Using Human Rights to Counter Terrorism Manfred Nowak,2018-03-30 While providing a substantive legal analysis of the links between human rights and counter terrorism this book provides the tools to successfully argue that a human rights approach does not undermine the fight against terrorism Through practical examples it shows that a State s lack of respect for human rights hinders its fight against terrorism and can be counter productive The contributing experts represent a wide breadth of experience at the national and international levels and bring their unique approach to each cross cutting topic

Handbook of Intellectual Property Research Irene Calboli,Maria Lilla Montagnani,2021-05-20 The relevance of intellectual property law has increased dramatically over the last several years Globalization digitization and the rise of post industrial information based industries have all contributed to a new prominence of IP law as one of the most important factors in driving innovation and economic development At the same time the significant expansion of IP rules has impacted many areas of public policy such as public health the environment biodiversity agriculture and information in an unprecedented manner The growing importance of IP law has led to an exponential growth of academic research in this area This book offers a comprehensive overview of the methods and approaches that could be used as guidelines to address and develop scholarly research questions related to intellectual property law In particular this volume aims to provide a useful resource that can be used by IP researchers who are

interested in expanding their expertise in a specific research method or seek to acquire an understanding of alternative lenses that could be applied to their research This edited collection is one of the largest compilations to date of existing methods and approaches from different lenses perspectives and experiences from a diverse group of scholars who derive from a wide range of countries backgrounds and legal traditions This diversity both regarding the topics and the authors of the contributions is a fundamental feature of this collection which seeks to assist IP researchers across many countries in the developing and developed world This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is offered as a free PDF download from OUP and selected open access locations Less-Lethal Weapons under International Law Elisabeth Hoffberger-Pippan,2021-08-26 The first monograph analysing all legal regimes applicable to the use of less lethal weapons *Cross-Cultural Management* David C. Thomas,Mark F. Peterson,2016-12-30 Cross Cultural Management Essential Concepts Fourth Edition introduces readers to the fundamentals of cross cultural management by exploring the influence of culture on interpersonal interactions in organizational settings and examining the ever increasing number of cross cultural management challenges that global managers face in today s workplace Instead of taking a country specific approach authors David C Thomas and Mark F Peterson offer a predominantly psychological perspective focusing on the interactions of people from different cultures in organizational settings This approach shows readers the effects culture has on a wide variety of cross cultural interactions across organizational contexts
