Gun Runners Daughter:

The Gun Runner's Daughter Neil Gordon, 2011-12-07 In 1995 Neil Gordon's *Sacrifice of Isaac* was one of the most acclaimed novels of the year. *Newsday* said it immediately vaults Gordon into the company of John le Carr and Graham Greene. *The Washington Post* called it one of those rare works of fiction that are both edifying and almost sinfully pleasurable. *The San Francisco Chronicle* described it as the best kind of page-turner. Now Neil Gordon returns with *The Gun Runner's Daughter*, an equally compelling tale of moral and psychological suspense: the story of two lawyers who fall in love while they are on opposite sides of an arms-dealing scandal. For twenty-seven years Allison Rosenthal has lived the life of the liberal elite: from summers in Martha's Vineyard to her studies at Yale. But when her father is indicted on federal charges and his profession, arms-dealing, is exposed to public scrutiny, her placid life changes radically. And when her secret childhood lover is named as her father's prosecuting attorney, she must decide where her loyalties lie in a trial that is rocking the presidential administration. Does family come before politics? Love before law? Truth before loyalty? These are the questions the gun-runner's daughter must face as she tries to negotiate the dangerous and murky world of her father's profession and the ambiguous morality of power politics in America and Israel. In this audaciously entertaining intellectual thriller, Neil Gordon brings the personal and political together with the mastery of a great storyteller. Cynthia, a Daughter of the Philistines Leonard Merrick, 1896 The Gun-runner Bertram Mitford, 1893 Counter Strike Patricia Bates, 2022-04-18 A woman with secrets. A man with honor. Can love survive? Alex Caden, a ghost, a blip on a screen. Kidnapped by an unknown foe, her rescue comes at the hands of an elite Navy SEAL team. But nothing is as it seems, and danger lurks in the shadows. Now hunted by those who want her silenced, she's forced to rely on her rescuer. Slade Lake has dedicated his life to keeping civilians safe. When he saves Alex, he knows as soon as he sees her that they're meant to be together. With killers dogging their every step and secrets unfolding, can they find love, or will the enemies from the shadows destroy everything? **12 Miles South of Nowhere** Al Ferber, 2005-12-13 *12 Miles South of Nowhere* is covered by dark, unforgiving terrain: the heart of the soul of the unfulfilled dreams dashed against cruel rock formations. But it beckons to the curious, as do many uncharted territories with promises of the as-yet-unfounded, unexplored, like a bottle of whiskey that promises heaven and oblivion, even though you've been there a thousand times before. Dawn Sevgi Soysal, 2022-11-15 A searing autobiographical novel about a single night in prison suggests how broken spirits can be mended and dreams rebuilt through imagination and human kindness. Like Pamuk's *Snow*, *Dawn* is the Turkish tragedy writ small. In contrast to *Snow*, it places gender at its heart. Maureen Freely's *Dawn*, translated into English for the first time, legendary Turkish feminist Sevgi Soysal brings together dark humor, witty observations, and trenchant criticism of social injustice, militarism, and gender inequality. As night falls in Adana, koftes and cups of cloudy raki are passed to the dinner guests in the home of Ali, a former laborer who gives tight bear hugs, speaks with a southeastern lilt, and radiates the spirit of a child. Among the guests are a journalist named Oya who has recently been

released from prison and is living in exile on charges of leftist sympathizing and her new acquaintance Mustafa A swift kick knocks down the front door and bumbling policemen converge on the guests carting them off to holding cells where they ll be interrogated and tortured throughout the night Fear spools into the anxious claustrophobic thoughts of a return to prison just after tasting freedom Bristling snatches of Oya s time in prison rush back the wild curses and wilder laughter of inmates their vicious quarrels and rapturous belly dancing or the quiet boon of a cup of tea Her former inmates created fury and joy out of nothing Their brimming resilience wills Oya to fight through the night and is fused with every word of this blazing lucid novel
