

The Landscape of Stalinism

THE ART AND IDEOLOGY OF SOVIET SPACE

Edited by **EVGENY DOBRENKO** and **ERIC NAIMAN**

Landscape Of Stalinism

John L. H. Keep, Alter L. Litvin

Landscape Of Stalinism:

The Landscape of Stalinism Evgeny Dobrenko, Eric Naiman, 2011-11-15 This wide ranging cultural history explores the expression of Bolshevik Party ideology through the lens of landscape or more broadly space Portrayed in visual images and words the landscape played a vital role in expressing and promoting ideology in the former Soviet Union during the Stalin years especially in the 1930s At the time the iconoclasm of the immediate postrevolutionary years had given way to nation building and a conscious attempt to create a new Soviet culture In painting architecture literature cinema and song images of landscape were enlisted to help mold the masses into joyful hardworking citizens of a state with a radiant utopian future all under the fatherly guidance of Joseph Stalin From backgrounds in history art history literary studies and philosophy the contributors show how Soviet space was sanctified coded and sold as an ideological product They explore the ways in which producers of various art forms used space to express what Katerina Clark calls a cartography of power an organization of the entire country into a hierarchy of spheres of relative sacredness with Moscow at the center The theme of center versus periphery figures prominently in many of the essays and the periphery is shown often to be paradoxically central Examining representations of space in objects as diverse as postage stamps a hikers magazine advertisements and the Soviet musical the authors show how cultural producers attempted to naturalize ideological space to make it an unquestioned part of the worldview Whether focusing on the new or the centuries old whether exploring a built cityscape a film documentary or the painting Stalin and Voroshilov in the Kremlin the authors offer a consistently fascinating journey through the landscape of the Soviet ideological imagination Not all features of Soviet space were entirely novel and several of the essayists assert continuities with the prerevolutionary past One example is the importance of the mother image in mass songs of the Stalin period another is the boundless longing inspired in the Russian character by the burden of living amid vast empty spaces But whether focusing on the new or the centuries old whether exploring a built cityscape a film documentary or the painting Stalin and Voroshilov in the Kremlin the authors offer a consistently fascinating journey through the landscape of the Soviet ideological imagination

Building Stalinism Cynthia A. Ruder, 2018-01-30 Today the 80 mile long Moscow Canal is a source of leisure for Muscovites a conduit for tourists and provides the city with more than 60% of its potable water Yet the past looms heavy over these quotidian activities the canal was built by Gulag inmates at the height of Stalinism and thousands died in the process In this wide ranging book Cynthia Ruder argues that the construction of the canal physically manifests Stalinist ideology and that the vertical horizontal underwater ideological artistic and metaphorical spaces created by it resonate with the desire of the state to dominate all space within and outside the Soviet Union Ruder draws on theoretical constructs from cultural geography and spatial studies to interpret and contextualise a variety of structural and cultural products dedicated to and in praise of this signature Stalinist construction project Approached through an extensive range of archival sources personal interviews and contemporary documentary materials these include a diverse body of artefacts from

waterways structures paintings sculptures literary and documentary works and the Gulag itself Building Stalinism concludes by analysing current efforts to reclaim the legacy of the canal as a memorial space that ensures that those who suffered and died building it are remembered This is essential reading for all scholars working on the all pervasive nature of Stalinism and its complex afterlife in Russia today

Book Review: The Landscape of Stalinism: the Art and Ideology of Soviet Space. Edited by Evgeny Dobrenko and Eric Naiman. Seattle: University of Washington Press 2003. ISBN

0-295-98333-7 Mark Bassin, 2005 **Rezension zu Evgeny Dobrenko, Eric Naiman (Hg.): The Landscape of Stalinism : The Art and Ideology of Soviet Space. Seattle, London 2003** Frithjof Benjamin Schenk, 2005 *SpaceTime of the Imperial* Holt Meyer, Susanne Rau, Katharina Waldner, 2016-11-07 This volume works through spatio temporal concepts to be found in imperial practices and their representations in a wide range of media The individual cases investigated in the volume cover a broad spectrum of historical periods from ancient times up to the present Well known international scholars treat special cases of the topic using cutting edge theory and approaches stemming from historical cartographic religious literary media studies as well as ethnography

