Kierkegaard Existence Et Ethique

J. Aaron Simmons, David Wood

Kierkegaard Existence Et Ethique:

Kierkegaard and Levinas J. Aaron Simmons, David Wood, 2008-10-29 Recent discussions in the philosophy of religion ethics and personal political philosophy have been deeply marked by the influence of two philosophers who are often thought to be in opposition to each other Søren Kierkegaard and Emmanuel Levinas Devoted expressly to the relationship between Levinas and Kierkegaard this volume sets forth a more rigorous comparison and sustained engagement between them Established and newer scholars representing varied philosophical traditions bring these two thinkers into dialogue in 12 sparkling essays They consider similarities and differences in how each elaborated a unique philosophy of religion and they present themes such as time obligation love politics God transcendence and subjectivity This conversation between neighbors is certain to inspire further inquiry and ignite philosophical debate Kierkegaard and Bioethics Johann-Christian Pöder, 2023-04-28 This book explores Kierkegaard's significance for bioethics and discusses how Kierkegaard's existential thinking can enrich and advance current bioethical debates A bioethics inspired by Kierkegaard is not focused primarily on ethical codes principles or cases but on the existential how of our medical situation Such a perspective focuses on the formative ethical experiences that an individual can have in relation to oneself and others when dealing with medical decisions interventions and information The chapters in this volume explore questions like What happens when medicine and bioethics meet Kierkegaard How might Kierkegaard's writings and thoughts contribute to contemporary issues in medicine Do we need an existential turn in bioethics They offer theoretical reflections on how Kierkegaard's existential thinking might contribute to bioethics and apply Kierkegaardian concepts to debates on health and disease predictive medicine and enhancement mental illness and trauma COVID 19 and gender identity Kierkegaard and Bioethics will be of interest to scholars and advanced students working on Kierkegaard bioethics moral philosophy existential ethics religious ethics and the medical humanities Volume 18, Tome IV: Kierkegaard Secondary Literature Jon Stewart, 2017-02-24 Providing book reviews of some of the leading monographic studies in the Kierkegaard secondary literature this volume aims to assist the community of scholars in becoming familiar with the works that they have not read for themselves thus offering them a comprehensive survey of works that have played a more or less significant role in the research In addition it tries to make accessible many works in the Kierkegaard secondary literature that are written in different languages The six tomes of the present volume present reviews of works written in Catalan Chinese Czech Danish Dutch English Finnish French Galician German Greek Hebrew Hungarian Italian Japanese Norwegian Polish Portuguese Romanian Russian Slovak Spanish and Swedish *Kierkegaard's International Reception* Jon Stewart, 2009 Tome I covers the reception of Kierkegaard in Northern and Western Europe The articles on Denmark Norway Sweden Finland and Iceland can be said to trace Kierkegaard's influence in its more or less native Nordic Protestant context Since the authors in these countries with the exception of Finland were not dependent on translations or other intermediaries this represents the earliest tradition of Kierkegaard

