Carol Stevens

Enserfment And Military Change In Muscovy:

Enserfment and Military Change in Muscovy Richard Hellie, 1971

The Military and Society in Russia, 1450-1917

Eric Lohr, Marshall Poe, 2002-11-01 This book explores the interaction of the Russian military and society in the early modern and modern period In contrast to straightforward military histories the volume is concerned with the myriad political economic and cultural currents that shaped the Russian armed forces from their beginnings in Muscovite times to the end of World War I The book begins with an attempt by the editors to provide a large frame in which to place the various contributions What follows are three topical sections including 22 detailed often archival based monographic articles The first section concerns The Military and Society in Muscovy the second section focuses on The Military and Society in Imperial Russia The third part analyzes Patriotism Nationality Religion and the Military

The Military Revolution and Political Change Brian Downing, 2020-12-08 To examine the long run origins of democracy and dictatorship Brian Downing focuses on the importance of medieval political configurations and of military modernization in the early modern period He maintains that in late medieval times an array of constitutional arrangements distinguished Western Europe from other parts of the world and predisposed it toward liberal democracy He then looks at how medieval constitutionalism was affected by the military revolution of the early modern era the shift from small decentralized feudal levies to large standing armies Downing won the American Political Science Association's Gabriel Almond Award for the dissertation on which this book was based

Firearms Kenneth Warren Chase, 2003-07-07 This book is a history of firearms across the world from the 1100s up to the 1700s from the time of their invention in China to the time when European firearms had become clearly superior It asks why it was the Europeans who perfected firearms when it was the Chinese who had invented them but it answers this question by looking at how firearms were used throughout the world

Unfree Labor Peter KOLCHIN, 2009-06-30 Two massive systems of unfree labor arose a world apart from each other in the late sixteenth and early seventeenth centuries The American enslavement of blacks and the Russian subjection of serfs flourished in different ways and varying degrees until they were legally abolished in the mid nineteenth century Historian Peter Kolchin compares and contrasts the two systems over time in this magisterial book which clarifies the organization structure and dynamics of both social entities highlighting their basic similarities while pointing out important differences discernible only in comparative perspective These differences involved both the masters and the bondsmen The independence and resident mentality of American slaveholders facilitated the emergence of a vigorous crusade to defend slavery from outside attack whereas an absentee orientation and dependence on the central government rendered serfholders unable successfully to defend serfdom Russian serfs who generally lived on larger holdings than American slaves and faced less immediate interference in their everyday lives found it easier to assert their communal autonomy but showed relatively little solidarity with peasants outside their own villages American slaves by contrast were both more individualistic and more able to identify with all other blacks both slave and free Kolchin has

discovered apparently universal features in master bondsman relations a central focus of his study but he also shows their basic differences as he compares slave and serf life and chronicles patterns of resistance If the masters had the upper hand the slaves and serfs played major roles in shaping and setting limits to their own bondage This truly unprecedented comparative work will fascinate historians sociologists and all social scientists particularly those with an interest in comparative history and studies in slavery

Russia's Wars of Emergence 1460-1730 Carol Stevens,2013-09-13 Russia's emergence as a Great Power in the eighteenth century is usually attributed to Peter I's radical programme of Westernising reforms But the Russian military did not simply copy European armies Adapting the tactics of its neighbours on both sides Russia created a powerful strategy of its own integrating steppe defence with European concerns In Russia's Wars of Emergence Carol Belkin Stevens examines the social and political factors underpinning Muscovite military history the eventual success of the Russian Empire and the sacrifices made for power

Warfare in Europe 1650-1792 Jeremy Black,2017-11-22 Scholars have tended to underrate the importance of war in the period 1650-1792 as there is a feeling that periods before and after were more consequential for military development This collection of essays sets out to address this problem probing the nature of warfare throughout Europe from the middle of the seventeenth century to the end of the eighteenth

Warfare in Eastern Europe, 1500-1800,2012-01-06 This volume examines continuities and new developments in the conduct of warfare in early modern Eastern Europe from the early sixteenth century when Ottoman imperial expansion reached the Danube and Crimea to the late eighteenth century when the Polish-Lithuanian Commonwealth was partitioned out of existence and Russia rolled back Ottoman power from Ukraine and Moldavia Contributors include specialists in Russian Polish Ottoman Habsburg Cossack and Crimean Tatar history The essays engage military history understood in the broadest sense and treat such subjects as taxation recruitment the sociology and culture of officer corps logistics command and control and ideology as well as technology and tactics The volume aims at facilitating comparative study of Eastern European military development across Eastern Europe and its points of divergence from military practice in the West Contributors are Virginia H Aksan Brian J Boeck Peter B Brown Brian Davies Dariusz Kupisz Erik Lund Janet Martin Oleg Nozdrin Victor Ostapchuk Geza Palffy and Carol Belkin Stevens

