How It Is With Miracles:

How It Is with Miracles Peter Ohren, 2005 One day in the middle of a brutal Michigan winter retired farmer Les Fields is found half frozen in his barn He is naked smeared with animal blood and raving that Christ appeared to him He claims God wants a statue made for the church of Saint Cecelia s in the struggling farming community of Decker Has Jesus really appeared to the troubled farmer Or has Les simply slipped into madness The parishioners of Saint Cecelia s must decide How It Is With Miracles is a powerful story about the nature of faith told from the perspectives of the three men at the center of the controversy the troubled farmer an aged priest and a young artist As Les s neighbor one day points out to Father Greg You know how it is with miracles Father Sometimes they re in the eye of the beholder You too must decide But miraculous or not events in Decker that winter and spring profoundly change the lives of the people involved *The British*

Controversialist and Literary Magazine ,1864 **The Problem of Jesus** Mark Clark, 2021-02-23 The modern world portrays Jesus in many ways for many reasons Some are well intentioned but misguided others are aberrations still others have some but not all the essential keys In order to see and understand the real Jesus and what the Gospels say about him we have to see him in his first century context and work out from there Here is a portrait of Jesus that in some ways will affirm what traditional Christianity has always understood about him and in other ways upend it altogether Award winning author Mark Clark delves into the person and work of Jesus of Nazareth his parables and miracles his controversial challenge of discipleship and obedience his seemingly insane claim to be God and what his death and resurrection if they did happen actually mean Mark is unafraid to tackle questions such as What would first century Jews have immediately recognized about Jesus that modern Christians often miss What do the Gospels accomplish and can we trust them Is there a problem with science and Jesus miracles What are the barriers stopping people from following him And what is Christianity in light of an accurate portrayal of the object of its faith The Problem of Jesus engages with ideas from all realms of study from Malcolm Gladwell and Jordan Peterson to historians scientists and philosophers from N T Wright to C S Lewis from Star Wars to Pretty Woman all unite to form a breathtaking and accurate portrait of Jesus the man the message and the mission who forever altered the course of human history As a former atheist I would call this book philosophical dynamite The Problem of Jesus will take your thinking about Jesus and your relationship with him to whole new levels Pastor and author Ray Johnston