reception The early German translations of his works opened the door for the next phase of the reception which expanded beyond the borders of the Nordic countries The articles in the section on Western Europe trace his influence in Great Britain the Netherlands and Flanders Germany and Austria and France All of these countries and linguistic groups have their own extensive tradition of Kierkegaard reception *Volume 11, Tome II: Kierkegaard's Influence on Philosophy* Jon Stewart, 2016-12-05 Kierkegaard's relation to the field of philosophy is a particularly complex and disputed one He rejected the model of philosophical inquiry that was mainstream in his day and was careful to have his pseudonymous authors repeatedly disassociate themselves from philosophy But although it seems clear that Kierkegaard never regarded himself as a philosopher there can be no doubt that his writings contain philosophical ideas and insights and have been profoundly influential in a number of different philosophical traditions The tomes in this volume seek to document the different traditions of the philosophical reception of Kierkegaard's thought and the articles demonstrate the reach of Kierkegaard's writings in philosophical contexts that were often different from his own The present volume attempts to document these different traditions of the philosophical reception of Kierkegaard's thought The articles featured here aim to demonstrate the vast reach of Kierkegaard's writings in philosophical contexts that were often quite different from his own Tome II is dedicated to exploring Kierkegaard's influence on Francophone philosophy The French intellectual tradition squares well with Kierkegaard's eclectic profile since its leading figures are often difficult to classify unambiguously as philosophers theologians literary critics or simply writers Kierkegaard's thinking was highly influential for many generations of French philosophers right up to the present It was not just existentialism that tried to co-opt Kierkegaard for its own purposes he has also been influential in the context of almost every modern school of French thought phenomenology feminism structuralism post structuralism semiotics and deconstruction *Volume 8, Tome I: Kierkegaard's International Reception - Northern and Western Europe* Jon Stewart, 2016-12-05 Although Kierkegaard's reception was initially more or less limited to Scandinavia it has for a long time now been a highly international affair As his writings were translated into different languages his reputation spread and he became read more and more by people increasingly distant from his native Denmark While in Scandinavia the attack on the Church in the last years of his life became something of a cause célèbre later many different aspects of his work became the object of serious scholarly investigation well beyond the original northern borders As his reputation grew he was co-opted by a number of different philosophical and religious movements in different contexts throughout the world The three tomes of this volume attempt to record the history of this reception according to national and linguistic categories Tome I covers the reception of Kierkegaard in Northern and Western Europe The articles on Denmark Norway Sweden Finland and Iceland can be said to trace Kierkegaard's influence in its more or less native Nordic Protestant context Since the authors in these countries with the exception of Finland were not dependent on translations or other intermediaries this represents the earliest tradition of Kierkegaard reception The early German translations of his works

opened the door for the next phase of the reception which expanded beyond the borders of the Nordic countries. The articles in the section on Western Europe trace his influence in Great Britain, the Netherlands and Flanders, Germany and Austria and France. All of these countries and linguistic groups have their own extensive tradition of Kierkegaard reception. A Critique of Infinity Luc Anckaert, 2006. Levinas writes that Rosenzweig is too present in his work to be cited. This cryptic suggestion is unfolded into an in-depth confrontation. Both philosophers implement the same speculative gesture. Rosenzweig writes in post-Hegelian times. Levinas's thinking is enriched by phenomenology and marked by the Holocaust. Their critical exploration of the relationship to the infinite offers radically new perspectives on the language, time and the other. The confrontation raises serious questions: How is a concept of alterity possible without accepting an identity? What are the concealed presuppositions? The questions lead to a critical analysis that cautiously explores the boundaries of dialogical thinking. But it is also the expression of the esteem held for the strong power of inspiration. As such, this book is both a critique and a tribute to Rosenzweig and Levinas. The book contains an exhaustive bibliography of the comparative studies. The manuscript was gold awarded by the Teylers Fellowship of Haarlem, the Netherlands. Kierkegaard Bibliography Peter Šajda, Jon Bartley Stewart, 2016. **Selfhood and Otherness in Kierkegaard's Authorship** Leo Stan, 2017-10-11. This book investigates the polysemy of the category of otherness in Søren Kierkegaard's authorship as a whole. Leo Stan identifies, expands upon and discusses the interconnections between four different senses of otherness: the other within the human self, the infinite alterity of God, the paradoxical alterity of Christ and the alterity of the human other. He also analyzes in detail the three stages of human existence: the aesthetic, the ethical and the religious. His claim is that in its Kierkegaardian version, otherness can be understood only within the redemption-oriented framework of Christianity and in strict correlation with an ethic of singular persons. **Søren Kierkegaard Literature, 1956-2006** Aage Jørgensen, 2009. This bibliography on Søren Kierkegaard carries on the work of Jens Himmelstrup's international bibliography 1962. It collates everything written about Kierkegaard: books, contributions to edited collections and journals, and also features an appendix of primary text editions and translations. Discussion notes, reviews, etc. are catalogued according to the items they refer to. The bibliography contains more than 5,600 primary entries and is a testament to the expanding worldwide interest in the Danish philosopher. It also remedies the deeply felt need for a collected overview of the extensive literature on Kierkegaard. **Politics of Benjamin's Kafka: Philosophy as Renegade** Brendan Moran, 2018-06-05. This book provides a critical assessment of Benjamin's writings on Franz Kafka and of Benjamin's related writings. Eliciting from Benjamin's writings a conception of philosophy that is political in its dissociation from its becoming renegade in relation to its philosophic shame about established laws, norms and forms, the book compares Benjamin's writings with relevant works by Agamben, Heidegger, Levinas and others. In relating Benjamin's writings on Kafka to Benjamin's writings on politics, the study delineates a philosophic impetus in literature and argues that this impetus has potential political consequences. Finally, the book is critical of Benjamin's messianism insofar as it is oriented