The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917 Maureen Perrie,D. C. B. Lieven,Ronald Grigor Suny,2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union

Russia as a Developing Society Teodor Shanin,2016-01-09

The Making of Russian Absolutism 1613-1801 Paul Dukes,2014-01-14 Revised and expanded the second edition of this fascinating study surveys the first two centuries of Romanov rule from the foundation of the dynasty by Michael Romanov in 1613 to the accession of Alexander I in 1801 The central theme of the book is the growth of absolutism in Russia throughout these years and it traces in detail how the Russian variety of what was a contemporary European phenomenon came fully into being

Russia at War Timothy C. Dowling,2014-12-02 This easy to use reference explores the people and events that

shaped Russian military history and impacted Europe Asia and the world over the past eight centuries Russian military history is an often overlooked field Yet Russia is and has long been an important player in global politics and its military exploits have been central to its role on the world stage This study of Russia s military past provides insights into European and U S history including the conduct of the two World Wars and the Cold War and will help readers better appreciate the current geopolitical situation This work covers major events and figures in Russian military history from the end of Mongol domination in the 14th century to the present day More than 650 entries by scores of expert contributors detail events individuals organizations and ideas that have influenced Russian warfare over 800 years Two alphabetically arranged volumes explore such conflicts as the Russo Polish Wars the Great Northern War the Russo Turkish Wars the Napoleonic Wars the Crimean War the Russo Japanese War World War I World War II and the Cold War including the Soviet invasion of Afghanistan Cross references and further readings in each entry serve as jumping off points for further exploration

Russia Gregory L. Freeze,2009 Drawing on recently de classified material the contributors strip away the propaganda and preconceptions of the past to present an absorbing account of the rise and fall of a superpower from the 14th century to the 1990s *Lineages of the Absolutist State* Perry Anderson,2013-03-12 The political nature of Absolutism has long been a subject of controversy within historical materialism Developing considerations advanced in *Passages from Antiquity to Feudalism* this book situates the Absolutist states of the early modern epoch against the prior background of European feudalism It is divided into two parts The first discusses the overall structures of Absolutism as a state system in Western Europe from the Renaissance onwards It then looks in turn at the trajectory of each of the specific Absolutist states in the dominant countries of the West Spain France England and Sweden set off against the case of Italy where no major indigenous Absolutism developed The second part of the work sketches a comparative prospect of Absolutism in Eastern Europe The peculiarities as well as affinities of Eastern Absolutism as a distinct type of royal state are examined The variegated monarchies of Prussia Austria and Russia are surveyed and the lessons asked of the counter example of Poland Finally the structure of the Ottoman Empire in the Balkans is taken as an external gauge by which the singularity of Absolutism as a European phenomenon is assessed The work ends with some observations on the special position occupied by European development within universal history which draws themes from both *Passages from Antiquity to Feudalism* and *Lineages of the Absolutist State* together into a single argument within their common limits as materials for debate

Events That Formed the Modern World Frank W. Thackeray,John E. Findling,2012-05-31 This comprehensive five volume set contains readable essays that describe and interpret the most important global events since the European Renaissance some accompanied by related document excerpts and primary source materials What were the effects of the Age of Exploration on today s ethnic groups and social structure How did the development of moveable type pave the way for Facebook and Twitter Why is the Reformation so critical for understanding today s religious controversies This set will help

readers answer these questions by exploring the most significant historical events of the modern world This five volume set covers times from the Renaissance to the present Each volume focuses on a specific historic period and examines 12 events within those time frames that changed the world Each entry provides an introduction that lays out factual material in a chronological manner an in depth essay interpreting the event s significance and an annotated bibliography of the most important current works on the topic Select entries are followed by primary sources pertaining to the event under consideration such as diary entries Targeted to both general readers as well as entry level university students this book also directly supports high school and undergraduate curricula allowing students to identify and contextualize events in order to think critically about their causes aftermath and legacy

After Oriental Despotism Alessandro Stanziani, 2014-07-31 The concepts of economic backwardness Asiatic despotism and orientalism have strongly influenced perceptions of modernization democracy and economic growth over the last three centuries This book provides an original view of Russian and Asian history that views both in a global perspective Via this analysis Alessandro Stanziani opens new dimensions in the study of state formation the global slave trade warfare and European and Asian growth After Oriental Despotism questions conventional oppositions between Europe and Asia By revisiting the history of Eurasia in this context the book offers a serious challenge to existing ideas about the aims and goals of economic growth