Stalin's Final Films Claire Knight, 2024-07-15 Stalin's Final Films explores a neglected period in the history of Soviet cinema breathing new life into a body of films long considered moribund as the pinnacle of Stalinism While film censorship reached its apogee in this period and fewer films were made film attendance also peaked as Soviet audiences voted with their seats and distinguished a clearly popular postwar cinema Claire Knight examines the tensions between official ideology and audience engagement and between education and entertainment inherent in these popular films as well as the financial considerations that shaped and constrained them She explores how the Soviet regime used films to address the major challenges faced by the USSR after the Great Patriotic War World War II showing how war dramas spy thrillers Stalin epics and rural comedies alike were mobilized to consolidate an official narrative of the war reestablish Stalinist orthodoxy and dramatize the rebuilding of socialist society Yet Knight also highlights how these same films were used by filmmakers more experimentally exploring a diverse range of responses to the ideological crisis that lay at the heart of Soviet postwar culture as a victorious people were denied the fruits of their sacrificial labor After the war new heroes were demanded by both the regime and Soviet audiences and filmmakers sought to provide them with at times surprising results Stalin's Final Films mines Soviet cinema as an invaluable resource for understanding the unique character of postwar Stalinism and the cinema of the most repressive era in Soviet history

The Stalin Cult Jan Plamper, 2012-01-17 Between the late 1920s and the early 1950s one of the most persuasive personality cults of all times saturated Soviet public space with images of Stalin A torrent of portraits posters statues films plays songs and poems galvanized the Soviet population and inspired leftist activists around the world In the first book to examine the cultural products and production methods of the Stalin cult Jan Plamper reconstructs a hidden history linking artists party patrons state functionaries and ultimately Stalin himself in the alchemical project that transformed a pock marked Georgian

into the embodiment of global communism Departing from interpretations of the Stalin cult as an outgrowth of Russian mysticism or Stalin's psychopathology Plamper establishes the cult's context within a broader international history of modern personality cults constructed around Napoleon III Mussolini Hitler and Mao Drawing upon evidence from previously inaccessible Russian archives Plamper's lavishly illustrated and accessibly written study will appeal to anyone interested in twentieth century history visual studies the politics of representation dictator biography socialist realism and real socialism

From German Königsberg to Soviet Kaliningrad Jamie Freeman, 2020-11-10 This book explores how the Soviet Union after capturing and annexing the German East Prussian city of Königsberg in 1945 and renaming it Kaliningrad worked to transform the city into a model of Soviet modernity It examines how the Soviets expelled all the remaining German people repopulated the city and region with settlers from elsewhere in the Soviet Union destroyed the key remaining German buildings and began building a model Soviet city a physical manifestation of the societal transformation brought about by communism However the book goes on to show that over time many of the model Soviet buildings were uncompleted and that the citizens aware of their Polish and Lithuanian neighbours to both the east and the west and appreciating their place in the wider Baltic region came to view themselves as something different from other Soviet and Russian citizens The book concludes by assessing present developments as the people of Kaliningrad are increasingly rediscovering the city's pre-Soviet past and forging a new identity for themselves on their own terms

Belomor Julie S. Draskoczy, 2019-08-28 Containing analyses of everything from prisoner poetry to album covers Belomor Criminality and Creativity in Stalin's Gulag moves beyond the simplistic good evil paradigm that often accompanies Gulag scholarship While acknowledging the normative power of Stalinism an ethos so hegemonic it wanted to harness the very mechanisms of inspiration the volume also recognizes the various loopholes offered by artistic expression Perhaps the most infamous project of Stalin's first Five Year Plan the Belomor construction was riddled by paradox above all the fact that it created a major waterway that was too shallow for large crafts Even more significant and sinister is that the project won the backing of famous creative luminaries who enthusiastically professed the doctrine of self-fashioning Belomor complicates our understanding of the Gulag by looking at both prisoner motivation and official response from multiple angles thereby offering a more expansive vision of the labor camp and its connection to Stalinism

The Limits of the Landscape of Stalinism Lucy Brownridge, 2015 *Petrified Utopia* Marina Balina, Evgeny Dobrenko, 2009-07-01 Taken together these essays redefine the preconceived notion of Soviet happiness as the product of official ideology imposed from above and expressed predominantly through collective experience and provide evidence that the formation of the concept of individual happiness was not contained by the limitations of important state projects controlled by state policies and aimed toward the creation of a new society

