Language And Value Proceedings:

Language and Value Yi Jiang, Ernest Lepore, 2015-09-09 This volume represents the first substantial collaborative work from Chinese and Western scholars on philosophy of language We believe that recent developments in the Anglo American philosophy and Chinese philosophy of language not only suggest a tableau of shared problems but also a number of similar methods and goals It is the goal of this volume to juxtapose these recent philosophical developments to illustrate the similarities between the traditions but also to spur common dialogue and hopefully efforts to jointly engage shared philosophical problems The issues engaged range from the role of cultural and biological factors in linguistic competence and language use to figurative speech in different languages the comparative study of work in semantics and philosophy and the role of language in establishing the legal and ethical norms and values Content and abstracts www.protosociology.de