Citizenship and Identity in a Multinational Commonwealth Karin Friedrich, Barbara M. Pendzich, 2009 This work is an attempt to change thinking not only on the political practice and the role of the Polish Lithuanian Commonwealth in a European context both East and West but to also connect the early modern past with present notions of citizenship and participatory political systems

Crime and Punishment in Early Modern Russia Nancy Kollmann, 2012-10-11 A magisterial account of criminal law in early modern Russia in a wider European and Eurasian context

A History of Russia, Central Asia and Mongolia, Volume II David Christian, 2018-01-08 Provides an all encompassing look at the history of Russia Central Asia and Mongolia Beginning with the breakup of the Mongol Empire in the mid thirteenth century Volume II of this comprehensive work covers the remarkable history of Inner Eurasia from 1260 up to modern times completing the story begun in Volume I Volume II describes how agriculture spread through Inner Eurasia providing the foundations for new agricultural states including the Russian Empire It focuses on the idea of mobilization the distinctive ways in which elite groups mobilized resources from their populations and how those methods were shaped by the region s distinctive ecology which differed greatly from that of Outer Eurasia the southern half of Eurasia and the part of Eurasia most studied by historians This work also examines how fossil fuels created a bonanza of energy that helped shape the history of the Communist world during much of the twentieth century Filled with figures maps and tables to help give readers a fuller understanding of what has transpired over 750 years in this distinctive world region A History of Russia Central Asia and Mongolia Volume II Inner Eurasia from the Mongol Empire to Today 1260 2000 is a magisterial but accessible account of this area s past that will offer readers new insights into the history of an often

misunderstood part of the world Situates the histories of Russia Central Asia and Mongolia within the larger narrative of world history Concentrates on the idea of Inner Eurasia as a coherent ecological and geographical zone Focuses on the powerful ways in which the region's geography shaped its history Places great emphasis on how mobilization played a major part in the development of the regions Offers a distinctive interpretation of modernity that highlights the importance of fossil fuels Offers new ways of understanding the Soviet era A History of Russia Central Asia and Mongolia Volume II is an ideal book for general audiences and for use in undergraduate and graduate courses in world history The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production Purity and Compromise in the Soviet Party-State Daniel Stotland, 2017-11-15 This work offers new ways of conceptualizing the decision making paradigm of the Soviet party state that was defined by the persistent shortage of qualified manpower that afflicted the Russian elite The traditional Russian problems of under administration combined with the unique features of the Soviet political system resulted in a dichotomy between practical and ideological demands The WWII era examined in this book provides a microcosm of pressures facing the Kremlin and illustrates the cyclical nature of policy formation forced on it by the paradoxes of the system As the party's responsibilities expanded into specialized economic and military areas political experts increasingly depended on the specialized professionals These trends grew increased drastically during the war An unexpected consequence of the party's expansion into economic or military professions was the discovery that cooptation worked both ways and many party members become managers rather than ideological overseers Throughout the existential crisis of the system the war and its aftermath the party would find itself in a fundamental conflict over its identity challenged over its role both vis a vis the state and its own priorities After an abortive attempt to reverse the wartime trends a new paradigm was articulated by the party during the last five years of Stalin's reign This resulted in the emergence of a new elite consensus which envisioned the party as integral and invasive economic actor This shift in the party's identity was the price of maintaining centralized political power and came at the expense of the focus on ideological purity In the long term however the diminished role of ideology robbed the party of its core value system and steadily eroded its legitimizing and self energizing power Over time the new consensus would undermine the very foundations of the party state construct Yet if the USSR was to survive as a modern industrialized state the accommodation with the technocrats was necessary The

contradiction between ideological and pragmatic aims was inherent to the system and demanded an eventual choice between the long term health of the state and that of the party

Enserfment And Military Change In Muscovy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Enserfment And Military Change In Muscovy PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Enserfment And Military Change In Muscovy PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of Enserfment And Military Change In Muscovy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Enserfment And Military Change In Muscovy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Enserfment And Military Change In Muscovy is one of the best book in our library for free trial. We provide copy of Enserfment And Military Change In Muscovy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Enserfment And Military Change In Muscovy. Where to download Enserfment And Military Change In Muscovy online for free? Are you looking for Enserfment And Military Change In Muscovy PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Enserfment And Military Change In Muscovy. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Enserfment And Military Change In Muscovy are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots

of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Enserfment And Military Change In Muscovy. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book?
