California** Kenneth P. Miller,2020 Texas and California are the leaders of Red and Blue America As the nation has polarized its most populous and economically powerful states have taken charge of the opposing camps These states now advance sharply contrasting political and policy agendas and view themselves as competitors for control of the nation s future Kenneth P Miller provides a detailed account of the rivalry s emergence present state and possible future First he explores why despite their many similarities the two states have become so deeply divided As he shows they experienced critical differences in their origins and in their later demographic economic cultural and political development Second he describes how Texas and California have constructed opposing comprehensive policy models one conservative the other progressive Miller highlights the states contrasting policies in five areas tax labor energy and environment poverty and social issues and also shows how Texas and California have led the red

and blue state blocs in seeking to influence federal policy in these areas The book concludes by assessing two models strengths vulnerabilities and future prospects The rivalry between the two states will likely continue for the foreseeable future because California will surely stay blue and Texas will likely remain red The challenge for the two states and for the nation as a whole is to view the competition in a positive light and turn it to productive ends Exploring one of the primary rifts in American politics Texas vs California sheds light on virtually every aspect of the country's political system     **The Rough Guide to Cyprus** Marc Dubin,2009-02-02 The Rough Guide to Cyprus in epub format explores every corner of this Mediterranean paradise from the fine sandy beaches and wooded hillsides to the ancient churches and buzzing bars The guide is fully up dated taking in the island's entry into the EU with new sections offering a guide to Cyprus's hearty traditional cuisine and its rich artistic and religious architecture breathtaking Ottoman mosques Byzantine churches and gothic cathedrals The introduction covers what not to miss and is illustrated with stunning photography showcasing Cyprus's dramatic natural beauty There are dozens of reviews from the best restaurants nightlife and hotels in Cyprus to the top shopping spots entertainment and outdoor activities as well as all the essential information you need for the trip of a lifetime The Rough Guide to Cyprus is the essential guidebook to this divided island covering both North and South with an insider's eye Make the most of your time with The Rough Guide to Cyprus     **Democratization** Tatu Vanhanen,2004-02-24 This book examines the relationship between indicators of resource distribution and democratization in the group of 170 countries with data ranging from the 1850s to the present day Vanhanen constructs a compelling argument concluding that the emergence of democracy is closely linked to resource distribution     *Students Atlas of American Presidential Elections* Fred Israel,1997-06-24 Tells the story of each of the fifty three presidential elections from 1789 to 1996 examining the social economic and political development of the United States
