The Freshman Detective Blues P. J. Petersen, 1989-08-02 Eddie age fourteen and Jack age seventeen find a skeleton weighted down in Muir Lake and Jack thinks it just might be his father who's been missing for nine years **Freshman**

Detective P. J. Petersen, 1992-11-01 **Freshman Detective Blues-CC** , *The Invisible Four* David B.

McKinney, 2016-04-12 Lien Phan Birchfield is the son of a Vietnamese mother and American soldier who is missing in action. Lien has never met his father but is guided by a letter from him written eighteen years earlier in the Vietnam jungle. He's always been a bit of an outsider and as a new freshman at Bayou City College in Houston, Lien feels invisible. He's not alone in his predicament, however. He has Toby, his happy-go-lucky roommate and ROTC cadet; Theresa, a Chara type A go-getter with few friends; Prof. K, an ex-GI Harley riding journalism instructor and mentor. Together, these four unlikely friends form a bond that is unbreakable, willing to stand up to formidable adversaries. As a team, they use their skills and intuition to go after a well-oiled ROTC machine that scams the trusting public of donations meant for charity. Surrounded by thoughts of his father, Lien and the other Invisibles track a corrupt and narcissistic army ROTC commandant and his band of operatives. Working against deadly odds, the four friends don't feel so invisible anymore. **Detectives in the Shadows** Susanna Lee, 2020-08-04

A century of American history reflected in the iconic private eye. Steadfast in fighting crime but operating outside the police force and sometimes even the law, is the private detective. Driven by his own moral code, he is a shadowy figure in a trench coat standing on a street corner, his face most likely obscured by a tilted fedora, a lit cigarette dangling from his hand. The hard-boiled detective is known by his dark past, private pain, and powers of deduction. He only asks questions, never answers them. In his stories, he is both the main character and the narrator. America has had a love affair with the hard-boiled detective since the 1920s when Prohibition called into question who really stood on the right and wrong side of the law. And nowhere did this hero shine more than in crime fiction. In *Detectives in the Shadows*, literary and cultural critic Susanna Lee tracks the evolution of this truly American character type from Race Williams to Philip Marlowe and from Mike Hammer to Jessica Jones. Lee explores how this character type morphs to fit an increasingly troubled world, offering compelling interpretations of *The Wire*, *True Detective*, and *Jessica Jones*. Suddenly, in the present day, the hard-boiled detective wears his or her fatigue outwardly, revealing more vulnerability than ever before. But the detective remains resolute in the face of sinister forces, ever the person of honor. For anyone interested in crime fiction and television or for those wanting to understand America's idolization of the good guy with a gun, *Detectives in the Shadows* is essential reading. **The**
