

# ETHICAL INTUITIONISM

Michael Huemer

# Ethical Intuitionism

**Grant C. Sterling**

## **Ethical Intuitionism:**

*Ethical Intuitionism* M. Huemer, 2007-12-14 A defence of ethical intuitionism where i there are objective moral truths ii we know these through an immediate intellectual awareness or intuition and iii knowing them gives us reasons to act independent of our desires The author rebuts the major objections to this theory and shows the difficulties in alternative theories of ethics

*The Good in the Right* Robert Audi, 2009-01-10 This book represents the most comprehensive account to date of an important but widely contested approach to ethics intuitionism the view that there is a plurality of moral principles each of which we can know directly Robert Audi casts intuitionism in a form that provides a major alternative to the more familiar ethical perspectives utilitarian Kantian and Aristotelian He introduces intuitionism in its historical context and clarifies and improves and defends W D Ross s influential formulation Bringing Ross out from under the shadow of G E Moore he puts a reconstructed version of Rossian intuitionism on the map as a full scale plausible contemporary theory A major contribution of the book is its integration of Rossian intuitionism with Kantian ethics this yields a view with advantages over other intuitionist theories including Ross s and over Kantian ethics taken alone Audi proceeds to anchor Kantian intuitionism in a pluralistic theory of value leading to an account of the perennially debated relation between the right and the good Finally he sets out the standards of conduct the theory affirms and shows how the theory can help guide concrete moral judgment *The Good in the Right* is a self contained original contribution but readers interested in ethics or its history will find numerous connections with classical and contemporary literature Written with clarity and concreteness and with examples for every major point it provides an ethical theory that is both intellectually cogent and plausible in application to moral problems

*Intuitionism* David Kaspar, 2012-10-11 Is the way to moral truth through theory Or do we already know what s right and wrong Throughout modern history philosophers have tried to construct elaborate moral systems to determine what s right Recently however some have revived the position that we have intuitive knowledge of right and wrong In this book David Kaspar introduces and explores the perspective known as Intuitionism Charting intuitionism s fall in the twentieth century and its recent resurgence Kaspar looks at the intuitionist approach to the most important topics in ethics from moral knowledge to intrinsically good moral action David Kaspar defends intuitionism against criticisms from competing metaethical schools such as moral nihilism and ethical naturalism It also takes on normative rivals such as utilitarianism Kantianism and virtue ethics By consolidating the stronger claims of both early analytic and contemporary intuitionists Kaspar goes on to make a robust case for a rigorously intuitionist approach to explaining morality Intuitionism also includes chapter summaries and guides to further reading throughout to help readers explore and master this important school of contemporary ethical thought This is an ideal resource for undergraduates and postgraduates taking courses in ethics metaethics and moral philosophy

**Ethical Intuitionism** Philip Stratton-Lake, 2002 Ethical Intuitionism was the dominant moral theory in Britain for much of the eighteenth and nineteenth and the first third of the twentieth century However during

the middle decades of the twentieth century ethical intuitionism came to be regarded as utterly untenable. It was thought to be either empty or metaphysically and epistemologically extravagant or both. This hostility led to a neglect of the central intuitionist texts and encouraged the growth of a caricature of intuitionism that could easily be rejected before moving on to more serious philosophical theories. More recently however this hostility towards ethical intuitionism has subsided. A wide range of moral philosophers from Aristotelians to rule consequentialists to expressivists, Kantians and deontologists are beginning to look to the ethical intuitionists' work as a positive resource. It is therefore a good time to get clear on what it was that intuitionists said and re-evaluate their contribution to our understanding of morality. This volume is the first serious engagement with ethical intuitionism in the light of more recent developments in ethical theory. It contains essays by eminent moral philosophers working in very different traditions whose aim is to clarify and assess ethical intuitionism. Issues addressed include whether the plurality of basic principles intuitionists adhere to can be grounded in some more fundamental principle, the autonomy of ethics and self-evidence, moral realism and internalism and the open question argument and naturalism.

**Ethical Intuitionism and Its Critics** Grant C. Sterling, 1994

**Ethical Intuitionism** M. Huemer, 2014-01-14

This book defends a form of ethical intuitionism according to which i there are objective moral truths ii we know some of these truths through a kind of immediate intellectual awareness or intuition and iii our knowledge of moral truths gives us reasons for action independent of our desires. The author rebuts all the major objections to this theory and shows that the alternative theories about the nature of ethics all face grave difficulties.

Ethical Intuitionism William Donald Hudson, 1967

The New Intuitionism Jill Graper Hernandez, 2011-12-01

Since the 2004 publication of his book *The Good in the Right* Robert Audi has been at the forefront of the current resurgence of interest in intuitionism, the idea that human beings have an intuitive sense of right and wrong in ethics. *The New Intuitionism* brings together some of the world's most important contemporary writers from such diverse fields as metaethics, epistemology and moral psychology to explore the latest implications of and challenges to Audi's work. The book also includes an opening chapter that surveys the development of contemporary intuitionism and a conclusion that lays the ground for future developments and debates both written by Audi himself, making this an essential survey of this important school of ethical thought for anyone working in the field.

**Wisdom, Intuition and Ethics** Trevor Curnow, 1999

Putting forward a new case for ethical intuitionism, Trevor Curnow finds its roots in the wisdom traditions of antiquity while also drawing on Eastern philosophy and modern psychology.