by the anticipated elimination of exceptions and distractions Exceptions and distractions are the book argues precisely what literature like other arts brings to the fore Hence the philosophic and the political importance of literature

Historical Dictionary of Kierkegaard's Philosophy Julia Watkin, 2000-12-06 Watkin provides a contextual introduction to Kierkegaard's 19th century world of Copenhagen a chronology of events and key figures in his life as well as definitions of the key systems of his thought_ theology existentialism literature and psychology The extensive bibliographical section covers secondary literature and electronic materials of help to researchers The appendix includes detailed information on his writings along with a list of his pseudonyms This book is useful not only as a guide for experienced scholars but also as an introduction to new students of Kierkegaard's Philosophy

The Palgrave Handbook of German Idealism and Existentialism Jon Stewart, 2020-08-25 This Handbook explores the complex relations between two great schools of continental philosophy German idealism and existentialism While the existentialists are commonly thought to have rejected idealism as overly abstract and neglectful of the concrete experience of the individual the chapters in this collection reveal that the German idealists in fact anticipated many key existentialist ideas A radically new vision of the history of continental philosophy is thereby established one that understands existentialism as a continuous development from German idealism Key Features Operates at both the macro level and micro level treating both the two schools of thought and the individual thinkers associated with them Explores the relations from shifting perspectives by examining how the German idealists anticipated existentialist themes and how the existentialists concretely drew on the work of the idealists Meticulously uncovers and documents many little known points of contact between the German idealists and the existentialists Includes often neglected figures such as Jacobi and Trendelenburg This Handbook is an essential resource for researchers and advanced students interested in thinking critically about the broad development of continental philosophy Moreover the individual chapters on specific philosophers contain a wealth of information that will compel experts in the field to reconsider their views on these figures

The A to Z of Kierkegaard's Philosophy Julia Watkin, 2010-03-23 The A to Z of Kierkegaard's Philosophy provides a contextual introduction to Kierkegaard's 19th century world of Copenhagen a chronology of events and key figures in his life as well as definitions of the key systems of his thought theology existentialism literature and psychology The extensive bibliographical section covers secondary literature and electronic materials of help to researchers The appendix includes detailed information on his writings along with a list of his pseudonyms This book is useful not only as a guide for experienced scholars but also as an introduction to new students of Kierkegaard's Philosophy

Kierkegaard Bibliography Peter?ajda; Jon Stewart, 2016

Debating Levinas' Legacy Andris Breitling, Chris Bremmers, Arthur Cools, 2015-08-17 The contributions of this volume discuss the legacy of Emmanuel Levinas philosophy Examining critically the limits of his thinking they also bear witness to its influence on contemporary philosophy thus demonstrating the significance of his groundbreaking project of establishing ethics as first philosophy In four parts First Philosophy

Phenomenology and Ethics Phenomenology and its Theological Turn Ethics and Aesthetics Phenomenology Hermeneutics

Deconstruction the major themes in Levinas oeuvre are addressed such as alterity human dignity religion and communication

