### American Women (2022–2025)

The Circulating Collectible Coin Redesign Act of 2020, signed into law January 13, 2021, brought wide-ranging changes involving all of America's circulating coins. In particular, it scheduled the quarter dollar as the venue for several new educational coin programs, including the American Women Quarters program.

From 2022 to 2025, the quarter commemorates prominent American women and the ratification of the Nineteenth Amendment granting women the right to vote. Five coins are being issued per year, each featuring a new reverse design honoring a woman selected from fields and accomplishments such as "suffrage, civil rights, abolition, government, humanities, science, space, and arts."

Common obverse design by Laura Gardin Fraser.
