Caliban's Freedom Anthony Bogues,1997-02-20 An important analysis of CLR James early political thought on Marxism and the black radical tradition **Freedom** ,1911 *Michel Foucault and the Politics of Freedom* Thomas L. Dumm,2002-04-03 What is freedom In this study Thomas Dumm challenges the conventions that have governed discussions and debates concerning modern freedom by bringing the work of Michel Foucault into dialogue with contemporary liberal thought While Foucault has been widely understood to have characterized the modern era as being opposed to the realization of freedom Dumm shows how this characterization conflates Foucault s genealogy of discipline with his overall view of the practices of being free Dumm demonstrates how Foucault s critical genealogy does not shrink from understanding the ways in which modern subjects are constrained and shaped by forces greater than themselves but how it instead works through these constraints to provide not simply a vision of liberation but a joyous wisdom concerned with showing us in his words that we are much freer than we feel Both as an introduction to Foucault and as an intervention in liberal theory Michel Foucault and the Politics of Freedom is bound to change how we think about the limits and possibilities of freedom in late modernity

Margaret Atwood's Aesthetics Dunja M. Mohr,Kirsten Sandrock,2025-03-31 Perhaps more timely than ever Margaret Atwood s Aesthetics offers novel perspectives on both contemporary and canonical topics in Margaret Atwood s work with a special focus on the intersections of literature and politics Arguably one of the most political writers of our times Atwood s oeuvre subtly and overtly entangles readers in the dialectics of personal and political power asymmetries intrinsic to her aesthetic practices The collection takes its cue from the concept of the artpolitical as coined by Crispin Sartwell whose afterword addresses Atwood s aesthetic and imaginative material world construction and
