Elements of Tragedy in Flavian Epic Sophia Papaioannou, Agis Marinis, 2021-01-18 In the light of recent scholarly work on tragic patterns and allusions in Flavian epic the publication of a volume exclusively dedicated to the relationship between Flavian epic and tragedy is timely The volume concentrating on the poetic works of Silius Italicus Statius and Valerius Flaccus consists of eight original contributions two by the editors themselves and a further six by experts on Flavian epic The volume is preceded by an introduction by the editors and it concludes with an Afterword by Carole E Newlands Among key themes analysed are narrative patterns strategies or type scenes that appear to derive from tragedy the Aristotelian notions of hamartia and anagnorisis human and divine causation the transfer of individual characters from tragedy to epic as well as instances of tragic language and imagery The volume at hand showcases an array of methodological approaches to the question of the presence of tragic elements in epic Hence it will be of interest to scholars

and students in the area of Classics or Literary Studies focusing on such intergeneric and intertextual connections it will be also of interest to scholars working on Flavian epic or on the ancient reception of Greek and Roman tragedy

Fe Justin Brian Blake, 2016-12-19 Through all the darkness caused by the malicious faith beauty destiny and true love may shine still through to the world No matter the guise that be worn at the time the truth is underneath Only the smallest pinch of badness is required to spiral an event out of reason and he who initiated it only hides watches and laughs In the year 1024 a grand kingdom is under rule of Queen Bella who lives as the most beautiful female to live and she persists to reign alone as she sees that it is near impossible to find and have a man who knows how to properly reign and love Her most valued knight is also her most beloved friend Destino who has been by her side since her birth watching and guarding her protecting his treasure at all times Destino is known as the most desired man in all of the searched extents of the earth but he will only accept the heart of one A man named Feoso is by far the most hideous man to walk He serves the queen to his best but only desires to do her wish not have her hand in marriage When a vanquishing disease is acknowledged by Bella Feoso heads out with haste that he may find and destroy this newly found plague While on his search he uncovers secrets of the kingdom secrets of his orphan past and he proves what it is to have true strength and faith Through the twists and blots throughout this script faith beauty and destiny will shine through to the eyes