Rivers, Memory, And Nation-building Dorothy Zeisler-Vralsted, 2014-11-01 Rivers figure prominently in a nation's historical memory and the Volga and Mississippi have special importance in Russian and American cultures Beginning in the pre-modern world both

rivers served as critical trade routes connecting cultures in an extensive exchange network while also sustaining populations through their surrounding wetlands and bottomlands In modern times Mother Volga and the Father of Waters became integral parts of national identity contributing to a sense of Russian and American exceptionalism Furthermore both rivers were drafted into service as the means to modernize the nation state through hydropower and navigation Despite being forced into submission for modern day hydrological regimes the Volga and Mississippi Rivers persist in the collective memory and continue to offer solace recreation and sustenance Through their histories we derive a more nuanced view of human interaction with the environment which adds another lens to our understanding of the past

An Anthropology of Intellectual Exchange Jacob Copeman, Lam Minh Chau, Joanna Cook, Nicholas J. Long, Magnus Marsden, 2023-09-15 Dialogues encounters and interactions through which particular ways of knowing understanding and thinking about the world are forged lie at the centre of anthropology Such intellectual exchange is also central to anthropologists own professional practice from their interactions with research participants and modes of pedagogy to their engagements with each other and scholars from adjacent disciplines This collection of essays explores how such processes might best be studied cross culturally Foregrounding the diverse interactions ethical reasoning and intellectual lives of people from across the continent of Asia the volume develops an anthropology of intellectual exchange itself

The Fate of the New Man Claire McCallum, 2018-07-03 Between 1945 and 1965 the catastrophe of war and the social and political changes it brought in its wake had a major impact on the construction of the Soviet masculine ideal Drawing upon a wide range of visual material *The Fate of the New Man* traces the dramatic changes in the representation of the Soviet man in the postwar period It focuses on the two identities that came to dominate such depictions in the two decades after the end of the war the Soviet man s previous role as a soldier and his new role in the home once the war was over In this compelling study Claire McCallum focuses on the reconceptualization of military heroism after the war the representation of contentious subjects such as the war damaged body and bereavement and postwar changes to the depiction of the Soviet man as father McCallum shows that it was the Second World War rather than the process of de Stalinization that had the greatest impact on the masculine ideal proving that even under the constraints of Socialist Realism the physical and emotional devastation caused by the war was too great to go unacknowledged *The Fate of the New Man* makes an important contribution to Soviet masculinity studies McCallum s research also contributes to broader debates surrounding the impact of Stalin s death on Soviet society and on the nature of the subsequent Thaw as well as to those concerning the relationship between Soviet culture and the realities of Soviet life This fascinating study will appeal to scholars and students of Soviet history masculinity studies and visual culture studies

Stalinism in Kazakhstan Zhulduzbek Abylkhozhin, Mikhail Akulov, Alexandra Tsay, 2021-03-24 Stalinism in Kazakhstan History Memory and Representation is a multi disciplinary collection of essays from Central Asian authors The volume is devoted to violence and socio economic transformation during the Stalinist repressions in Kazakhstan and explores

collective trauma selective memory and representations in contemporary art and literature

The Development of Russian Environmental Thought Jonathan Oldfield, Denis J B Shaw, 2015-10-05 This book provides a comprehensive overview of the very rich thinking about environmental issues which has grown up in Russia since the nineteenth century a body of knowledge and thought which is not well known to Western scholars and environmentalists It shows how in the late nineteenth century there emerged in Russia distinct and strongly articulated representations of the earth's physical systems within many branches of the natural sciences representations which typically emphasised the completely integrated nature of natural systems It stresses the importance in these developments of V V Dokuchaev who significantly advanced the field of soil science It goes on to discuss how this distinctly Russian approach to the environment developed further through the work of geographers and other environmental scientists down to the late Soviet period

Stalin's Meteorologist Olivier Rolin, 2018-12-11 Winner of the 2014 Prix du Style Masterful An eloquent addition to a violent episode in the history of science in the twentieth century Nature In 1934 the highly respected head of the Soviet Union's meteorology department Alexei Feodosievich Wangenheim was suddenly arrested without cause and sentenced to a gulag Less than a year after being hailed by Stalin as a national hero he ended up with thousands of other political prisoners in a camp on Solovetsky Island under vast northern skies and surrounded by water that was for more than six months of the year a sheet of motionless ice He was violently executed in 1937 a fact kept from his family for nearly twenty years Olivier Rolin masterfully weaves together Alexei's story and his eventual fate drawing on an archive of letters and delicate drawings of the natural world that Wangenheim sent to his family from prison Tragically Wangenheim never stopped believing in the Revolution maintaining that he'd been incarcerated by accident that any day Stalin would find out and free him His stubbornness suffuses the narrative with tension and offers insight as to how he survived an impossible situation for so long Stalin's Meteorologist is a fascinating work that casts light on the devastating consequences of politically inspired paranoia and the mindlessness and trauma of totalitarianism relevant revelations for our time