*The Moral Epistemology of Intuitionism* Hossein Dabbagh, 2022-12-01

Covering moral intuition, self-evidence, non-inferentiality, moral emotion and seeming states, Hossein Dabbagh defends the epistemology of moral intuitionism. His line of analysis resists the empirical challenges derived from empirical moral psychology and reveals the seeming-based account of moral intuitionism as the most tenable one. *The Moral Epistemology of Intuitionism* combines epistemological intuitionism with work in neuroethics to develop an account of the role that moral intuition and emotion play in moral judgment. The book

culminates in a convincing argument about the value of understanding moral intuitionism in terms of intellectual seeming and perceptual experience      Ethical intuitionism W. D. Hudson,1970      **Intuition, Theory, and Anti-Theory in Ethics** Timothy Chappell,2015-03-05 What form or forms might ethical knowledge take In particular can ethical knowledge take the form either of moral theory or of moral intuition If it can should it These are central questions for ethics today and they are the central questions for the philosophical essays collected in this volume Intuition Theory and Anti Theory in Ethics draws together new work by leading experts in the field in order to represent as many different perspectives on the discussion as possible The volume is not built upon any kind of tidy consensus about what knowledge theory and intuition mean Rather the idea is to explore as many as possible of the different things that knowledge theory and intuition could be in ethics      Moral Emotions and Intuitions S. Roeser,2010-11-30 The author presents a new philosophical theory according to which we need intuitions and emotions in order to have objective moral knowledge which is called affectual intuitionism Affectual Intuitionism combines ethical intuitionism with a cognitive theory of emotions      Evolutionary Intuitionism Brian Zamulinski,2007-03-19 It seems impossible that organisms selected to maximize their genetic legacy could also be moral agents in a world in which taking risks for strangers is sometimes morally laudable Brian Zamulinski argues that it is possible if morality is an evolutionary by product rather than an adaptation      **Encyclopedia of Ethics: P-W** Lawrence C. Becker,Charlotte B. Becker,2001 A revised expanded and updated edition with contributions by 325 renowned authorities in the field of ethics All of the original articles have been newly peer reviewed and revised bibliographies have been updated throughout and the overall design of the work has been enhanced for easier access to cross references and other reference features      *This Is Ethical Theory* Jan Narveson,2015-11-05 Ethical questions lie at the very heart of all philosophy and no one is better equipped to untangle the many facets of ethical theory than respected thinker and professor Jan Narveson Drawing from theoretical notions as well as everyday applications Narveson simplifies these nuanced ideas for any beginning ethicist Discussing theoretical elements ranging from intuitionism to naturalism emotivism to metaethics Narveson s approach to this complex topic is one that any reader will find accessible      **Intuition, Theory, and Anti-theory in Ethics** Sophie Grace Chappell,2015 What form or forms might ethical knowledge take In particular can ethical knowledge take the form either of moral theory or of moral intuition If it can should it A team of experts explore these central questions for ethics and present a diverse range of perspectives on the discussion      *A Moral Theory of Liveliness* Assistant Professor of Philosophy and Research Associate in Philosophy Kirk Lougheed,Kirk Lougheed,2025 The book is about providing a novel African moral theory this means it provides a theory about what actions are permissible or impermissible It does this by mining descriptive works of an African indigenous concept called life force The book shows that there is a plausible way to secularise life force so the theory does not have to be inherently religious The author argues that the theory does better at explaining various intuitions and hard cases than utilitarianism and other African moral theories like those that focus on

personhood or relational harmony It also contains a substantial section on metaethics which is about what grounds morality

**The Right and the Good** David Ross, 2002-08-02 The Right and the Good a classic of twentieth century philosophy by the great scholar Sir David Ross is now presented in a new edition Ross's book originally published in 1930 is the pinnacle of ethical intuitionism which was the dominant moral theory in British philosophy for much of the nineteenth and early twentieth century The central concern of the book is with rightness and goodness and their relation Ross argues against notable rival ethical theories The right act he held cannot be derived from the moral value of the motive from which it is done Furthermore rightness is not wholly determined by the value of the consequences of one's action whether this value is some benefit for the agent or some agent neutral good Rather the right act is determined by a plurality of self evident prima facie duties Ross portrayed rightness and goodness as simple non natural properties Philip Stratton Lake a leading expert on Ross provides a substantial new Introduction in which he discusses the central themes of The Right and the Good and clears up some common misunderstandings A new bibliography and index are also included along with editorial notes which aim to clarify certain points and indicate where Ross later changed his mind on particular issues Intuitionism is now enjoying a considerable revival and this new edition provides the context for a proper understanding of Ross's great work **Morality and the Emotions** Carla Bagnoli, 2011-10-27 Emotions shape our mental and social lives but their relation to morality is problematic are they sources of moral knowledge or obstacles to morality Fourteen original articles by leading scholars in moral psychology and philosophy of mind explore the relation between emotions and practical rationality value autonomy and moral identity

This is likewise one of the factors by obtaining the soft documents of this **Ethical Intuitionism** by online. You might not require more get older to spend to go to the ebook instigation as competently as search for them. In some cases, you likewise realize not discover the message Ethical Intuitionism that you are looking for. It will certainly squander the time.

### **Ethical Intuitionism Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Ethical Intuitionism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Ethical Intuitionism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Ethical Intuitionism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About Ethical Intuitionism Books

**What is a Ethical Intuitionism PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Ethical Intuitionism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Ethical Intuitionism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Ethical Intuitionism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Ethical Intuitionism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password

to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
