Moskowitz, 2017 **Environmental Liability** and Real Property Transactions Joel S. Moskowitz, 1994-12-01 The Law of Environmental Damage Marie-Louise Larsson, 2023-09-20 From its starting point within international law throughout its progression from regional to national law The Law of Environmental Damage combines the disciplines of environmental law liability law and insurance in its analysis of the development of reparative environmental law In the model adopted three generations of reparative schemes are identified based on civil liability or administrative liability or self taken measures from the area of insurance The analysis applied is based on factors of standard and designation of liability as well as the definition and assessment of environmental damage Issues such as environmental lender liability and damage to public natural resources are highlighted The results of the study are evaluated within the framework of a theory of environmental efficiency among other factors the reparative effect of liability rules is discussed **Environmental Liability and Real Property Transactions** Joel S. Moskowitz.1990-07-01 Recycling Land Elizabeth Glass Geltman, 2010-08-27 Older and often economically depressed industrial cities generally have a number of well located but abandoned industrial sites Too frequently these sites are heavily

polluted by the residue of toxic wastes dumped when old factories were still in use These brownfield sites must be cleaned up under existing law before they can be redeveloped And yet the question of who will bear the cost of this cleanup frequently stymies efforts to return these sites to productive use A complicated net of federal state and local regulations can involve several generations of owners in potential liability for the cleanup frequently resulting only in extended litigation not often in the cleanup of the site In this book Elizabeth Glass Geltman surveys the laws on both the federal and state level with regard to the cleanup of brownfield sites The author makes valuable suggestions for reforming these laws that will help encourage land reuse and the accompanying redevelopment of the industrial base of many American cities both large and small Elizabeth Glass Geltman is Professor of Law George Washington University Law School and is the author of many books on environmental law including Modern Environmental Law Policy and Practice