Stalinism John L. H. Keep, Alter L. Litvin, 2004-12-15 Stalinism surveys the efforts made in recent years by professional historians in Russia and the West to better understand what really went on in the USSR between 1929 and 1953 when the country's affairs were shrouded in secrecy The opening of the Soviet archives in 1991 has led to a profusion of historical studies whose strengths and weaknesses are assessed here impartially though not uncritically While Joseph Stalin now emerges as a less omnipotent figure than he seemed to be at the time most serious writers accept that the system over which he ruled was despotic and totalitarian Some nostalgic nationalists in Russia along with some Western post modernists disagree Their arguments are carefully dissected here Stalinism was of course much more than state sponsored terror and so due attention is paid to a wide range of socio economic and cultural problems Keep and Litvin applaud the efforts of Soviet citizens to express dissenting views

Cultural Landscapes of Post-Socialist Cities Mariusz Czepczynski, 2016-04-22 The cultural landscapes of Central European cities reflect over half a

century of socialism and are marked by the Marxists vision of a utopian landscape Architecture urban planning and the visual arts were considered to be powerful means of expressing the people s power However since the velvet revolutions of 1989 this urban scenery has been radically transformed by new forces and trends infused by the free market democracy and liberalization This has led to landscape cleansing and recycling as these former communist nations used new architectural functional and social forms to transform their urbanscapes their meanings and uses Comparing case studies from different post socialist cities this book examines the culturally conditional variations between local powers and structures despite the similarities in the general processes and systems It considers the contemporary cultural landscapes of these post socialist cities as a dynamic fusion of the old communist forms and new free market meanings features and democratic practices of global influences and local icons The book assesses whether these urbanscapes clearly reflect the social cultural and political conditions and aspirations of these transitional countries and so a critical analysis of them provides important insights

Stalin Oleg V. Khlevniuk, 2015-05-19 An engrossing biography of the notorious Russian dictator by an author whose knowledge of Soviet era archives far surpasses all others Josef Stalin exercised supreme power in the Soviet Union from 1929 until his death in 1953 During that quarter century by Oleg Khlevniuk s estimate he caused the imprisonment and execution of no fewer than a million Soviet citizens per year Millions more were victims of famine directly resulting from Stalin s policies What drove him toward such ruthlessness This essential biography offers an unprecedented fine grained portrait of Stalin the man and dictator Without mythologizing Stalin as either benevolent or an evil genius Khlevniuk resolves numerous controversies about specific events in the dictator s life while assembling many hundreds of previously unknown letters memos reports and diaries into a comprehensive compelling narrative of a life that altered the course of world history In brief revealing prologues to each chapter Khlevniuk takes his reader into Stalin s favorite dacha where the innermost circle of Soviet leadership gathered as their vozhd lay dying Chronological chapters then illuminate major themes Stalin s childhood his involvement in the Revolution and the early Bolshevik government under Lenin his assumption of undivided power and mandate for industrialization and collectivization the Terror World War II and the postwar period At the book s conclusion the author presents a cogent warning against nostalgia for the Stalinist era This brilliant authoritative opinionated biography ranks as the best on Stalin in any language Martin McCauley East West Review A historiographical and literary masterpiece Mark Edele Australian Book Review A very digestible biography yet one packed with revelations Paul E Richardson Russian Life Magazine

Landscape Of Stalinism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Landscape Of Stalinism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Landscape Of Stalinism has opened up a world of possibilities. Downloading Landscape Of Stalinism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Landscape Of Stalinism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Landscape Of Stalinism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Landscape Of Stalinism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Landscape Of Stalinism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Landscape Of Stalinism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular

choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Landscape Of Stalinism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Landscape Of Stalinism is one of the best book in our library for free trial. We provide copy of Landscape Of Stalinism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Landscape Of Stalinism. Where to download Landscape Of Stalinism online for free? Are you looking for Landscape Of Stalinism PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Landscape Of Stalinism. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Landscape Of Stalinism are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Landscape Of Stalinism. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to

our ebook online or by storing it on your computer, you have convenient answers with Landscape Of Stalinism To get started finding Landscape Of Stalinism, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Landscape Of Stalinism So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Landscape Of Stalinism. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Landscape Of Stalinism, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop.
