I am Not a Brain Markus Gabriel, 2017-09-18 Many consider the

nature of human consciousness to be one of the last great unsolved mysteries Why should the light turn on so to speak in human beings at all And how is the electrical storm of neurons under our skull connected with our consciousness Is the self only our brain's user interface a kind of stage on which a show is performed that we cannot freely direct In this book philosopher Markus Gabriel challenges an increasing trend in the sciences towards neurocentrism a notion which rests on the assumption that the self is identical to the brain Gabriel raises serious doubts as to whether we can know ourselves in this way In a sharp critique of this approach he presents a new defense of the free will and provides a timely introduction to philosophical thought about the self all with verve humor and surprising insights Gabriel criticizes the scientific image of the world and takes us on an eclectic journey of self reflection by way of such concepts as self consciousness and freedom with

A Youth Worker's Commentary on John, Vol 1 Les Christie, David P. Nystrom, 2011-09-06 When a youth pastor is preparing a lesson it's sometimes challenging to find a curriculum that really offers depth into the Scripture passages and goes beyond a cursory look at the text. A Youth Worker's Commentary on John is the first in a new series of commentaries developed with youth workers in mind. An in-depth yet readable approach to the gospel of John, this first volume includes commentary, word studies, personal and historical stories, and discussion questions that will help get students thinking and talking. The gospel of John is the most personal and revealing of all the portraits of Jesus in the New Testament. This commentary has the entire NIV biblical text printed alongside a rich, deep look into the meaning of this gospel. Youth workers will find this to be an invaluable aid for message and lesson preparation. They'll get a solid understanding of the gospel of John including its historical context, rationale, and meaning to see how to apply what they uncover to the needs and issues the teens in their group are dealing with.

The Good and Beautiful You James Bryan Smith, 2022-05-31 Christian faith is about more than belief and practices; it is also about the kind of people we become. This Good and Beautiful Series book addresses the toxic self-narratives that hinder spiritual growth, reminding us how Scripture reveals the beauty of our own souls and serving as a companion as you discover who you truly are in Christ.

Choose Wisely - A 31 Day Devotional: Learn How to Make Choices to Transform Your Life Debby Sibert, 2021-04-22 Have you found that some of the many choices you make on a daily basis have become habits that don't serve you well? We have to become intentional about avoiding those poor choices to experience a better way of life. Do you want to make a positive impact and leave the world around you a bit better than you found it? Then let's choose to make wiser decisions, remembering that words matter, character counts, and our conduct. What we think, say, and do reveals our heart. The purpose of this 31-day devotional series is to help us all focus on godly characteristics and attributes that can become a daily part of our character and equip us to make wise choices. When we make wise choices based on God's Word, they will bring us the satisfaction in life that we all long for, which will gradually transform our lifestyle into one that will be an example for others and point them to Christ. My goal in this series is to help you fall in love with Jesus in a new and fresh way as we discuss all these character qualities that He modeled for us in the Scriptures. As we focus our attention on His attributes and embrace an eternal perspective, imitating what He modeled for us, the more we will think and act like Him. Isn't that awesome? We become like those with whom we spend the most time. The way we think affects how we feel, and how we feel affects the way we behave. If we want to change the way we act, we must go back and change our thoughts and choices. We are only as close to God as we choose to be. Keep in mind: God gives us the freedom to make choices; however, we have to deal with and don't get to choose the consequences of both the good and bad choices we make. Jesus chose to die for us. The least we can do is to choose to live for Him. I am so thankful for Debby Sibert for her writing, for her teaching, and for her life. She is the real deal. She loves God's Word, and she loves helping people experience abundant life.
