Big Money Kenneth P Vogel, 2014-06-03 Mark Hanna the turn of the century iron and coal magnate turned operative who leveraged massive contributions from the robber barons was famously quoted as saying There are two things that are important in politics The first is money and I can't remember what the second one is To an extent that would have made Hanna blush a series of developments capped by the Supreme Court's 2010 Citizens United decision effectively crowned a bunch of billionaires and their operatives the new kings of politics *Big Money* is a rollicking tour of a new political world dramatically reordered by ever larger flows of cash Ken Vogel has breezed into secret gatherings of big spending Republicans and Democrats alike from California poolsides to DC hotel bars to brilliantly expose the way the mega money men and rather fewer women are dominating the new political landscape Great wealth seems to attach itself to outsize characters From the casino magnate Sheldon Adelson to the bubbling nouveau cowboy Foster Friess from the Texas trial lawyer couple Amber and Steve Mostyn to the micromanaging Hollywood executive Jeffrey Katzenberg the multimillionaires and billionaires are swaggering up to the tables for the hottest new game in politics The prize is American democracy and the players' checks keep getting bigger *Cincinnati Magazine*, 1986-10 *Cincinnati Magazine* taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region

determined to take back the House from an increasingly right wing Republican Party The author had an inside view of Van Hollen s 2002 victory as campaign coordinator of his precinct Gottlieb provides a detailed account of the nuts and bolts and spirit of the Van Hollen campaign and extends his analysis into 2008 the election year for which Nancy Pelosi appointed Van Hollen chief of the Democratic Congressional Campaign Committee responsible for recruiting assisting and mentoring candidates in an effort to expand the Democratic majority in the House Grassroots politics is a key to the Democrats progress whether at the congressional or presidential level Chris Van Hollen points the way to achieving new alignments that could help move the country from red to blue Including hundreds of interviews with voters activists candidates campaign staffers members of Congress pollsters journalists and scholars Red to Blue provides a nuanced understanding of America s shifting politics

The Freedom Agenda Mike Lee,2011-07-18 We hear it everyday government spending is out of control Yet despite all the rhetoric coming out of Washington about the need to cut spending we continue to go deeper and deeper into debt If we re serious about restoring America to fiscal health we must do something about government spending not just talk about it So argues U S Senator Mike Lee in his new book The Freedom Agenda Revealing how the federal government went from a limited constitutional government to the colossal spending machine it is today The Freedom Agenda clearly explains the one Supreme Court case that led to the federal government s massive overreach the need for a balanced budget amendment to repair the government s broken fiscal policies the reason returning power to the states should appeal to both conservatives and liberals the simple steps we can and must take to slash federal spending and the federal government s intrusion into our daily lives Timely and powerful The Freedom Agenda shows how to put the federal government back in its proper place and why a balanced budget amendment is the key to reigning in spending and the federal government s abuse of power

Kardes, 2015-06-16 America is at a crossroads and the road we elect to travel will either restore the spirit of America or continue to weaken our country forever Ordinary American citizens must make fundamental decisions We have been warned and though the warnings have been muted by media sources and special interest groups they are growing louder Voices of genuine concern come from within the United States and from abroad We Americans must listen to and take seriously what we are being told We need to educate ourselves about American history real unbiased history We need to know the Constitution the very cornerstone of our nation and we need to hold our politicians and government leaders accountable Americans must once again stand united to defend our beloved country and our very way of life **It Takes a Revolution** Larry Klayman Esq., 2020-10-27 With a title that satirically mocks *It Takes a Village* by Hillary Clinton *It Takes a Revolution* Forget the Scandal Industry details how our executive legislative and judicial branches of government have become thoroughly corrupt and failed the citizenry Imploring Americans to turn away from the scandal industry of the cable news networks which enrich themselves by magnifying crises if not creating mass panic to boost ratings and advertising dollars and offering false hope to lure viewers that there will be justice to remedy government corruption the author Larry Klayman both the founder of Judicial Watch and now Freedom Watch offers concrete solutions
