Enterprise And Inclusion In Italy:

Enterprise and Inclusion in Italy Edmund S. Phelps, 2012-12-06 In Enterprise and Inclusion in Italy Edmund Phelps weaves together and applies to Italy his two principal interests of the past decade the imperative of restoring initiative enterprise and dynamism in a great many industrialized economies most acutely needed in the eastern European economies amid the wreckage of their experiments with market socialism and communism and the imperative of extending self support and involvement in the business sector to the large number of marginalized workers where his focus was on the high rates of dependency idleness and crime among less educated in the United States Diversity and Inclusion in Italy Simone Pulcher, Stefano Basaglia, Simona Cuomo, Zenia Simonella, 2025-05-05 History geography culture and the legal framework influence the dynamics of inclusion and exclusion in and around organisations Yet most academics and practitioners still approach themes of diversity in organisations relying on standardised discourses and practices often transferred uncritically from the Anglo Saxon context Adopting a contextual approach that takes into account the specificities of the Italian context this book explores a wide array of themes related to diversity and inclusion in organisations and society Focusing on the Italian context the book offers new insights into themes already well established in the diversity debate such as gender age and disability It also provides an opportunity to reflect on categories organisational forms and stakeholders rarely associated with diversity such as social class family businesses and trade unions but also to consider the role of technology and the arts as tools for both inclusion and exclusion The contributions draw on different disciplines and perspectives and provide insights relevant not only with respect to Italy but also to other national and international contexts This volume is aimed at both researchers and practitioners who wish to develop a more nuanced and mature understanding of diversity in organisations and society *Forms of Enterprise in 20th Century Italy* Andrea Colli, Michelangelo Vasta, 2010-01-01 This book provides a wide ranging analysis of change in size and nature of Italian firms and thus a unique and fascinating perspective on the evolution of one of the major industrial economies of the 20th century An example of business history as it ought to be done Giovanni Federico European University Institute Italy This book is necessary reading for a real understanding of the evolution of Italian capitalism during the last century It moves away from a simplified view of the Italian industrial structure as just composed by small enterprises and successfully sheds light on the variety of different forms of enterprises the compose Italian system The lively picture that emerges from this book is the one of richer types of enterprises which have evolved over time and have contributed in different ways to Italian economic growth Franco Malerba Bocconi University Italy Taking an historical perspective this unique book highlights the evolution of the many diverse forms of business enterprise and discusses the contribution of these different types of firm to the economic growth of Italy One important issue that has recently captured the attention and the research efforts of both economists and economic historians has been the debate on varieties of capitalism in the modern world In this context the expert contributors analyze the various

stages of Italian development that have been characterized by diverse dominating forms of enterprise which in turn have adapted to the nature of technological and market opportunities at the institutional national and international level This book proposes a new interpretation of the Italian case that utilizes both the structural and macroeconomic perspective of comparative history as well as the microeconomic perspectives focusing on the strategies of different economic agents Based on solid quantitative evidence this original work will prove to be a valuable resource for academics and students of strategy and organization economic historians and applied economists

Yearning for Inclusive Growth and Development, Good Jobs and Sustainability Luigi Paganetto, 2019-10-11 This book addresses topics and issues of high relevance to the widely shared desire to promote inclusive growth sustainability and innovation within a context of global governance It is based on the XXXth Villa Mondragone International Economic Seminar where leading experts met to discuss the latest research and thinking on different aspects of globalization trade inequalities growth imbalances green technologies the labor market and financial systems The aim is to stimulate new responses and possible solutions to a variety of well recognized problems including low growth in real wages stagnating productivity and growing disparities in income Some of these problems are especially evident in Europe where austerity policies have failed to deliver adequate growth and investment However while a number of the contributions focus on aspects of particular importance to Europe others look further afield for example to the scope for innovation in Africa and to experiences with quantitative easing in Japan The book will be of wide interest to academics researchers policy makers and practitioners

Cooperative Enterprises in Australia and Italy Anthony Jensen, Greg Patmore, Ermanno Tortia, 2015-12-18 This book arises from a three year comparative research program concerning co operative enterprises in Australia and Italy The book explores the historical development legal framework and the peak organisations of co operatives in the two countries Specific comparative chapters focus on consumer credit and worker producer co operatives The book deepens the analysis of co operatives by containing chapters that examine specific theoretical and empirical issues such as the theory of co operative firms as collective entrepreneurial action Monographic chapters include more in depth analysis of specific typologies of co operatives such as social and community oriented co operatives some of which were created to contrast organized crime in Southern Italy The book concludes with an assessment of the implications of the project for public policy

