Ethics In The Workplace Selected Readings In Business Ethics

Quigley, Marian

Ethics In The Workplace Selected Readings In Business Ethics:

Ethics in the Workplace Robert A. Larmer, 2002 This introductory textbook begins by discussing basic tenets of ethical theory and their relevance to business practices It then addresses a business particular obligations to its employees its customers and society as a whole Issues like collective bargaining sexual harassment safety inside

Ethics in the Workplace Robert A. H. Larmer, 1996 Offering more theory than other texts ETHICS IN THE WORKPLACE offers readings and more depth of coverage on topics central to studies Students learn why ethics and philosophy are relative to business through discussion of the theories as well as readings Cases are drawn from recent journal articles to pique students interest in whether what happens legally should have happened morally Study questions at the end of each section and reading test a student s knowledge of the issue and probe deeper into the ethical issues that will face them in the business world

Ethics in the Workplace, [ECH Master], 2006 [Ethics in the Workplace](#), 2012 **A Companion to Business Ethics** Robert E. Frederick, 2008-04-15 In a series of articles specifically commissioned for this volume some of today s most distinguished business ethicists survey the main areas of interest and concern in the field of business ethics Sections of the book cover topics such as the often easy relation between business ethics and capitalism the link between business ethics and ethical theory how ethics applies to specific problems in the business world the connection between business ethics and related academic disciplines and the practice of business ethics in modern corporations Includes extensive accessible discussion of all of the main areas of interest and debate in business ethics Features all original contributions by distinguished authors in business ethics Includes an annotated table of contents bibliographies of the relevant literature and a list of internet sources of material on business ethics Perfect comprehensive book for use in business ethics courses

Ethics in the Workplace Robert A. Larmer, 1996-01-01 **An Introduction to Business and Management Ethics** Mike Harrison, 2017-03-23 An Introduction to Business and Management Ethics provides an introduction to some of the major challenges facing anyone concerned with standards of behaviour in organizations It starts from a consideration of the resources provided by philosophical ethics and moves on to consider the challenges inherent in working in a competitive business environment The book gives straightforward guidance to students of business ethics and encourages the application of theory through the use of topical exercises and case studies

Research on Professional Responsibility and Ethics in Accounting Cynthia Jeffrey, 2008-12-15 High quality research and case studies that focus on the professional responsibilities of accountants and how they deal with the ethical issues they face This series features articles on a broad range of important and timely topics including professionalism social responsibility ethical judgment and accountability

Business Ethics and Diversity in the Modern Workplace Zgheib, Philippe W., 2014-11-30 Corporations have a social responsibility to assist in the overall well being of their communities through the compliance of moral business standards and practices However many societies still face serious issues related to unethical business practices Business Ethics and Diversity in the Modern Workplace

investigates the ethical frameworks within modern corporations and their impact on the communities they serve With a focus on autonomous decision making in complex quandaries this book is an all inclusive reference source for students researchers practitioners and managers who are concerned with the various ethical dilemmas within businesses as well as evaluating moral issues impacting societal welfare Professionals' Perspectives of Corporate Social Responsibility Samuel O Idowu,Walter Leal Filho,2009-10-21 Since the general acceptance of the field of corporate social responsibility worldwide corporate entities and those who act for them either as executives or ordinary employees are expected to be socially responsible Being socially responsible has a number of quantifiable and unquantifiable benefits for the entity and its stakeholders It improves the entity s bottom line results protects jobs and is also better for the environment As such it makes good sense for professionals and those that they interact with as colleagues suppliers of goods and services lenders etc to want to take the issue of CSR seriously This perhaps explains why this book has chosen to explore how 19 professions across the world have integrated and continue to impress upon their staff the importance of CSR in their operational activities We are constantly reminded that our world s natural resources are exhaustible we can therefore no longer live for today alone if we do not want to cause substantial problems for future generations **The Aesthetics and Ethics of Copying** Darren Hudson Hick,Reinold Schmücker,2016-10-20 The Aesthetics and Ethics of Copying responds to the rapidly changing attitudes towards the use of another s ideas styles and artworks With advances in technology making the copying of artworks and other artefacts exponentially easier questions of copying no longer focus on the problems of forgery they now expand into aesthetic and ethical legal concerns This volume addresses the changes and provides the first philosophical foundation for an aesthetics and ethics of copying Scholars from philosophy of art philosophy of technology philosophy of law ethics legal theory media studies art history literary theory and sociology discuss the role that copying plays in human culture confronting the question of how and why copying fits into our broader system of values Teasing out the factors and conceptual distinctions that must be accounted for in an ontology of copying they set a groundwork for understanding the nature of copies and copying showing how these interweave with ethical and legal concepts Covering unique concerns for copying in the domain of artworks from music and art to plays and literature contributors look at work by artists including Heinrich von Kleist Robert Rauschenberg Courbet and Manet and conclude with the normative dimensions of copying in the twenty first century By bringing this topic into the philosophical domain and highlighting its philosophical relevance The Aesthetics and Ethics of Copying establishes the complex conditions ontological aesthetic ethical cultural and legal that underlie and complicate the topic The result is a timely collection that establishes the need for further discussion

Encyclopedia of Information Ethics and Security Quigley, Marian,2007-05-31 Rapid technological advancement has given rise to new ethical dilemmas and security threats while the development of appropriate ethical codes and security measures fail to keep pace which makes the education of computer users and professionals crucial The Encyclopedia of Information

Ethics and Security is an original comprehensive reference source on ethical and security issues relating to the latest technologies. Covering a wide range of themes, this valuable reference tool includes topics such as computer crime, information warfare, privacy, surveillance, intellectual property, and education. This encyclopedia is a useful tool for students, academics, and professionals.