Contributors Thomas Baumeister Andris Breitling Roger Burggraeve Arthur Cools Sylvie Courtine Denamy Eddo Evink Matthias Flatscher Gert Jan van der Heiden Alwin Letzkus Burkhard Liebsch Michel Lisse Stefano Micali Marcel Poorthuis Ren e van Riessen Johan Taels L szl Tengelyi Rudi Visker Jacques de Visscher Elisabeth Weber *Levinas, Judaism, and the Feminine* Claire Elise Katz,2003-11-14 Challenging previous interpretations of Levinas that gloss over his use of the feminine or show how he overlooks questions raised by feminists Claire Elise Katz explores the powerful and productive links between the feminine and religion in Levinas s work Rather than viewing the feminine as a metaphor with no significance for women or as a means to reinforce traditional stereotypes Katz goes beyond questions of sexual difference to reach a more profound understanding of the role of the feminine in Levinas s conception of ethical responsibility She combines feminist interpretations of Levinas with interpretations that focus on his Jewish writings to reveal that the feminine provides an important bridge between his philosophy and his Judaism Katz s reading of Levinas s conception of the feminine against the backdrop of discussions of women of the Hebrew bible points to important shifts in contemporary philosophy toward the creation of life and care for the other *Volume 21, Tome III: Cumulative Index* Katalin Nun Stewart,2017-07-06 This last volume of Kierkegaard Research Sources Reception and Resources is a cumulative index to all the volumes of the series The series was originally designed in a systematic fashion in order to make it as easily usable and accessible as possible The individual parts of the series and the individual volumes have been organized to make it generally fairly simple to locate the main articles relevant for one s research interests However the placement of some individual articles might not always be completely self evident Moreover the sheer mass of material and information provided by the series makes a cumulative index a necessary accompanying resource Further given the scope of the series it was inevitable that some names or topics are mentioned more than once in the series in different places beyond the main article ostensibly dedicated to them The purpose of these indices is thus to help the readers to find an easy and direct way to the topics of their interest in the rich universe of Kierkegaard research The material of the indices is divided into three tomes Tome I is the Index of Names from A to K Tome II covers the Index of Names from L to Z while Tome III consists of the Index of Subjects and includes a complete overview of all the volumes tomes and articles of the series *Kierkegaard Bibliography* Peter Šajda,Jon Bartley Stewart,2016 *Fifty Years of Philosophy of Religion: A Select Bibliography (1955-2005)* Andy Sanders,Kristof de Ridder,2007-06-28 The bibliography lists about 10 000 titles of monographs collections and articles in the field of the philosophy of religion and philosophical theology that appeared between 1955 and 2005 The majority of them are in the English language but publications in German Dutch and French are listed as well Though it is not claimed to be exhaustive the bibliography offers a fairly representative survey of scholarly work on the main topics of interest Publications have been

systematically classified according to eleven main categories Introductions Surveys and Historical Issues Part I Religious Language Part II Religious Experience Part III Religious Epistemology Part IV Theism Part V Hermeneutics Part VI Religion and Science Part VII Religion and Aesthetics Part VIII Religion and Morality Part IX Religious Pluralism Part X and Feminist Philosophy of Religion Part XI Part III has been subdivided into Religious Experience and Mystical Experience Part VII into The Concept of God arguments for The Existence of God The Problem of Evil and Atheism and Part VII into General and Historical Issues Theological Issues and implications of Modern Physics Cosmology and Biology The bibliography will particularly be useful to scholars teachers and students in the philosophy of religion philosophical theology and systematic theology as well as to those who are interested professionally or otherwise in the results of academic scholarship in those fields

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Kierkegaard Existence Et Ethique full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Kierkegaard Existence Et Ethique eBooks, including some popular titles.

FAQs About Kierkegaard Existence Et Ethique Books

What is a Kierkegaard Existence Et Ethique PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Kierkegaard Existence Et Ethique PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Kierkegaard Existence Et Ethique PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Kierkegaard Existence Et Ethique PDF to another file format?**

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Kierkegaard Existence Et Ethique PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
