Guns Of Arizona:

Arizona Guns William MacLeod Raine, 2018-02-22 You're on your way to HELL The outlaw Roush brothers whirled from the bar at the sound of the harsh voice What they saw was a kid not yet eighteen but what a kid He was Jimmy Clanton a tough rawhider who had notched his first killing two years before What do you want with us growled Dave Roush His brother Hugh moved slowly along the bar The kid hands propped on his hips watched quietly I'm here to settle for what you two did to my sister he said finally The Roush brothers exchanged glances Then their hands dropped to their black 44s and gun thunder churned savagely through the saloon

Stoeve, 2019-02-26 A look at gun control campus sexual assault immigration and more that considers the future of responses to domestic violence Domestic violence is commonly assumed to be a bipartisan nonpolitical issue with politicians of all stripes claiming to work to end family violence Nevertheless the Violence Against Women Act expired for over 500 days between 2012 and 2013 due to differences between the U S Senate and House demonstrating that legal protections for domestic abuse survivors are both highly political and highly vulnerable Racial and gender politics the move toward criminalization reproductive justice concerns gun control debates and political interests are increasingly shaping responses to domestic violence demonstrating the need for greater consideration of the interplay of politics domestic violence and how the law works in people s lives The Politicization of Safety provides a critical historical perspective on domestic violence responses in the United States It grapples with the ways in which child welfare systems and civil and criminal justice responses intersect and considers the different overlapping ways in which survivors of domestic abuse are forced to cope with institutionalized discrimination based on race gender sexual orientation and immigration status The book also examines movement politics and the feminist movement with respect to domestic violence policies The tensions discussed in this book similar to those involved in the metoo movement include questions of accountability reckoning redemption healing and forgiveness What is the future of feminism and the movements against gender based violence and domestic violence Readers are invited to question assumptions about how society and the legal system respond to intimate partner violence and to challenge the domestic violence field to move beyond old paradigms and contend with larger justice issues
