her mate's accumulated harbored resentments. A lack of forgiveness led to stress which accelerated his depressed state. It demonstrates how a person's Character House is developed over the span of life without the individual's awareness. What a person is inside and not what is displayed on the outside is the main source of strength to face the difficulties of life including marriage. The story demonstrates how both Character Houses evolved and how one was confident and was a survivor. The other turned difficulties into stress and depression. Counseling did not work as the emphasis was on changing the other mate and not self. Carrying stress for long periods increased to the point of despair. The crisis came with its drastic affects on the marriage union. The author hopes the aspects covered in the book will help the reader to avoid the snares that trip up the lives of a couple. It is based on scattered true events with names and pictures changed for privacy reasons. Having a steady focus and good character materials was vital for her survival. Her character developed in observing her family overcome and her own victory over the many tough places in life. If marriage is contemplated hopefully careful attention will be given to the serious decision. Careful observation of the other's reactions to stress and difficulties might be a clue in what the future would hold. Above all keep a good compass to stay fortified for future challenges. Prayer to a Christian compares to the root system of a tree. It helps the person stand live and grow. God turned her weakness and inadequacies into strength in finding resolutions to her despair. Prayer was the bridge between panic and peace as the crisis came. *Planning, Plotting, & Producing Your Series* Heather Cardona, 2023-08-27
