## **Gurdjieff And Mansfield:**

**Philosophy and Art in Gurdjieff's Beelzebub** Anna T. Challenger,2021-07-26 This book demonstrates that the most forceful contribution to George Gurdjieff's world view is Sufism understood as the tradition of seeking truth wherever it can be found especially at the meeting place of the world religions Gurdjieff's masterpiece Beelzebub's Tales to His Grandson is philosophically analyzed in its use of literary devices to jolt the reader into radical transformation *Gurdjieff's America* Paul Beekman Taylor,2004 Offers information and stories about Gurdjieff setting him within the cultural and social contexts of America between 1924 and 1935 **Katherine Mansfield's French Lives** ,2016-02-02 Katherine Mansfield's French Lives explores how both the literary cultural editorial and biographical influence of French arts and philosophy and life as an migr in France shaped Mansfield's evolution as a key modernist writer while setting her within the geographies and cultural dynamics of Anglo French modernism Mansfield's many stays in France were decisive in intellectual personal and psychological terms discovering Murry's Paris and the Left Bank escaping to the War Zone to join Francis Carco living as a civilian in wartime during the bombardments of Paris travelling and finding lodgings as a single woman in war ravaged towns the experience of bereavement and debilitating ill health abroad and the joys and pitfalls for an outsider of a foreign land and idiom **The Utopians** Anna Neima,2021-06-10 Fascinating and richly documented Few books manage to be so informative and so entertaining Sunday Times Santiniketan Sriniketan in India Dartington Hall in England Atarashiki Mura in Japan the Institute for the Harmonious Development of Man in France the Bruderhof in Germany and Trabuco College in America six experimental communities established in the aftermath of the First World War each aiming to change the world Anna Neima's The Utopians is an absorbing and vivid account of these collectives and their charismatic leaders and reveals them to be full of eccentric characters outlandish lifestyles and unchecked idealism Dismissed and even mocked in their time yet a century later their influence still resonates in progressive education environmentalism medical research and mindfulness training Without such inspirational experiments in how to live post war society would have been a poorer place Thanks to Neima's rigorous research each chapter offers something new Spectator Neima ranges with impressive confidence across the world Literary Review **Gurdjieff and Mansfield** James Moore,1980 **A Russian Jew of Bloomsbury** Galya Diment,2011 A Russian Jew of Bloomsbury looks at the remarkable influence that an outsider had on the tightly knit circle of Britain's cultural elite Among Koteliensky's friends were Katherine Mansfield Leonard and Virginia Woolf Mark Gertler Lady Ottoline Morrell H G Wells and Dilys Powell But it was his close and turbulent friendship with D H Lawrence that proved to be Koteliensky's lasting legacy In a lively and vibrant narrative Galya Diment shows how despite Kot's determination he could never escape the dark aspects of his past or overcome the streak of anti-Semitism that ran through British society including the hearts and minds of many of his famous literary friends *Cinema and the Imagination in Katherine Mansfield's Writing* M. Ascari,2014-01-10 Using silent cinema as a critical lens enables us to reassess Katherine Mansfield's entire literary career

Starting from the awareness that innovation in literature is often the outcome of hybridisation this book discusses not only a single case study but also the intermedia exchanges in which literary modernism at large is rooted *Katherine Mansfield, Gurdjieff, and Lawrence's "Mother and Daughter"* Jeffrey Meyers,1976 **Shadow Worlds** Andrew Wood,2023-07-13 A vigorous strand of interest in the occult the spooky and the mysterious has been part of New Zealand's history since 1840 *Shadow Worlds* takes a lively look at communicating with spirits secret ritualistic societies the supernatural the New Age everything from The Golden Dawn and Rosicrucianism to Spiritualism witchcraft and Radiant Living and introduces the reader to a cast of fascinating characters who were generally true believers and sometimes con artists It's a fresh and novel take on the history of a small colonial society that was not quite as ploddingly conformist as we may have imagined

**Social Dance and the Modernist Imagination in Interwar Britain** Rishona Zimring,2013 Arguing that social dance haunted the interwar imagination Zimring reveals the powerful figurative importance of music and dance both in the aftermath of war and during Britain's entrance into cosmopolitan modernity and the modernization of gender relations Analysing paintings films memoirs ballet documentary texts and writings by Modernist authors Zimring illuminates the ubiquitous presence of social dance in the British imagination during a time of cultural transition and recuperation

Backgazing: Reverse Time in Modernist Culture Paul Giles,2019-02-14 This volume traces ways in which time is represented in reverse forms throughout modernist culture from the beginning of the twentieth century until the decade after World War II Though modernism is often associated with revolutionary or futurist directions this book argues instead that a retrograde dimension is embedded within it By juxtaposing the literature of Europe and North America with that of Australia and New Zealand it suggests how this antipodean context serves to defamiliarize and reconceptualize normative modernist understandings of temporal progression Backgazing thus moves beyond the treatment of a specific geographical periphery as another margin on the expanding field of New Modernist Studies Instead it offers a systematic investigation of the transformative effect of retrograde dimensions on our understanding of canonical modernist texts The title backgazing is taken from Australian poet Robert G Fitzgerald's 1938 poem *Essay on Memory* and it epitomizes how the cultural history of modernism can be restructured according to a radically different discursive map Backgazing intellectually reconfigures US and European modernism within a planetary orbit in which the literature of Australia and the Southern Hemisphere far from being merely an annexed margin can be seen substantively to change the directional compass of modernism more generally By reading canonical modernists such as James Joyce and T S Eliot alongside marginalized writers such as Nancy Cunard and others and relatively neglected authors from Australia and New Zealand this book offers a revisionist cultural history of modernist time one framed by a recognition of how its measurement is modulated across geographical space **Do We Have An Immortal Soul?** Orest Stocco,2014 The I is the big mystery of life The I is a miraculous unit of reflective self consciousness that is aware of its own individuality and separateness from life and although every I is made of the same

individuated consciousness of life each I in the words of the poet John Keats possesses a bliss peculiar to each one by individual existence The I is who we are It is our distinct individual core identity Like snowflakes we are all different but the same but how do we become different Better still how do we even become a distinct separate I      **Uncommon**

**Arrangements** Katie Roiphe, 2008-05-20 Katie Roiphe's stimulating work has made her one of the most talked about cultural critics of her generation Now this bracing young writer delves deeply into one of the most layered of subjects marriage Drawn in part from the private memoirs personal correspondence and long forgotten journals of the British literary community from 1910 to the Second World War here are seven marriages la mode each rising to the challenge of intimate relations in more or less creative ways Jane Wells the wife of H G remained his rock despite his decade long relationship with Rebecca West among others Katherine Mansfield had an irresponsible childlike romance with her husband John Middleton Murry that collapsed under the strain of real life problems Vera Brittain and George Gordon Catlin spent years in a semidetached marriage he in America she in England Vanessa Bell maintained a complicated harmony with the painter Duncan Grant whom she loved and her husband Clive And her sister Virginia Woolf herself no stranger to marital particularities sustained a brilliant running commentary on the most intimate details of those around her Every chapter revolves around a crisis that occurred in each of these marriages as serious as life threatening illness or as seemingly innocuous as a slightly tipsy dinner table conversation and how it was resolved or not resolved In these portraits Roiphe brilliantly evokes what are as she says the fluctuations and shifts in attraction the mysteries of lasting affection the endurance and changes in love and the role of friendship in marriage The deeper mysteries at stake in all relationships
