**Peter Šajda, Jon Bartley Stewart**

## **Kierkegaard A Biographical Introduction:**

*Sören Kierkegaard* Ronald Grimsley, 1955      Kierkegaard Ronald Grimsley, 1973      *Søren Kierkegaard* Joakim Garff, 2013-10-31 The day will come when not only my writings but precisely my life the intriguing secret of all the machinery will be studied and studied S ren Kierkegaard s remarkable combination of genius and peculiarity made this a fair if arrogant prediction But Kierkegaard s life has been notoriously hard to study so complex was the web of fact and fiction in his work Joakim Garff s biography of Kierkegaard is thus a landmark achievement A seamless blend of history philosophy and psychological insight all conveyed with novelistic verve this is the most comprehensive and penetrating account yet written of the life and works of the enigmatic Dane who changed the course of intellectual history Garff portrays Kierkegaard not as the all controlling impresario behind some of the most important works of modern philosophy and religious thought books credited with founding existentialism and prefiguring postmodernism but rather as a man whose writings came to control him Kierkegaard saw himself as a vessel for his writings a tool in the hand of God and eventually as a martyr singled out to call for the end of Christendom Garff explores the events and relationships that formed Kierkegaard including his guilt ridden relationship with his father his rivalry with his brother and his famously tortured relationship with his fianc e Regine Olsen He recreates the squalor and splendor of Golden Age Copenhagen and the intellectual milieu in which Kierkegaard found himself increasingly embattled and mercilessly caricatured Acclaimed as a major cultural event on its publication in Denmark in 2000 this book here presented in an exceptionally crisp and elegant translation will be the definitive account of Kierkegaard s life for years to come      **Kierkegaard: A Biography** Alastair Hannay, 2003-05-05 Written by one of the world s preeminent authorities on Kierkegaard this 2001 biography was the first to reveal the delicate imbrication of Kierkegaard s life and thought To grasp the importance and influence of Kierkegaard s thought far beyond his native Denmark it is necessary to trace the many factors that led this gifted but according to his headmaster exceedingly childish youth to grapple with traditional philosophical problems and religious themes in a way that later generations would recognize as amounting to a philosophical revolution This book offers a powerful narrative account which will be of particular interest to philosophers literary theorists intellectual historians and scholars of religious studies as well as any non specialist looking for an authoritative guide to the life and work of one of the most original and fascinating figures in Western philosophy

*Historical Dictionary of Kierkegaard's Philosophy* Christopher B. Barnett, 2022-06-22 *Historical Dictionary of Kierkegaard s Philosophy* Second Edition chronicles the life and thoughts of the great Danish thinker S ren Kierkegaard 1813-55 What makes this volume essential is its extensive scope it provides a glossary of concepts persons and places related to Kierkegaard s authorship from Absolute to Hans Christian rsted This is done through a chronology an introduction and an extensive bibliography The dictionary section has more than 200 cross referenced entries oncepts persons and places related to the life and work of S ren Kierkegaard This book is an excellent resource for students researchers and anyone wanting to

know more about this subject      **Søren Kierkegaard** Jon Stewart,2015-10-08 Søren Kierkegaard Subjectivity Irony and the Crisis of Modernity examines the thought of Søren Kierkegaard a unique figure who has freed provoked fascinated and irritated people ever since he walked the streets of Copenhagen At the end of his life Kierkegaard said that the only model he had for his work was the Greek philosopher Socrates This work takes this statement as its point of departure Jon Stewart explores what Kierkegaard meant by this and to show how different aspects of his writing and argumentative strategy can be traced back to Socrates The main focus is The Concept of Irony which is a key text at the beginning of Kierkegaard's literary career Although it was an early work it nevertheless played a determining role in his later development and writings Indeed it can be said that it laid the groundwork for much of what would appear in his later famous books such as Either Or and Fear and Trembling      *A Short Life of Kierkegaard* Walter Lowrie,2013-05-05 A small insignificant looking intellectual with absurdly long legs Søren Kierkegaard 1813-1855 was a veritable Hans Christian Andersen caricature of a man A strange combination of witty cosmopolite and melancholy introvert he spent years writing under a series of fantastical pseudonyms lavishing all the splendor of his magnificent mind on a seldom appreciative world He had a tragic love affair with a young girl was dominated by an unforgettable Old Testament father fought a sensational literary duel with a popular satiric magazine and died in the midst of a violent quarrel with the state church for which he had once studied theology Yet this iconoclast produced a number of brilliant books that have profoundly influenced modern thought In this classic biography the celebrated Kierkegaard translator Walter Lowrie presents a charming and warmly appreciative introduction to the life and work of the great Danish writer Lowrie tells the story of Kierkegaard's emotionally turbulent life with a keen sense of drama and an acute understanding of how his life shaped his thought The result is a wonderfully informative and entertaining portrait of one of the most important thinkers of the past two centuries This edition also includes Lowrie's wry essay How Kierkegaard Got into English which tells the improbable story of how Lowrie became one of Kierkegaard's principal English translators despite not learning Danish until he was in his 60s as well as a new introduction by Kierkegaard scholar Alastair Hannay      **The Biography Book** Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E's Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals      *Philosopher of the Heart* Clare Carlisle,2020-05-05 *Philosopher of the Heart* is the groundbreaking biography of renowned existentialist Søren Kierkegaard's life and creativity and a searching

