostrogoths and Visigoths wars and revolutions to the establishment of the Silicon Valley of France in Sophia Antipolis in 1974 Michael Nelson shows the surprisingly cosmopolitan nature of the area in the early middle ages such as the story of the finishing school run by Frankish kings in the 7th century where Siagrius the ruler of the region had studied and where the son of King Edwin of Northumbria in England was also sent The Riviera was part of Provence in France for much of its history and was often a microcosm of France itself with many dynastic struggles and horrific blood letting Colour maps and plates illustrate The French Riviera A History and it is also full of fascinating anecdotes Examples include the loan of a guillotine by Nice to Grasse in the French Revolution Nice had no victims and Grasse had thirty and the occasion when Jean Moulin the leader of the French Resistance in World War II invited the Germans to the opening of an art gallery in Nice which he was using as a front In the nineteenth and twentieth century the British and Americans led tourism and the Riviera was described by Somerset Maugham as a sunny place for shady people The French Riviera A History is a fascinating look back over the Riviera's rich history Perfect to dip into or follow the whole historical journey in one sitting it will make the perfect addition to any history buff's bookcase

French Riviera Terry Marsh, 2015 This guide features a blend of historical cultural and geographical attractions

The French Riviera Adventure Guide Ferne Arfin, 2011-04-15 Starting just east of la Ciotat the great sweep of Mediterranean coast all the way to the Italian border is referred to as the Cote d Azur or the Riviera It is a large area with dozens of beaches and despite the coast s reputation for toney glamor alternating with brash vulgarity it s a great location for watersports boating parascending climbing hiking and gliding The Western Cote d Azur is a deeply indented coast characterized by many small towns miles of sandy beaches and three great mountainous headlands called massifs The Massif des Maures Massif de l Esterel and Massif de Tanneron foreshadow the march of the Alps to the sea farther east along the Riviera They offer stunning long distance views and provide miles of good walking For years French vacationers kept the region their secret staying in their holiday homes or with friends and family As a result the massifs remain largely undiscovered territory for foreign visitors who usually race around and between them on motorways heading for the coast If you stop to enjoy this region you ll find it has its own personality and surprises Among the attractions here are St Tropez and St Raphael Like a lot of people I got my first glimpse of the Riviera watching classic movies on television Cary Grant and Grace Kelly trading barbs on a balcony overlooking a yacht filled harbor in To Catch a Thief one of any number of James Bonds or Simon Templars stepping out of the Casino at Monte Carlo Pink Panther movies car chases on the Grande Corniche David Niven in Casino Royale They all created an indelible impression of a gorgeous glamorous and expensive jetsetters paradise The term jetsetter is a little dusty these days but substitute Eurotrash and the idea is the same celebrities minor royals and fashionistas mingling with arms dealers deposed dictators media tycoons and shipping magnates while gossip columnists write about their lifestyles of apparently endless leisure This is not an entirely imaginary picture There s no denying that the Riviera is a playground for the rich and famous Behind the walls and towering hedges of Cap Ferrat and other such places most of what all the money in the world will buy can probably be found But don t be put off if you re traveling on a modest budget It is the glamor of the landscape and all the outdoor activities to which it lends itself that was probably what attracted the beautiful people in the first place And that is within reach of everyone Breathtaking drives along Les Corniches de la Riviera and coastal walks that range from gentle strolls to challenging climbs are laced between the distinctive towns and villages Antibes Nice Menton Beaulieu sur Mer Villefranche scattered almost artfully along the coast In the skies paragliders float down like flower petals from a handful of exceptional launch sites Starting around Antibes and heading east the back country rises and the Alps crowd down to the water Along the way the villages perchees become ever more dramatic Eze at 427 m 1 400 feet tops a narrow dome of rock La Turbie at 500 m 1 640 feet is where the Emperor Augustus planted the Trophée des Alpes a 165 foot monument to the power of Rome that still lords over the coast and looks down on Monte Carlo the medieval village of Sainte Agnes just inland of Menton at 800 m 2 600 feet claiming to be the

highest coastal village in Europe This is an excerpt equivalent to about 200 print pages from the 420 page Adventure Guide to Provence the Cote d Azur Both books are highly detailed exploring the culture the sights and activities the places to stay and the best restaurants Dozens of photographs are included plus 15 detailed maps [Insight Guides Pocket French Riviera \(Travel Guide eBook\)](#) Insight Guides,2018-11-01 Ideal itineraries and top travel tips in a pocket sized package Plan your trip plan perfect days and discover how to get around this Insight Guides pocket sized book is a convenient quick reference companion to discovering what to do and see in the French Riviera from top attractions like Fondation Maeght to hidden gems including Domaine du Rosaire Compact concise and packed with essential information about Where to Go and What Do this is an ideal on the move companion when you re exploring the French Riviera Covers Top Ten Attractions including Vieux Nice Cannes and Monaco and Perfect Day itinerary suggestions Offers an insightful overview of landscape history and culture Contains an invaluable pull out map and essential practical information on everything from Eating Out to Getting Around Sharp design and colour coded sections make for an engaging reading experience About Insight Guides Insight Guides is a pioneer of full colour guide books with almost 50 years experience of publishing high quality visual travel guides with user friendly modern design We produce around 400 full colour print guide books and maps as well as phrase books picture packed eBooks and apps to meet different travellers needs Insight Guides unique combination of beautiful travel photography and focus on history and culture create a unique visual reference and planning tool to inspire your next adventure **Insight Guides Provence and the French Riviera (Travel Guide eBook)** Insight Guides,2017-07-01 With its fabulous artistic heritage glorious light glitzy resorts and mouth watering food it s little wonder that the Provence French Riviera region is the second most visited in France after Paris And Marseille the rejuvenated 2013 European Capital of Culture can now claim to be one of the Mediterranean s most vibrant cities Be inspired by this thoroughly updated edition of Insight Guide Provence and the French Riviera a detailed full colour guide to this glamorous region Inside Insight Guide Provence and the French Riviera A thoroughly overhauled edition by our expert authors Stunning photography brings this stunning region and its people to life Highlights of the region s top attractions such as stunning perched villages arty Avignon and the awe inspiring Pont du Gard Descriptive area by area accounts cover the whole region from rejuvenated Marseille to glitzy St Tropez Detailed high quality maps throughout will help you get around and travel tips give you all the essential information for planning a memorable trip About Insight Guides Insight Guides has over 40 years experience of publishing high quality visual travel guides We produce around 400 full colour print guide books and maps as well as picture packed eBooks to meet different travellers needs Insight Guides unique combination of beautiful travel photography and focus on history and culture together create a unique visual reference and planning tool to inspire your next adventure
