Yoho, Long before the advent of the U S Secret Service Kellen Malone is called upon by the president to protect him from a ruthless and determined group of assassins hell bent on his destruction Malone and Joe Clements team up as they ride across the Old West putting themselves in harm s way at every stop See if Kellen Malone has what it takes to derail the assassination of President Grover Cleveland **Official Gazette of the United States Patent and Trademark Office** ,2003 **Guns Against the Reich** Petr Mikhin,2010-08-19 A powerful autobiography from a Russian veteran of Stalingrad Kursk and numerous other battles as he fought his way from Moscow to Vienna Military Illustrated In three years of war on the Eastern Front from the desperate defense of Moscow through the epic struggles at Stalingrad and Kursk to the final offensives in central Europe artillery man Petr Mikhin experienced the full horror of battle In this vivid memoir he recalls distant but deadly duels with German guns close quarter hand to hand combat and murderous mortar and tank attacks and he remembers the pity of defeat and the grief that accompanied victories that cost thousands of lives He was wounded and shell shocked he saw his comrades killed and was nearly captured and he was threatened with the

disgrace of a court martial For years he lived with the constant strain of combat and the ever present possibility of death Mikhin recalls his experiences with a candor and an immediacy that brings the war on the Eastern Front a war of immense scale and intensity dramatically to life Mikhin s memoirs give us a very valuable picture of life in the Red Army during four years of intense non stop fighting against a determined and skilled enemy This allows us to follow the evolution of the Red Army from the nearly defeated force of 1941 to the skilled military machine of 1945 and helps illuminate the price that the Soviet soldiers paid for victory History of War A fast paced interesting read that recounts stories of courage under fire and dedication to duty I highly recommend this book Military Review