exploration of how to be a human being in the world Søren Kierkegaard is one of the most passionate and challenging of all modern philosophers and is often regarded as the founder of existentialism Over about a decade in the 1840s and 1850s writings poured from his pen pursuing the question of existence how to be a human being in the world while exploring the possibilities of Christianity and confronting the failures of its institutional manifestation around him Much of his creativity sprang from his relationship with the young woman whom he promised to marry then left to devote himself to writing a relationship which remained decisive for the rest of his life He deliberately lived in the swim of human life in Copenhagen but alone and died exhausted in 1855 at the age of 42 bequeathing his remarkable writings to his erstwhile fiancée Clare Carlisle's innovative and moving biography writes Kierkegaard's life as far as possible from his own perspective to convey what it was like actually being this Socrates of Christendom as he put it living life forwards yet only understanding it backwards

**Kierkegaard Bibliography** Peter Šajda, Jon Bartley Stewart, 2016 *A Companion to Kierkegaard* Jon

Stewart, 2015-07-21 Jon Stewart one of the world's leading experts on the work of Søren Kierkegaard has here compiled the most comprehensive single volume overview of Kierkegaard studies currently available Includes contributions from an international array of Kierkegaard scholars from across the disciplines Covers all of the major disciplines within the broad field of Kierkegaard research including philosophy theology and religious studies aesthetics the arts and literary theory and social sciences and politics Elucidates Kierkegaard's contribution to each of these areas through examining the sources he drew upon charting the reception of his ideas and analyzing his unique conceptual insights into each topic Demystifies the complex field of Kierkegaard studies creating an accessible entry point into his thought and writings for readers new to his work

**Søren Kierkegaard**, 2018 The first volume of sources and commentary devoted exclusively to Kierkegaard's spirituality

**Volume 8, Tome I: Kierkegaard's International Reception - Northern and Western Europe** Jon Stewart, 2016-12-05 Although Kierkegaard's reception was initially more or less limited to Scandinavia it has for a long time now been a highly international affair As his writings were translated into different languages his reputation spread and he became read more and more by people increasingly distant from his native Denmark While in Scandinavia the attack on the Church in the last years of his life became something of a cause célèbre later many different aspects of his work became the object of serious scholarly investigation well beyond the original northern borders As his reputation grew he was co-opted by a number of different philosophical and religious movements in different contexts throughout the world The three tomes of this volume attempt to record the history of this reception according to national and linguistic categories Tome I covers the reception of Kierkegaard in Northern and Western Europe The articles on Denmark Norway Sweden Finland and Iceland can be said to trace Kierkegaard's influence in its more or less native Nordic Protestant context Since the authors in these countries with the exception of Finland were not dependent on translations or other intermediaries this represents the earliest tradition of Kierkegaard reception The early German translations of his works opened the door for the next phase of

the reception which expanded beyond the borders of the Nordic countries The articles in the section on Western Europe trace his influence in Great Britain the Netherlands and Flanders Germany and Austria and France All of these countries and linguistic groups have their own extensive tradition of Kierkegaard reception Volume 17: Kierkegaard's Pseudonyms Katalin Nun,Jon Stewart,2016-12-05 One of the elements that many readers admire in Kierkegaard s skill as a writer is his ability to create different voices and perspectives in his works Instead of unilaterally presenting clear cut doctrines and theses he confronts the reader with a range of personalities and figures who all espouse different views One important aspect of this play of perspectives is Kierkegaard s controversial use of pseudonyms The present volume is dedicated to exploring the different pseudonyms and authorial voices in Kierkegaard s writing The articles featured here try to explore each pseudonymous author as a literary figure and to explain what kind of a person is at issue in each of the pseudonymous works The hope is that by taking seriously each of these figures as individuals we will be able to gain new insights into the texts which they are ostensibly responsible for **Kierkegaard's International Reception** Jon Stewart,2009 Tome I covers the reception of Kierkegaard in Northern and Western Europe The articles on Denmark Norway Sweden Finland and Iceland can be said to trace Kierkegaard s influence in its more or less native Nordic Protestant context Since the authors in these countries with the exception of Finland were not dependent on translations or other intermediaries this represents the earliest tradition of Kierkegaard reception The early German translations of his works opened the door for the next phase of the reception which expanded beyond the borders of the Nordic countries The articles in the section on Western Europe trace his influence in Great Britain the Netherlands and Flanders Germany and Austria and France All of these countries and linguistic groups have their own extensive tradition of Kierkegaard reception **An Analysis of Soren Kierkegaard's The Sickness Unto Death** Shirin Shafaie,2017-07-05 S ren Kierkegaard s The Sickness unto Death is widely recognized as one of the most significant and influential works of Christian philosophy written in the nineteenth century One of the cornerstones of Kierkegaard s reputation as a writer and thinker the book is also a masterclass in the art of interpretation In critical thinking interpretation is all about defining and clarifying terms making sure that everyone is on the same page But it can also be about redefining terms showing old concepts in a new light by interpreting them in a certain way This skill is at the heart of The Sickness unto Death Kierkegaard s book focuses on the meaning of despair the sickness named in the title For Kierkegaard the key problem of existence was an individual s relationship with God and he defines true despair as equating to the idea of sin something that separates people from God or from the idea of a higher standard beyond ourselves Kierkegaard s interpretative journey into the ideas of despair sin and death is a Christian exploration of the place of the individual in the world But its interpretative skills inspired generations of philosophers of all stripes including notorious atheists like Jean Paul Sartre Kierkegaard Stephen Backhouse,2016-08-09 An accessible expert introduction to one of the greatest minds of nineteenth century Whether you re completely new to him or if you re already familiar with his work

