Fresh Courage Take:

Mercy Revealed Gerald M. Bilkes, 2015-07-14 The gospels of Matthew Mark and Luke are filled with well known accounts of the miracles Christ performed Christians love to reflect on Christ's healing of the Gadarene demoniac His raising to life Jairus's daughter and His bountifully providing food for five thousand hungry listeners But author Gerald M Bilkes doesn't want us to study these miracles just because they are loved or well known He wants us to value them for what they teach us about Christ He writes When we study the miracles we should never lose sight of the glorious and magnificent Christ who performed them He still performs miracles in hearts and lives These things should astound us no less than the miracles He did when He was on earth This heart warming experiential look at twenty two of Christ's miracles with questions following each chapter is an excellent tool for personal or group Bible study and will lead you to the cross the empty tomb and the God who purposed and performed these important events of Scripture
