Kill Slade:

Slade's Law Lyle Brandt, 2008-01-01 BRANDT SLADES LAW 02 **Vigilante Days and Ways** Nathaniel Pitt Langford, 1890 **The Gunfighters** Bryan Burrough, 2025-06-03 One hell of a good read The New York Times One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of The Big Rich and Forget the Alamo comes an epic reconsideration of the time and place that spawned America's most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance The Wild West gunfighter is such a stock figure in our popular culture that some dismiss it all as a corny myth more a product of dime novels and B movies than a genuinely important American history In fact as Bryan Burrough shows us in his dazzling and fast paced new book there's much more below the surface For three decades at the end of the 1800s a big swath of the American West was a crucible of change with the highest murder rate per capita in American history The reasons behind this boil down to one word Texas Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north The Colt revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It's never stopped The Gunfighters brilliantly sifts the lies from the truth giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts To understand the truth of the Wild West is to understand a crucial dimension of the American story **Texas True** Janet Dailey, 2015-03-31 A second chance for a veteran and his sweetheart comes at a price in this romance from the New York Times bestselling author of the Calder Saga He's the one who got away The cowboy who claimed her heart before taking off on a tour of duty planning never to return But Beau Tyler is back and Natalie Haskell feels defenseless against the powerful pull of the brawny soldier Especially when she finds herself suddenly widowed and needing the shelter of his strong arms She's the hometown sweetheart The girl Beau left behind but never forgot despite his battle scarred soul Now Natalie is the real reason he's staying on at the ranch despite rumors that he was somehow involved in her late husband's death Because something in Beau has stirred to life again something he believed his painful past had

destroyed And not even wild horses can keep him from the woman he still loves Praise for the Tylers of Texas series Big bold and sexy Texas True is Janet Dailey at her best Kat Martin Dailey does the genre proud with plenty of intrigue subplots twists and of course love Fans and newcomers alike will revel in the ride Publishers Weekly on Texas Tall *The Lawman: Reckoning* Lyle Brandt,2012-06-05 A QUEST FOR VENGEANCE It was the happiest day of Deputy U S Marshal Jack Slade s life until a gang of roughnecks broke it up and shot his bride Now in a coma Slade s bride to be faces a slim chance for a full recovery With his heart broken and filled with vengeance the Lawman sets out to pursue the gang that broke up his Oklahoma wedding and raided the Cherokee reservation Teaming up with Little Wolf Slade follows the gang south toward Mexico passing through the perilous areas of Texas And as Slade attempts to exact justice for his fianc e The Lawman will be tempted to break any law that stands in the way **The Darkness That Slept** Tristen Kozinski ,Keegan Kozinski, The world gathers on a precipice over chaos In the West the God Emperor Cardolyn Tyier broods over his vast conquests and plots the subjugation of all other kingdoms To the South the Kalvonder plutocracy continues their bloody entertainments too invested in small schemes transient vices and petty ascensions to notice one of their own has a far grander design From the East a legion of paladins embarks on a crusade of holy conquest against the secluded Northlands intent on supplanting the land s sovereign deity and crushing it beneath their pantheon But these are children s squabbles for a forgotten evil hides behind these conflicts amassing power and guiding humanity toward the precipice The world has had many names for it but men always called it the Muntalabacs Dread Lords The Avenar know one has resurfaced They can feel his quiet footsteps resounding across the world and heralding the renewed conflict between their families The Avenar are spent though and will need whatever help they can find be it from eccentrics outcasts or madmen *The Vigilantes of Montana, or Popular Justice in the Rocky Mountains* Thomas J. Dimsdale,2022-07-15 Excerpt The object of the writer in presenting this narrative to the public is twofold His intention is in the first place to furnish a correct history of an organization administering justice without the sanction of constitutional law and secondly to prove not only the necessity for their action but the equity of their proceedings Having an intimate acquaintance with parties cognizant of the facts related and feeling certain of the literal truth of the statements contained in this history he offers it to the people of the United States with the belief that its perusal will greatly modify the views of those even who are most prejudiced against the summary retribution of mountain law and with the conviction that all honest and impartial men will be willing to admit both the wisdom of the course pursued and the salutary effect of the rule of the Vigilantes in the Territory of Montana It is also hoped that the history of the celebrated body the very mention of whose name sounded as a death knell in the ears of the murderers and Road Agents will be edifying and instructive to the general reader The incidents related are neither trivial in themselves nor unimportant in their results and while rivalling fiction in interest are unvarnished accounts of transactions whose fidelity can be vouched by thousands As a literary production the author commits it to the examination of the critical without a sigh If any of these author slayers are

inclined to be more severe in their judgment than he is himself he trusts they will receive the reward to which their justice entitles them and if they should pass it by he cannot but think that they will exercise a sound discretion and avoid much useless labor With all its imperfections here it is **The Texas Criminal Reports** Texas.
