Smith,2011-03-11 Letters to Bangkok is a story of love born on the internet between a practising Thai surgeon and an English University marketing manager The initial Skype conversations and subsequent letters are true and exact records of written exchanges between two people trying to find love Below is an extract pages 17 18 and 19 of the actual book The Skype Connection September-November 2008 Of all the gin joints in all the towns in all the world the famous throwaway saying in Casablanca brings me immediately to thinking with amazement how I first met sweet Pen Reflecting on this momentous meeting well momentous in terms of its life changing impact on my small world I often pose myself one question How is it possible that two people effectively total strangers with widely different backgrounds and experiences can begin a conversation through a chance meeting at a moment in a time and place on a social chat forum called Skype and through that conversation set off additional exchanges leading eventually to two hearts beating as one See explanation of the term Skype below It must be said at the outset that both Pen and I came to the site with reservations and varying degrees of scepticism born from previous failed and disappointing encounters on Skype where people come and go with regular monotony like ships in the night or ghosts briefly haunting the ether space but soon to disappear without a trace It is the nature of the beast called social Internet chatting that you may find someone interesting and then they disappear never to be seen or heard of again with no by your leave refusing to reply to further communications leaving you saying Um it was definitely something I said I had an early impression from what Pen said that she was more experienced on Skype in comparison to me a relative newcomer But why did Pen and I come to seek out one another in the first place I was searching initially for company and solace as I was suffering in a loveless rather cruel relationship Despite my experiences I have always been an optimist eternally inquisitive and open minded a peoples person Setting aside early negative encounters on social sites I have been blessed with a strong belief in the goodness of human nature and a belief in destiny Whether I believed that destiny could be found in such a chance and brief encounter is a moot point I had just come through a long and difficult marriage which had ended de facto and although I had not made the break physically from my ex partner I had signalled my intention to leave and in mind and spirit I had disassociated myself from intimacy or any future plans with this failed relationship So yes in one sense although not consciously acknowledged by myself I was searching for a human being to fill the emotional chasm left by years of mild mental abuse born of being married to an aggressive and sometimes violent alcoholic I was seeking someone who might be sensitive caring supportive loving someone who could be my friend and confidant someone I could trust with my heart a lover that would be my love for always not just temporarily someone that would be my encourager and someone that would share my dreams and let me share hers and most importantly someone that would not betray my emotional trust a big shopping order you might say And in that respect I had already decided to cast my net wider beyond the shores of England and sought an international partner to be my friend I was already familiar with some of the attractive qualities that an Asian woman might bring to a relationship loyalty selflessness spirituality a caring loving and generous nature and rarely

abusive of alcohol I was also physically attracted to the Asian look with their dark eyes sultry looks and long dark hair For Pen Skype perhaps offered amongst other things an opportunity to d **The United States Catalog** Eleanor E.

with an ANSWER the problem is how can we get the QUESTION That s where purpose steps in without purpose you might live your entire life using the right key on the wrong lock Having the key without knowing the right lock is useless Also having the answer without knowing the question is utterly useless KEYS are not meant to open all DOORS but they are designated to open the RIGHT DOORS For a door to open the key must match with the lock Thus for you to excel in life your GIFT and TALENT must match with your PURPOSE and CALLING It is said Thomas Edison was afraid of the dark he invented the electric bulb To analyze this the Dark was his problem and the electric bulb he invented is the answer to his problem You must know this the world will benefit more from your gift much more than yourself That is why it is being called a gift What key are you born with And what box are you supposed to unlock The KEY is your GIFT the lock is your DESTINY Your gift is the only thing that can connect you to your destiny Remember this as long as you live the GIFT you carry is an answered prayer to the world problem make use of it Understanding Heaven's Court System Bill Vincent,2023-03-16 We have a God given right to call forth heaven to come down We do We have the right to participate in that court room In heaven where the devil accuses and God and his angels carry out justice The devil accuses from his heaven and God releases justice from His heaven Let me tell you something when you line up to heaven s court God s court everything in heaven always overrides Satan s plans It s a guaranteed court system if you do it right In the rest of this book you will find a new level that will truly change everything you have ever known about authority and the power of God **Apostolic Breakthrough** Bill Vincent,2023-04-03 LEADERS are being prepared for this next season of the spirit These mature and loyal prophets will stand before leaders and announce with great power and strength that position changes are coming It is time for true Apostles to come forth in power As I began to type this sermon I heard a voice of ultimate authority echo from Heaven True Apostolic IS Coming I received a prophetic word months ago saying Apostle come forth Little did I know what was going to be required of me We had better get a good understanding of apostolic ministry under us for it will be on top of us before we know it Samuel is a type of this apostolic leadership The Lord did let none of his words fall to the ground nor did he beg his bread from the people **The Key of Destiny** Curtiss FH and HA,2022-08-19 Or a Spiritual Interpretation of Numbers and Symbols *One Thousand and One Arabian Nights* Geraldine McCaughrean,1999-07-15 This illustrated edition brings together all the Arabian Nights tales in an original retelling by award winning author Geraldine McCaughrean The Kingdom Perspective Liza Kobayashi,2012-12-11 Thy kingdom come Thy will be done on Earth as it is in Heaven is a prayer that has been prayed intensely by the body of Christ I believe God is answering this prayer by directing Liza to put into writing what He has been teaching her what she has journaled as to what this will look like in each believers life This book is a timely message also a warning to the body of Christ He is coming soon Are we prepared spiritually mentally for the days ahead Liza talks about preparing ourselves spiritually by having our eyes cemented on Him our ears hearing His voice His words of faith the call for each one of us not to judge but to see the plan of God Unity is key to the Kingdom As you journey

with her through her many encounters with the Holy Spirit you will discover the power of intimacy You will come to know the love of God experience a supernatural increase in childlike faith radically increase your expectation of His desire to be present in your life and be challenged to a higher call and commitment As Jesus return draws near it will cost each of us everything This is the cost of serving Him Are we willing to walk in this place for Him Are we yielded vessels that will surrender all if He asks The Kingdom Perspective is a must read to understand the challenge of the times we are living in today