Ethics and Project Management Ralph L. Kliem, PMP, 2011-10-12. Ethics plays a critical role in project management, but all too often its importance is overlooked. This benign neglect can result in serious consequences to individuals and organizations, ranging from tarnished reputations to civil and criminal liability. Ethics and Project Management demonstrates the importance of making ethics a key consideration in managing projects and describes the impacts that occur when ethical transgressions arise. Providing the tools necessary for project managers to avoid an ethical lapse that can put themselves and their organization at risk, this volume defines ethics and places it within the project management context. It discusses the contents of the Project Management Institute's code of ethics, enables project managers to recognize the trends that precipitate ethical dilemmas on a project, demonstrates how ethical concerns permeate the entire project life cycle, provides tips on establishing a governance protocol to ensure ethical compliance, explores legal issues that arise from unethical behavior, examines how ethical concerns on a project can have global implications and how to operate in international settings with cultural differences. Each chapter ends with a Getting Started Checklist facilitating immediate application of the concepts discussed and making it easy for project managers to determine whether they are in compliance with ethical standards. Providing a solid roadmap for the ethical health of a project, this volume is essential reading for all those concerned with avoiding the disastrous consequences of a cavalier approach to ethics. Praise for the book: a great desktop reference for any project manager. It is a must-have title to complete any project management library, and I recommend it to both new and highly experienced project managers. Gregg D. Richie, PMP, MCTS, CNP, Managing Principal, P8 LLC.

Leading Responsibly in the Asian Century Mario Fernando, 2015-12-15. The book is one of the first to focus on responsible leadership in the contemporary Asian century context. It adopts a unique context-driven, social innovation-based responsible leadership approach to explain how context can impact and shape the theory and practice of responsible leadership. This unique work will strongly appeal to a broad spectrum of researchers and scholars across disciplines, with a particular interest in the interplay between leadership responsibility and ethics. As Asia's influence on the global economy continues to grow in the Asian Century, this book offers a culturally integrated view of how the shift in economic power to Asia and the rising new global economic order can influence the theory and practice of responsible leadership. The book focuses particularly on the Asian century opportunities and challenges as a strong contextual factor that shapes the responsibility of responsible leadership. The scholarly literature on the topic, the case studies developed through interviews and secondary data, and the author's corporate experiences in the Asia Pacific region in leading organizations are key sources for the book's assertions. It fills an important gap in the literature on how Asian cultural factors might influence the

predominantly Western developed responsible leadership theory and practice This book covers key topics including the moral basis for responsibility theory and practice of responsible leadership Asian challenges to responsible leadership and socially innovative responsible leadership Fernando's book provides a fresh and novel perspective on how evolutionary changes in economic power between Asia and the rest of the world undoubtedly will affect the practice of responsible leadership He examines varying views on responsible leadership across cultures demonstrating how Asian and Western leadership styles have evolved as our economy continues to become more globally integrated Prof Laura Pincus Hartman Director Susilo Institute for Ethics in the Global Economy Boston University Questrom School of Business Boston USA There is little doubt that this is the Asian Century and that economic and political influences from the east will increase But so too may cultural ethical and even religious influences It is therefore important that researchers understand these significant changes In this book Mario Fernando gives us an insight into what this means for responsible leadership It is primarily an excellent work of scholarship written for academics who teach and research in this area by someone who knows Asian business and culture from the inside But it will also reward careful study by practicing leaders and those who are the potential leaders of the future Professor of Business Ethics Geoff Moore Durham Business School Durham University UK Corporate Social Responsibility C. V. Baxi, Ajit Prasad, 2005 In the contemporary debate on the modern corporation and its impact on the economy society and nation the focus has shifted from growth with only profitability to growth with sustainable development which includes the stakeholders While there is considerable debate on the corporations obligations to civil society in the Western world in the developing countries the debate is sporadic the present publication is an effort to initiate a nationwide discourse on the concepts and practices of corporate social action in India The book is divided in two sections section one contains papers which analyze the conceptual framework of Corporate Social Responsibility The unique feature of this book is the case studies on different aspects of CSR presented in section Two The cases focus on such segments as education healthcare and environment among others It is for the first time that under the aegis of UNDP CII AICTE MDI the business schools in the country participated in preparing cases from various industries focusing on the process and decision making content implicit in the introduction implementation and evaluation of various facets of Corporate Social Responsibility The cases are illustrative and they will help in identifying further areas of research The teaching notes have been developed by the individual authors and will be available on request *People, Planet and Profit* Samuel O. Idowu, Abubakar S. Kasum, 2016-05-13 It is no longer the case that it's only society which benefits from CSR actions A corporation actually helps itself when operating sustainably and does well because of its triple bottom line actions The editors of People Planet and Profit believe that whilst Corporate Social Responsibility is by now a familiar concept to academics or practitioners insufficient attention has been paid to the end product of CSR in practice which they define in terms of social and economic developmental effect The contributions in this edited volume explain the developmental aspect of CSR from a conceptual

