**French Lessons** Ellen Sussman, 2011-07-05 A single day in Paris changes the lives of three Americans as they each set off to explore the city with a French tutor learning about language love and loss as their lives intersect in surprising ways Josie Riley and Jeremy have come to the City of Light for different reasons Josie a young high school teacher arrives in hopes of healing a broken heart Riley a spirited but lonely expat housewife struggles to feel connected to her husband and her new country And Jeremy the reserved husband of a renowned actress is accompanying his wife on a film shoot yet he feels distant from her world As they meet with their tutors Josie with Nico a sensitive poet Riley with Phillippe a shameless flirt and Jeremy with the consummately beautiful Chantal each succumbs to unexpected passion and unpredictable adventures Yet as

they traverse Paris's grand boulevards and intimate winding streets they uncover surprising secrets about one another and come to understand long buried truths about themselves **BONUS** This edition includes an excerpt from Ellen Sussman's *Paradise Guest House* **The French Tutor**, 1969 *French Lessons* George East, 2007-06-01 He's back and this time it's really serious Failed rock legend pickled onion manufacturer air hostess and euro entrepreneur George East takes us through another eventful year of his doomed attempts to make a living out of living in rural France Fleeing from the Mill of the Flea with creditors in hot pursuit our hero and his long suffering wife arrive at a rambling manor house on the vast and brooding stretches of the Normandy marshlands The cunning plan is to set up a fox sanctuary chicken farm and arts crafts commune for the creatively challenged but the East's new home soon reveals its grim secrets A lifeline is offered by a stranger with a scheme to bring the delights of the Great British Pub to homesick expatriates The George Inn Sometimes will be the first of a chain of hugely successful anglo pubs stretching from Normandy to Nice and beyond At least that's the idea As the clock ticks towards opening time and final financial meltdown for the ultimate innocent abroad we encounter another host of improbable and frankly sometimes unbelievable characters and situations The amazing thing is that any of it is true Will George find fame fortune and contentment or has this modern Micawber taken his final drink in the Last Chance Saloon
