Guild The Designers Reference Of Artists:

The Denver Artists Guild Stan Cuba, 2015-05-06 In 1928 the newly organized Denver Artists Guild held its inaugural exhibition in downtown Denver Little did the participants realize that their initial effort would survive the Great Depression and World War II and then outlive all of the group's fifty two charter members The guild's founders worked in many media and pursued a variety of styles In addition to the oils and watercolors one would expect were masterful pastels by Elsie Haddon Haynes photographs by Laura Gilpin sculpture by Gladys Caldwell Fisher and Arnold Ronnebeck ceramics by Anne Van Briggles Ritter and Paul St Gaudens and collages by Pansy Stockton Styles included realism impressionism regionalism surrealism and abstraction Murals by Allen True Vance Kirkland John E Thompson Louise Ronnebeck and others graced public and private buildings secular and religious in Colorado and throughout the United States The guild's artists didn't just contribute to the fine and decorative arts of Colorado they enhanced the national reputation of the state Then in 1948 the Denver Artists Guild became the stage for a great public debate pitting traditional against modern The twenty year old guild split apart as modernists bolted to form their own group the Fifteen Colorado Artists It was a seminal moment some of guild's artists became great modernists while others remained great traditionalists Enhanced by period photographs and reproductions of the founding members works The Denver Artists Guild chronicles a vibrant yet overlooked chapter of Colorado's cultural history The book includes a walking tour of guild members paintings and sculptures viewable in Denver and elsewhere in Colorado by Leah Naess and author Stan Cuba

"Architecture, Design and Craft in Toronto 1900-1940" Alla Myzelev, 2017-07-05 Toronto the largest and one of the most multicultural cities in Canada boasts an equally interesting and diverse architectural heritage Architecture Design and Craft in Toronto 1900 1940 tells a story of the significant changes in domestic life in the first 40 years of the twentieth century Adopting a multidisciplinary approach to studies of residential spaces the author examines how questions of modernity and modern living influenced not only architectural designs but also interior furnishings modes of transportation and ways to spend leisure time The book discusses several case studies some of which are known both locally and internationally for example Casa Loma while others such as Guild of All Arts or Sherwood have been virtually unstudied by historians of visual culture The overall goal of the book is to put Toronto on the map of scholars of urban design and architecture and to uncover previously unknown histories of design craft and domesticity in Toronto This study will be of interest not only to the academic community namely architects designers craftspeople and scholars of these disciplines along with social historians but also the general public interested in local history and or visual culture

Board of education,1926 *Costume, Makeup, and Hair* Adrienne L. McLean,2016-10-07 Movie buffs and film scholars alike often overlook the importance of makeup artists hair stylists and costumers With precious few but notable exceptions creative workers in these fields have received little public recognition even when their artistry goes on to inspire worldwide fashion trends From the acclaimed Behind the Silver Screen series Costume Makeup and Hair charts the development of these three crafts in the American film industry from the 1890s to the present Each chapter examines a different era in film history revealing how the arts of cinematic costume makeup and hair have continually adapted to new conditions making the transitions from stage to screen from monochrome to color and from analog to digital Together the book s contributors give us a remarkable glimpse into how these crafts foster creative collaboration and improvisation often fashioning striking looks and ingenious effects out of limited materials Costume Makeup and Hair not only considers these crafts in relation to a wide range of film genres from sci fi spectacles to period dramas but also examines the role they have played in the larger marketplace for fashion and beauty products Drawing on rare archival materials and lavish color illustrations this volume provides readers with both a groundbreaking history of film industry labor and an appreciation of cinematic costume makeup