OECD Skills Studies Supporting Entrepreneurship and Innovation in Higher Education in Italy OECD, European Union, 2019-12-05 This review illustrates policy actions promoting the entrepreneurial and innovative activities in the Italian Higher Education System and focuses on 11 case study universities It discusses strategies and practices adopted by Italian higher education institutions to innovate engage and generate value for the society and the economy This review is part of a series of national reports implementing the HEinnovate framework HEinnovate is a guiding framework that the OECD and the European Commission have developed to promote the entrepreneurial and innovation agenda in higher education

Proceedings of The 7th International

Conference on Gender Research Ana Isabel Azevedo, The International Conference on Gender Research ICGR is a well established academic conference that has been held annually for seven years bringing together scholars practitioners and researchers from around the world to explore diverse issues related to gender This conference provides a multidisciplinary platform where participants are encouraged to engage in discussions and present research findings on various aspects of gender studies The diversity of the research discussed and the participants involved in the event is an important reflection on how Gender Studies impact all corners of life The International Conference on Gender Research has developed into a comprehensive forum that addresses a wide range of topics related to gender making it a key event for those engaged in gender studies and related fields The published conference proceedings from these events serve as a valuable resource for ongoing research and scholarship in the area of gender research The Proceedings of the 8th International Conference on Gender Research 2025 includes Academic research papers PhD research papers Masters and work in progress papers which have been presented and discussed at the ICGR conference The proceedings are of an academic level appropriate to a professional research audience including graduates postgraduates doctoral and post doctoral researchers All papers have been double blind peer reviewed by members of the Review Committee

OECD Studies on SMEs and

Entrepreneurship Italy: Key Issues and Policies OECD,2014-11-18 This review underlines some important points of strength with respect to Italian SMEs and entrepreneurship notably for medium sized firms that very often excel in their market niches have a strong propensity to business collaboration as well as favourable access to finance

Social Entrepreneurship and Migrants' Inclusion Stefano Bianchini,Federica Bandini,Daniela Bolzani,2024-05-31 This book offers theoretical and empirical contributions on the approaches policies practices concerning the inclusion of migrants through social entrepreneurship Grounded in a multi disciplinary approach and with a special focus on the Adriatic Ionian region the book offers a debate on the antecedents processes and outcomes of social entrepreneurship and migrants inclusion describing some innovative initiatives and their potential transferability in other contexts The Adriatic Ionian macro region represents an interesting yet overlooked area of research characterized by evolving migration and inclusion policies together with specific legislation and reforms for social entrepreneurship The migration dynamics along the so called Balkan Route confer to this macro region strong political relevance in the field of security and migration management Contributing to the targets of SDG 8 the book contextualizes the opportunities offered by social entrepreneurship as a form of decent work for migrants and of potential growth driver for local and international territories

Entrepreneurship Networks in Italy

Antonia Rosa Gurrieri,Marilene Lorizio,Annamaria Stramaglia,2013-11-22 In light of the recent dynamics of the recession sparked by the global economic crisis a roadmap for the growth and recovery of national economies is urgently needed As such this book focuses on the potential offered not only by the manufacturing sector but also by the agricultural and tertiary sectors In fact during the crisis these sectors demonstrated remarkable resilience in the Italian economy and there have even

been positive trends in specific segments This book points out how an exit strategy could be applied that involves all economic sectors and which can be replicated in various national economies *The Missing Entrepreneurs 2014 Policies for Inclusive Entrepreneurship in Europe* OECD,European Union,2014-12-01 The Missing Entrepreneurs 2014 is the second edition in a series of annual reports that provide data and policy analysis on inclusive entrepreneurship and on its barriers by target social groups across the European Union

Social Enterprise Simon Denny,Frederick Seddon,2013-08-15 Social enterprise has become a much discussed term in recent years often in conjunction with the public sector the idea that entrepreneurship might somehow step in and save the public purse has taken hold in a number of areas This book introduces and explains the terminology surrounding social enterprise and brings much needed rigour to proceedings by demonstrating how this can be measured evaluated and held accountable A range of validated evaluation measures tools and techniques such as SROI the Outcomes Star and randomised control trials are presented in individual research projects conducted by an exciting and eclectic mix of international authors who are recognised experts in the field of social enterprise Wrapping up with the ground breaking use of a General Self Efficacy scale a reflective critique of social finance and a challenge to the actual concept of social enterprise the book discusses the potential disadvantages that can arise from the commodification of social enterprise activities resulting in a fascinating summary of current thinking surrounding this topic