Kierkegaard A Single Life presents a fresh understanding of his life and thought Kierkegaard was a brilliant and enigmatic loner whose ideas permeated culture shaped modern Christianity and influenced people as diverse as Franz Kafka and Martin Luther King Jr Though few people today have read his work that lack of familiarity with the real Kierkegaard is changing with this biography by scholar Stephen Backhouse who clearly presents the man s mind as well as the acute sensitivity behind Kierkegaard s books Drawing on biographical material that has newly come to light Kierkegaard A Single Life introduces his many guises the thinker the lover the recluse the writer the controversialist in prose as compelling and fluid as a novel and pursues clarity to long standing questions about him What made this Danish theologian so controversial and influential Why were so many people drawn to his books even if they didn t understand what they were reading Can his complicated relationship with the Church and religion be untangled Or for that matter what about his complicated at times almost paradoxical relationship with every sphere of life from politics to poetry To be considered everything from a great intellect to a dandy from a martyr to a false messiah is no mean feat and this biography sheds light on S ren Kierkegaard as he was with empathy and humor Included is an appendix presenting an overview of each of Kierkegaard s works for the scholar and lay reader alike **Volume 16, Tome I: Kierkegaard's Literary Figures and Motifs** Katalin Nun,Jon Stewart,2016-12-05 While Kierkegaard is perhaps known best as a religious thinker and philosopher there is an unmistakable literary element in his writings He often explains complex concepts and ideas by using literary figures and motifs that he could assume his readers would have some familiarity with This dimension of his thought has served to make his writings far more popular than those of other philosophers and theologians but at the same time it has made their interpretation more complex Kierkegaard readers are generally aware of his interest in figures such as Faust or the Wandering Jew but they rarely have a full appreciation of the vast extent of his use of characters from different literary periods and traditions The present volume is dedicated to the treatment of the variety of literary figures and motifs used by Kierkegaard The volume is arranged alphabetically by name with Tome I covering figures and motifs from Agamemnon to Guadalquivir

*Kierkegaard's Influence on Philosophy* Jon Bartley Stewart,2012 Tome III traces Kierkegaard s influence on Anglophone philosophy It has long been thought that Kierkegaard played no role in this tradition which for years was dominated by analytic philosophy In this environment it was common to dismiss Kierkegaard along with the then current European philosophers who were influenced by him However a closer look reveals that in fact there were several thinkers in the US Canada and Great Britain who were inspired by Kierkegaard even during the heyday of analytic philosophy Current thinking now suggests that Kierkegaard has made some serious inroads into mainstream Anglophone philosophy with many authors seeking inspiration in his works for current discussions concerning ethics personal identity philosophy of religion and philosophical anthropology Hegel's Century Jon Stewart,2021-10-28 The remarkable lectures that Hegel gave in Berlin in the 1820s generated an exciting intellectual atmosphere which lasted for decades From the 1830s many students flocked to

Berlin to study with people who had studied with Hegel and both his original students such as Feuerbach and Bauer and later arrivals including Kierkegaard Engels Bakunin and Marx evolved into leading nineteenth century thinkers Jon Stewart's panoramic study of Hegel's deep influence upon the nineteenth century in turn reveals what that century contributed to the wider history of philosophy It shows how Hegel's notions of alienation and recognition became the central motifs for the era's thinking how these concepts spilled over into other fields like religion politics literature and drama and how they created a cultural phenomenon so rich and pervasive that it can truly be called Hegel's century This book is required reading for historians of ideas as well as of philosophy

Kierkegaard A Biographical Introduction: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Kierkegaard A Biographical Introduction : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Kierkegaard A Biographical Introduction : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Paffen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