perspective and provide empirical evidence of the impact of CSR delivery on stakeholders in different corners of the World. The emphasis is on what corporations take from and give back to their stakeholders whilst trying to behave in a corporately responsible fashion. Stakeholders including employees, customers, host communities, governments, and NGOs have diverse interests and expectations of CSR. This gives rise to questions about whether the activities corporations support are the ones today's stakeholders need, whether the CSR programmes being delivered are adequate, and about the relationship between the corporations' view of what constitutes CSR and that of the supposed beneficiaries. This book offers thoughtful answers to these questions and assesses the outcomes of corporate activities both in developed and developing countries and regions in terms of economic progress and social and political advancement.

Excellence and Sustainability Sorab Sadri and Trilok Kumar Jain, 2015-01-16. The book is about the challenge of excellence in the present day context. The book is in sequel to excellent books written on similar subjects, particularly those of Prof. Tom Peters. Excellence is the most important issue these days, and therefore this book is a must for every corporate executive. This book is written by Prof. Sorab Sadri with over 4 decades of corporate and research experience, and Prof. Trilok Kumar Jain with over 2 decades of academic and consultative experience. Thus, this book will bridge the gap. This book will meet the requirements of corporates, academicians, and researchers.

Establishing Workplace Integrity Paul Fiorelli, 2024-04-08. Companies like Theranos, Enron, and the Bernie L. Madoff Investment Securities Company (BLMIS) crashed and burned when their founders used fraud, deceit, and corruption for short-term goals and stock price spikes. Readers will explore the pitfalls of bad ethical practices and learn how to be Values-based Leaders. The book focuses on six themes: Corporate Culture, Employee loyalty and engagement, Motivations for improper behavior, Going inside the mind of a whistleblower, The importance of compliance programs, White collar crime for individuals. It is written in a practical voice, sprinkled with pop culture references from movies, songs, and TV shows, and follows the life cycle of work, mostly from a U.S. perspective. Each lesson begins with an Executive Summary acting as a teaser outline. These are followed by chapters including historical background, cautionary tales, and applied ethical solutions. Readers will learn why good ethics is good business.

Multicultural Business Ethics and Global Managerial Moral Reasoning Kamal Dean Parhizgar, Robert Parhizgar, 2006. Multicultural business ethics is an invisible aspect of business, but understanding it in a global context is crucial for every manager who leads within a multinational organization. This makes *Multicultural Business Ethics and Global Managerial Moral Reasoning* essential reading for today's multinational business professionals. Dr. Kamal Dean Parhizgar, respected author of *Multicultural Behavior and Global Business Environments*, and co-author Robert Reza Parhizgar, bring you an informative textbook and reference source on ethics and morality in multinational business. The book also includes an instructor's manual with helpful teaching tips and overviews on chapter content, questions, and case studies used in the text. *Multicultural Business Ethics and Global Managerial Moral Reasoning* explores Managerial decision-making processes and ethical relativism. Micro-level approach to moral theories, Macro-level social approaches to

ethical theories The comparison of issues between home and host countries The paradigm of multicultural ethics and business knowledge management Moral virtues ethical values and corporate stakeholders convictions Managerial trust right and duties Ethical issues concerning economic political ideologies Major ethical and moral issues concerning Global Social Business Darwinism The main theories of justice law and social contracts between businesses and society

Environmentalism and NGO Accountability Kemi C. Yekini, Liafisu Sina Yekini, Paschal Ohalehi, 2020-11-27 It is increasingly being recognised across society that the preservation of our natural environment should shape political economic and social policies This book delves into the partnership of non governmental organisations NGOs Environmental NGOs ENGOs their communities and their governmental counterparts in responding to this need

Ethics In The Workplace Selected Readings In Business Ethics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ethics In The Workplace Selected Readings In Business Ethics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ethics In The Workplace Selected Readings In Business Ethics has opened up a world of possibilities. Downloading Ethics In The Workplace Selected Readings In Business Ethics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ethics In The Workplace Selected Readings In Business Ethics has democratized knowledge.

Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ethics In The Workplace Selected Readings In Business Ethics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ethics In The Workplace Selected Readings In Business Ethics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Ethics In The Workplace Selected Readings In Business Ethics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ethics In The Workplace Selected Readings In Business Ethics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Ethics In The Workplace Selected Readings In Business Ethics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