Italy Investment, Trade Laws and Regulations Handbook Volume 1 Strategic Information and Basic Laws IBP USA,2013-08 2011 Updated Reprint Updated Annually Italy Investment and Trade Laws and Regulations Handbook *Local Economic and Employment Development (LEED) Boosting Social Enterprise Development Good Practice Compendium* OECD,European Union,2017-04-21 Social enterprises are long standing agents of inclusive growth and democratization of the economic and social spheres and they have proved resilient to economic adversity all the while addressing socio economic challenges in innovative ways re integrating people back to the labour market and

De Gruyter Handbook of Social Entrepreneurship Bryan C. Boots,Lane Graves Perry, III,Benjamin J. Williams,2024-08-19 The De Gruyter Handbook of Social Entrepreneurship serves as a one stop shop for nascent and established scholars and practitioners alike who seek to quickly gain a broad familiarity with the current state of research in social entrepreneurship Part 1 reviews and discusses the historical scholarly foundations of the field followed by a more in depth treatment of newer research while Part 2 examines the broader ecosystem in which social entrepreneurship takes place In Part 3 the handbook explores infrastructural considerations such as organizational culture values processes business models and mindsets that affect social entrepreneurship Finally in Part 4 the handbook analyzes social entrepreneurship from the individual social entrepreneur s perspective Faculty research oriented graduate students think tanks and government agencies who seek an overview of recent research in the field of social entrepreneurship will benefit from this essential addition to the literature In addition practicing social entrepreneurs intrapreneurs in corporate settings and non governmental organizations interested in social

entrepreneurship can use this handbook as a resource to inform their approaches to the development of social ventures how they support social entrepreneurs and the ways in which they can foster conditions to support a thriving social entrepreneurial ecosystem

OECD Small and Medium Enterprise Outlook 2002 OECD,2002-12-04 This second biennial report covers SME policy trends in 28 OECD countries and presents findings of recent work undertaken on such themes as enterprise demography taxation SMEs and entrepreneurship SMEs and environmental management and the implications of global industrial restructuring for SMEs

Cooperatives and Community Development Vanna Gonzales,Rhonda Phillips,2014-01-21 In celebration of cooperatives contributions to community development processes and outcomes worldwide the United Nations designated 2012 as the Year of the Cooperative Today as in the past cooperatives have proved effective in bringing people and organizations together to accomplish a broad array of goals related to fostering social and economic innovation protecting communities against poor living and working conditions and promoting a better quality of life Analytically as both a movement and as a business model cooperatives hold much potential for generating the types of synergies collaboration and productive and social processes that enable community development to thrive in a variety of local regional and global contexts This collection of articles chronicles new developments in the ways in which cooperatives are used in a diverse array of community contexts They offer insight as to what these changes mean both empirically and theoretically for community development in the decades to come This book is a compilation of articles published in the journal Community Development

Local Economic and Employment Development (LEED) Designing Legal Frameworks for Social Enterprises Practical Guidance for Policy Makers OECD,2022-04-28 Based on consultations with more than 80 experts policy makers and stakeholders from 10 European countries this manual explains the rationale behind legal frameworks for social enterprises identifies the critical factors for legal framework design and recommends actions to ensure legislation fully meets the needs of social enterprises It lays out the fundamental steps related to the life cycle of legal frameworks and provides options that policy makers can use in the design and implementation process

The Missing Entrepreneurs 2023 Policies for Inclusive Entrepreneurship and Self-Employment OECD,European Commission,2023-11-30 The Missing Entrepreneurs 2023 is the seventh edition in a series of biennial reports examining how government policies can release untapped entrepreneurial potential from under represented parts of the population of impactful entrepreneurs including women youth seniors the unemployed immigrants and people with disabilities

Social E-Enterprise: Value Creation through ICT Torres-Coronas, Teresa,Vidal-Blasco, María Arántzazu,2012-12-31 As the importance of the social sector has increased in recent years utilizing social enterprise aids in the development of knowledge research and practices in order to achieve an organizations goals Therefore an understanding of ICT implementation in regards to social enterprise is crucial for effectiveness Social E Enterprise Value Creation through ICT provides research on the understanding of ICT in the social enterprise field as it emerges as a major component of both business model and

Enterprise And Inclusion In Italy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Enterprise And Inclusion In Italy PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Enterprise And Inclusion In Italy PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of Enterprise And Inclusion In Italy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
