## **Enlarged Devils Dictionary The:**

The Enlarged Devil's Dictionary Ambrose Bierce, 2001 The Devil's Dictionary begun as a weekly column when Bierce was a journalist and developed into a full scale satire is as he says a punishment for rascals Bierce became known as the laughing devil of the San Francisco news media and his lampoons on religion marriage politics and society made him both the literary delight and the dreaded scourge of the whole Pacific coast Written with wit rather than humour to be savoured by those enlightened souls who prefer dry wines to sweet sense to sentiment The Enlarged Devil's Dictionary demonstrates that if Mark Twain was the great satirist of Southern life Ambrose Bierce was his equal in the West **The Devil's Dictionary**

Ambrose Bierce, 2016-01-08 AUTHOR'S PREFACE The Devil's Dictionary was begun in a weekly paper in 1881 and was continued in a desultory way at long intervals until 1906 In that year a large part of it was published in covers with the title The Cynic's Word Book a name which the author had not the power to reject or happiness to approve To quote the publishers of the present work This more reverent title had previously been forced upon him by the religious scruples of the last newspaper in which a part of the work had appeared with the natural consequence that when it came out in covers the country already had been flooded by its imitators with a score of cynic books The Cynic's This The Cynic's That and The Cynic's t Other Most of these books were merely stupid though some of them added the distinction of silliness Among them they brought the word cynic into disfavor so deep that any book bearing it was discredited in advance of publication The Enlarged Devil's Dictionary Ambrose Bierce, 1967 The Devil's Dictionary Ambrose Bierce, 2022-04-22 Ambrose Bierce wrote a satirical dictionary titled The Devil's Dictionary The lexicon was first written over a period of thirty years as a collection of articles for magazines and newspapers It has gained a name all across the world by being frequently repeated and imitated It was listed among the top 100 works of American literature in the 1970s The English Language his dictionary was released on April 15th 1755 42 733 terms were defined in Johnson's Dictionary almost all seriously The alphabetical list of definitions that we have here was put together from several notes copies and variations The first definition attributed to Ambrose Bierce was released in 1867 His satirical dictionary The Demon's Dictionary was only published once but it inspired imitators Harry Ellington Brook wrote one of the most significant ones for The Illustrated San Francisco Wasp In The Wasp Paul Bierce's satirical definitions took the place of Wasp's Improved Webster and were replaced with his own He penned 79 articles for The Devil's Dictionary making his way through the alphabet to the word lickspittle in the 14 August 1886 edition

*The Unabridged Devil's Dictionary* Ambrose Bierce, 2010-09-15 If we could only put aside our civil pose and say what we really thought the world would be a lot like the one alluded to in The Unabridged Devil's Dictionary There a bore is a person who talks when you wish him to listen and happiness is an agreeable sensation arising from contemplating the misery of another This is the most comprehensive authoritative edition ever of Ambrose Bierce's satiric masterpiece It renders obsolete all other versions that have appeared in the book's ninety year history A virtual onslaught of acerbic confrontational

wordplay The Unabridged Devil's Dictionary offers some 1 600 wickedly clever definitions to the vocabulary of everyday life Little is sacred and few are safe for Bierce targets just about any pursuit from matrimony to immortality that allows our willful failings and excesses to shine forth This new edition is based on David E Schultz and S T Joshi's exhaustive investigation into the book's writing and publishing history All of Bierce's known satiric definitions are here including previously uncollected unpublished and alternative entries Definitions dropped from previous editions have been restored while nearly two hundred wrongly attributed to Bierce have been excised For dedicated Bierce readers an introduction and notes are also included Ambrose Bierce's Devil's Dictionary is a classic that stands alongside the best work of satirists such as Twain Mencken and Thurber This unabridged edition will be celebrated by humor fans and word lovers everywhere
